School of Social Work • Children's Home Society •
4C Coalition • U.S. Department of Health and
Human Services, Administration for Children and
Families, Region 10

6th Annual Strengthening the Family Summit

The Summit will bring together national and local speakers who will give context and practical tools for working with families and addressing healthy relationships, marriage, fatherhood and proactive parenting.

The two days will focus on:

- Solutions
- Partnerships that Work
- Identifying Resources in Your Community
