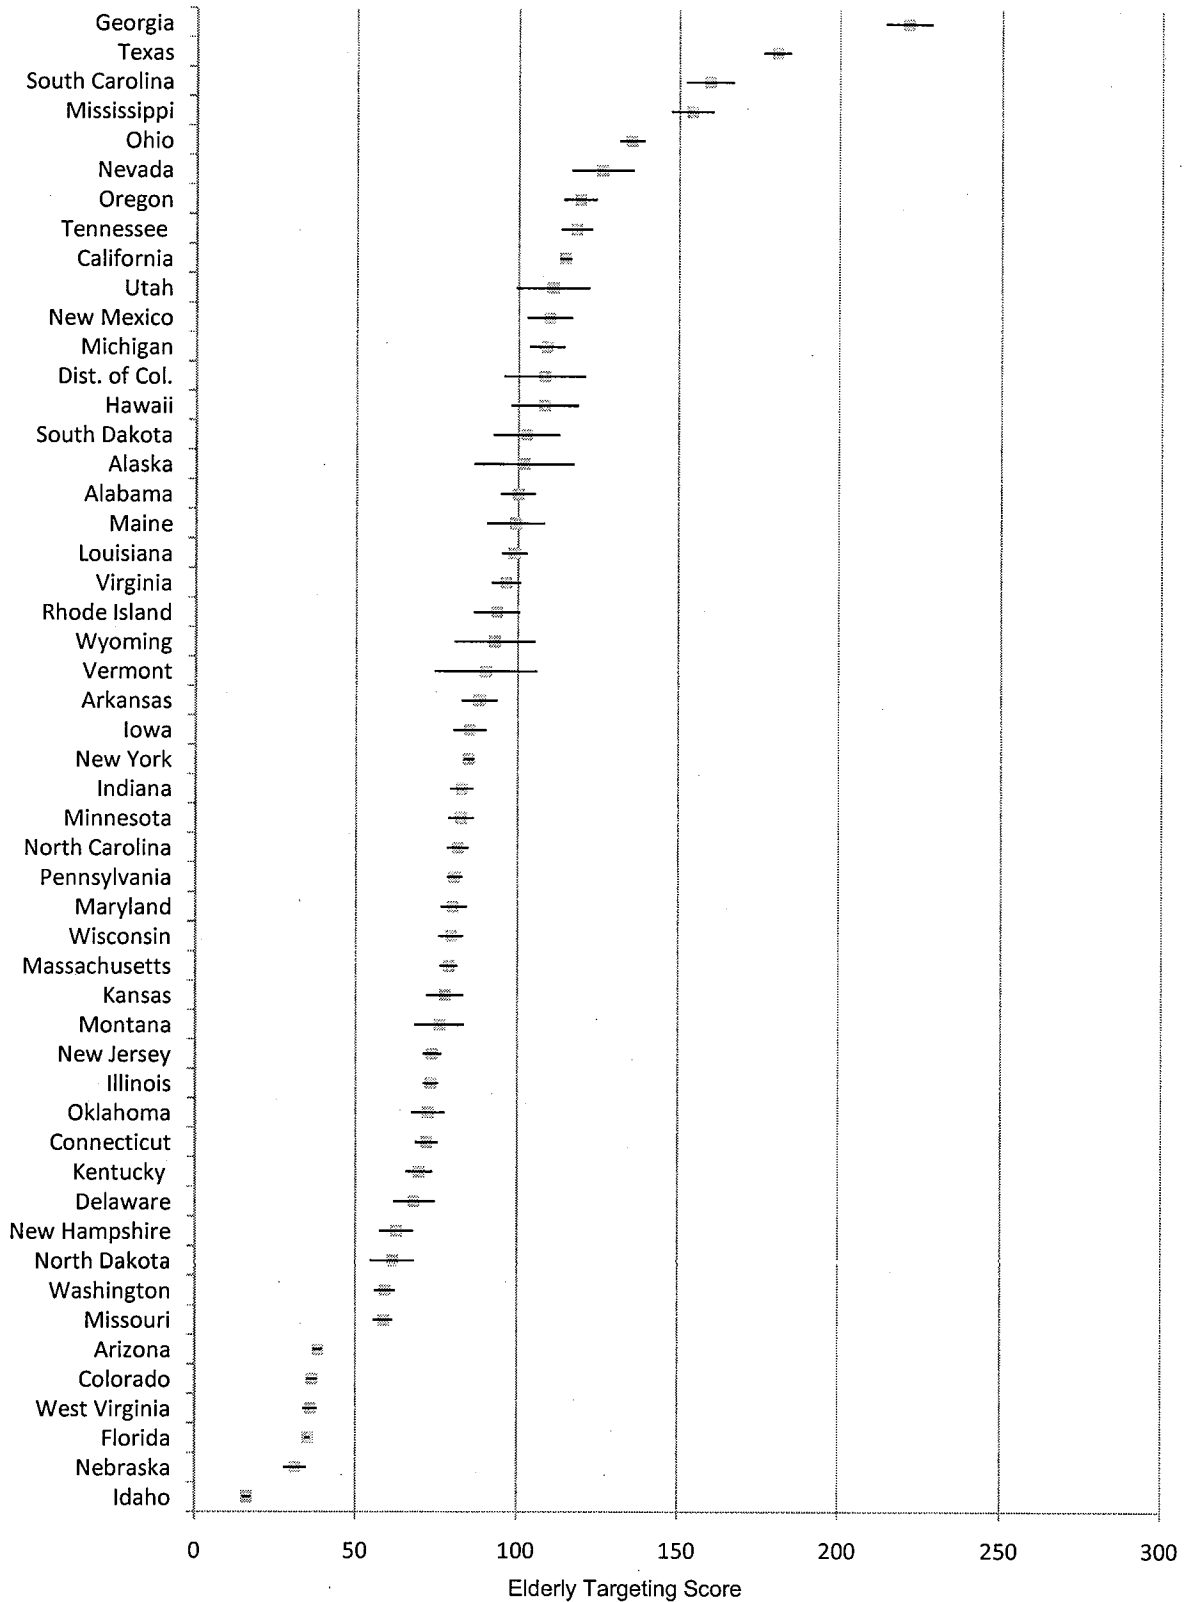

Figure 1: Reciprocity Targeting Indexes and 95% Confidence Intervals (CI) for FFY 2006 LIHEAP Heating Assistance Households Having At Least One Person 60 Years or Older Using Federal Maximum LIHEAP Income Standards.

Data Sources: State LIHEAP Household Report and 2005-2006 American Community Surveys.

Refer to "Technical Notes on Estimates of LIHEAP Reciprocity Targeting Indexes for Households Receiving LIHEAP Heating Assistance in Federal Fiscal Year (FFY) 2006" which provide the context for understanding the data sources, calculations, interpretation, and caveats.

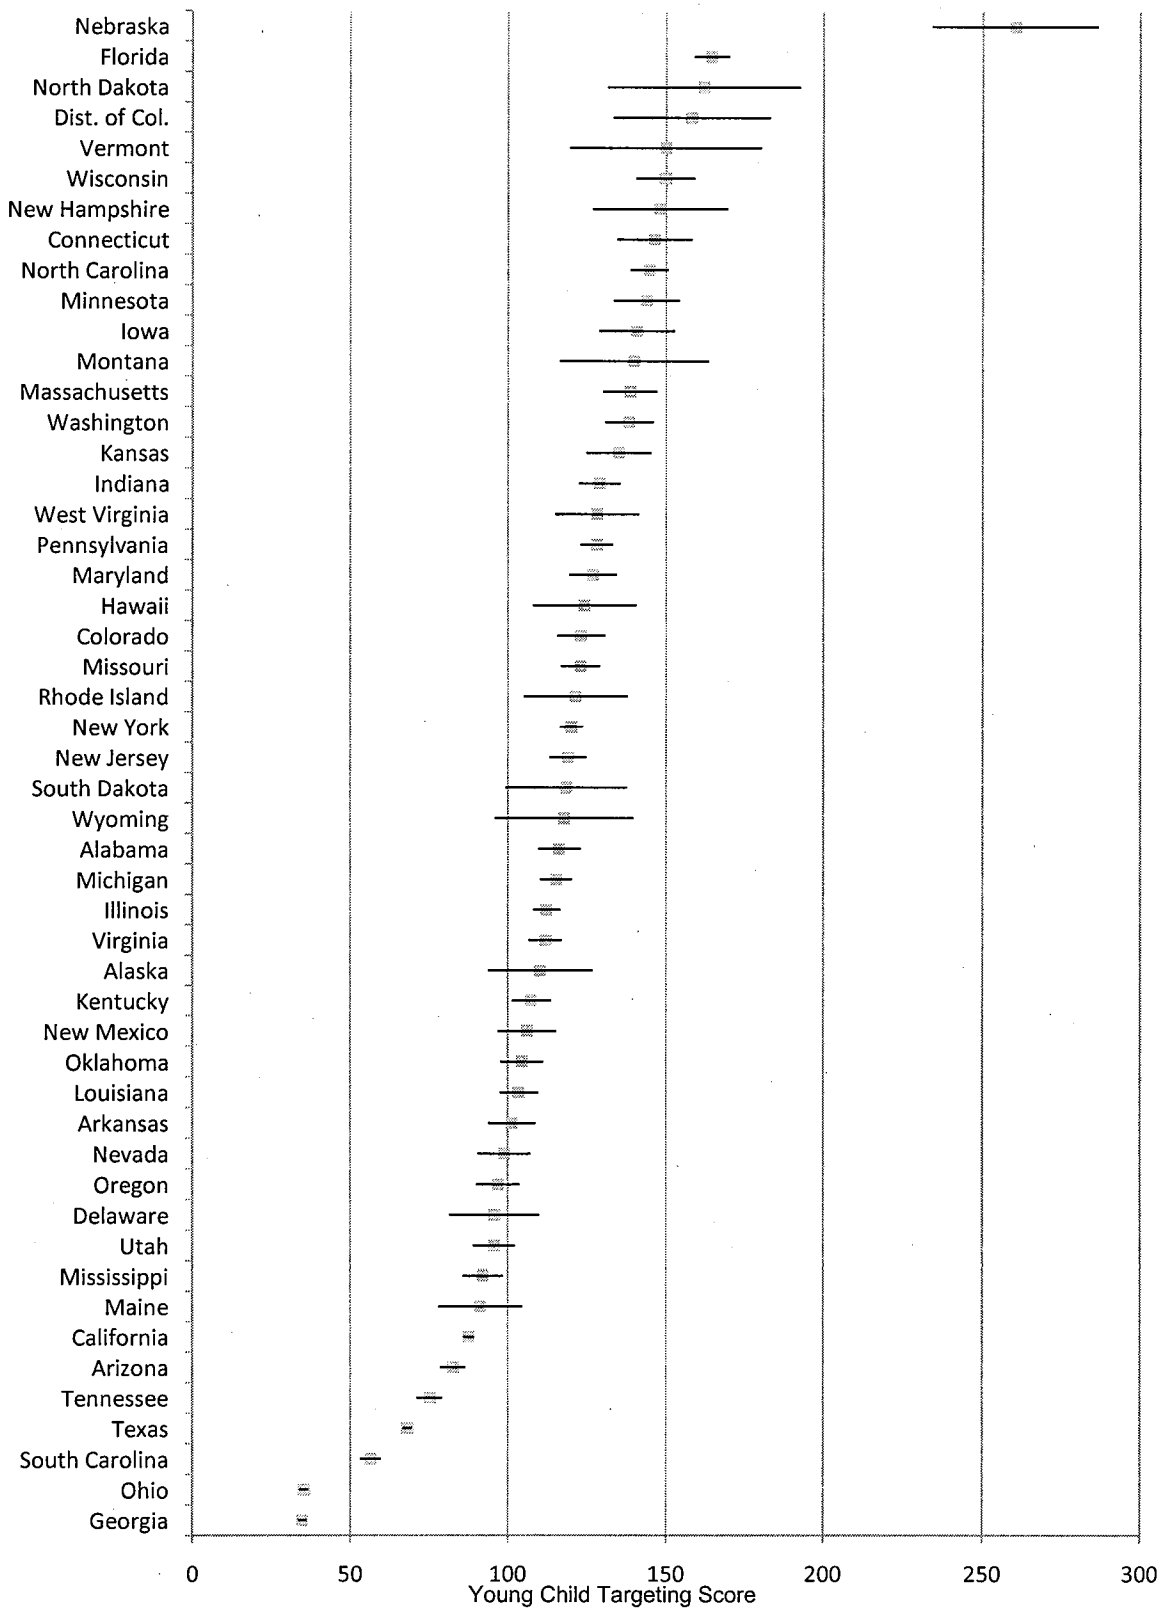

Figure 2: Reciprocity Targeting Indexes and 95% Confidence Intervals (CI) for FFY 2006 LIHEAP Heating Assistance Households Having At Least One Person 60 Years or Older Using State Maximum LIHEAP Income Standards.

Data Sources: State LIHEAP Household Report and 2005-2006 American Community Surveys.

Refer to "Technical Notes on Estimates of LIHEAP Reciprocity Targeting Indexes for Households Receiving LIHEAP Heating Assistance in Federal Fiscal Year (FFY) 2006" which provide the context for understanding the data sources, calculations, interpretation, and caveats.

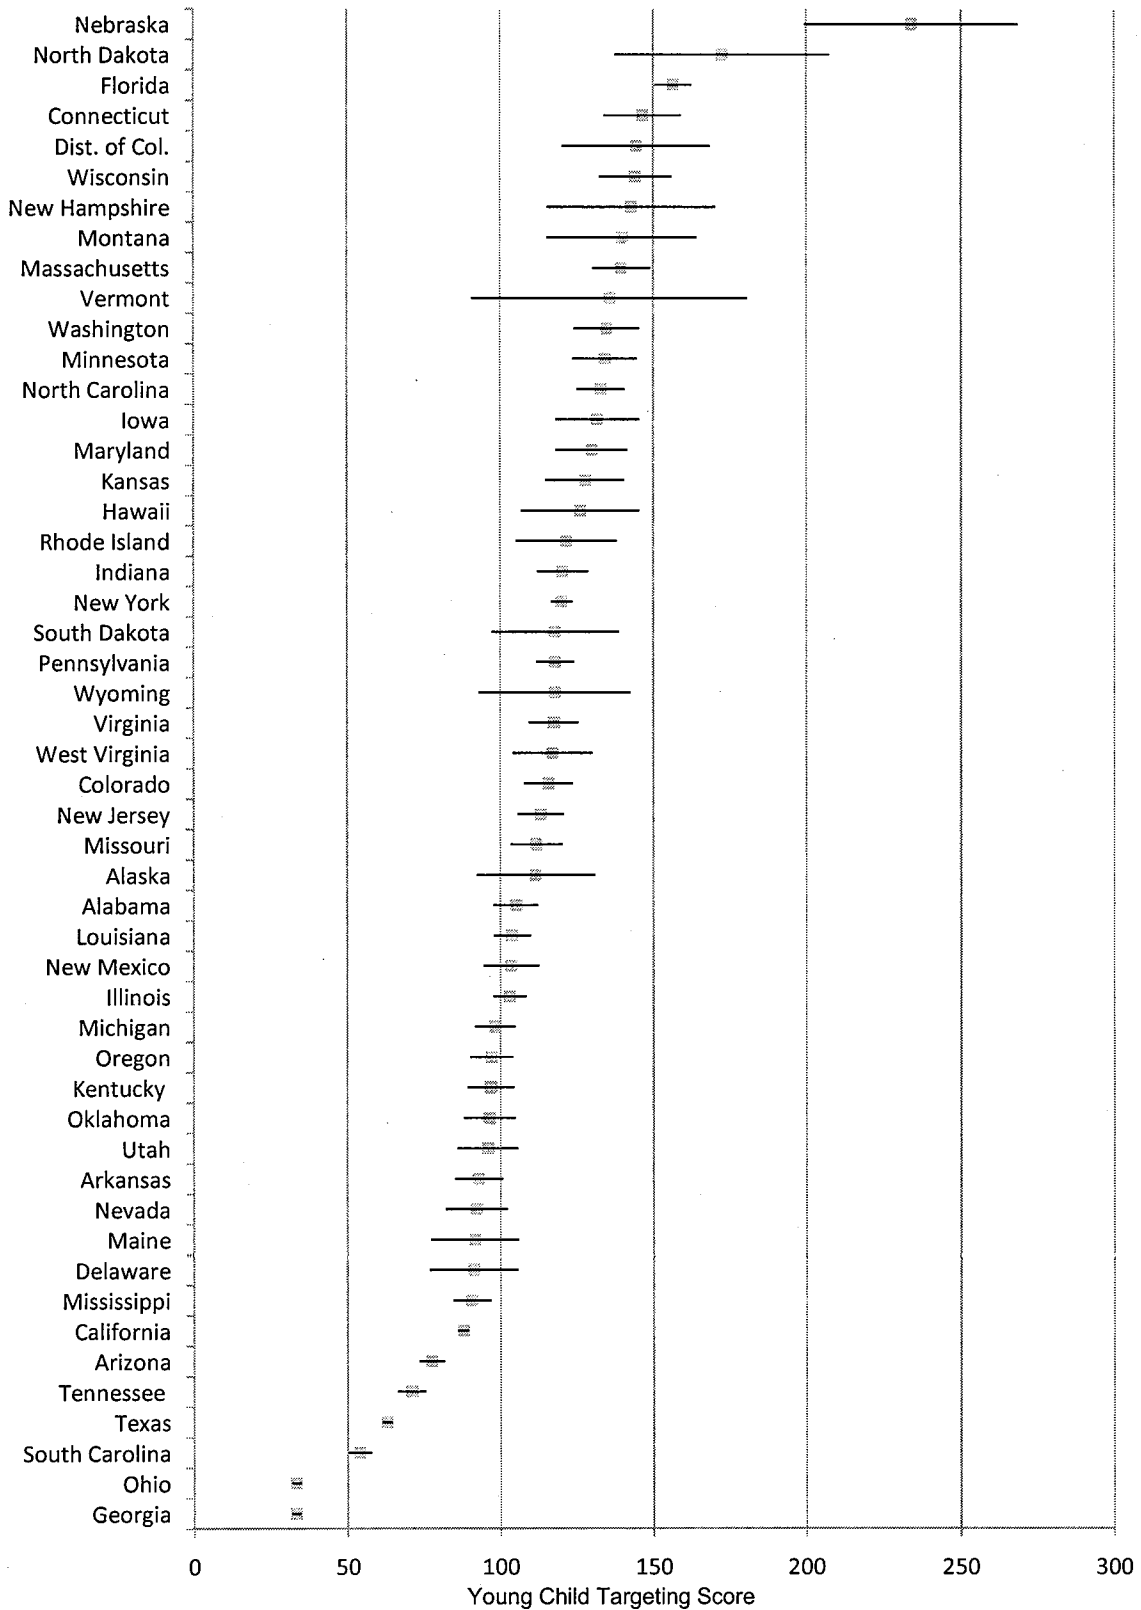

Figure 3: Reciprocity Targeting Indexes and 95% Confidence Intervals (CI) for FFY 2006 LIHEAP Heating Assistance Households Having At Least One Child 5 Years or Younger Using Federal Maximum LIHEAP Income Standards.

Data Sources: State LIHEAP Household Report and 2005-2006 American Community Surveys.

Refer to "Technical Notes on Estimates of LIHEAP Reciprocity Targeting Indexes for Households Receiving LIHEAP Heating Assistance in Federal Fiscal Year (FFY) 2006" which provide the context for understanding the data sources, calculations, interpretation, and caveats.

Figure 4: Reciprocity Targeting Indexes and 95% Confidence Intervals (CI) for FFY 2006 LIHEAP Heating Assistance Households Having At Least One Child 5 Years or Younger Using State Maximum LIHEAP Income Standards.

Data Sources: State LIHEAP Household Report and 2005-2006 American Community Surveys.

Refer to "Technical Notes on Estimates of LIHEAP Reciprocity Targeting Indexes for Households Receiving LIHEAP Heating Assistance in Federal Fiscal Year (FFY) 2006" which provide the context for understanding the data sources, calculations, interpretation, and caveats.
