The Region 10 Directors' Forum

Bell Harbor International
Conference Center

2211 Alaskan Way- Pier 66

9:30 am - 4:00 pm

TUESDAY, NOVEMBER 1, 2005

All Head Start and Early Head Start Directors are invited to attend a special forum for Directors only. We are very excited to share the day with you, and are currently building an agenda. To ensure that each of you come away certain that your participation at this Directors' Forum was a most valuable use of your time, we are soliciting some information:

- 1) Please identify key areas of interest to you for discussion (might be areas such as enrollment, full-day/full year programming, budget challenges, etc. It would be helpful if you would rank the top three in priority order). We want to honor the stated desire of many of you to have an open, informal conversation, and want to make sure we cover the topics you care most about.
- 2) Please provide one paragraph describing a success story – something positive that you would like all to know about – a success for a child, a parent, outcome of a great partnership – you decide. We will put them all together in a booklet, "Dreams Delivered". No success story too small! Just keep it to one paragraph!

Please email this information to Melissa Calhoun at mcalhoun@acf.hhs.gov no later than Wednesday, October 12th. Questions? Contact your Program Specialist.
