¹ The Adoption and Legal Guardianship Incentive Payments program, formerly the Adoption Incentives program, was established in FY 1998 as part of the Adoption and Safe Families Act of 1997 (ASFA). In the most recent reauthorization of the program, as part of the Preventing Sex Trafficking and Strengthening Families Act, Public Law 113-183, the program was renamed to recognize improved performance in both adoptions and legal guardianship of children in foster care. With each authorization of the program, there have been changes in award calculation procedures and payment amounts. For further information on the program, please see the following policy issuances:
