

The Promoting Child Well-Being & Family Self-Sufficiency Fact Sheet Series discusses how and why the child support program provides innovative services to families across six interrelated areas to assure that parents have the tools and resources they need to support their children and be positively involved in raising them.

This [fact sheet](#) (PDF) describes how the child support program can increase regular child support payments by helping noncustodial parents find and keep work and connecting custodial and noncustodial parents to resources that help them achieve and maintain economic stability.
