

The Promoting Child Well-Being & Family Self-Sufficiency Fact Sheet Series discusses how and why the child support program provides innovative services to families across six interrelated areas to assure that parents have the tools and resources they need to support their children and be positively involved in raising them.

This [fact sheet](#) (PDF) focuses on how the child support program can coordinate or partner with employment programs to help noncustodial parents find and keep a job so that they can meet their responsibilities toward their children.
