

Office of Refugee Resettlement (ORR)  
Programs to Strengthen Marriages and Families:

**MEDICAL COLLEGE OF WISCONSIN INITIATIVE FOR MENTAL  
HEALTH**

**PURPOSE:**

The purpose of this program is to help strengthen families and marriages of the refugee population of the Milwaukee metropolitan area, and throughout the State of Wisconsin.

Programs include educational curriculum and services for Russian and Ukrainian refugees, provided by the Access Mental Health Clinic. Culturally sensitive programs for Muslim refugees from Africa are provided by the Sebastian Psychology Family Practice. For the Hmong refugee community, outreach, interpretation, translation and administrative support services are provided by the Medical College of Wisconsin in Milwaukee.

**GRANT RECIPIENT(S):** Access Medical Health Clinic, Sebastian Psychology Family Practice, and the Medical College of Wisconsin

**PROJECT PERIOD:** April 8, 2004 to September 29, 2006

**PROJECT FUNDING:** \$200,000
