CFS-101s Forms and Instructions
CFS-101, Part I: Annual Budget Request for Title IV-B, Subpart 1 & 2 Funds, CAPTA, CFCIP, and ETV Instructions

Note: While the information on the programs are consolidated into one Child and Family Services Plan (CFSP), eligibility and expenditure reports for the individual programs are separate. Funding will not be delayed for one program due to potential eligibility issues in another program.

Complete separate forms for each fiscal year.

1. **State or ITO:** Enter the name of the State or Indian Tribal Organization (ITO).

2. **EIN:** Indicate the Employer Identification Number (EIN).

3. **Address:** Enter the address of the State or ITO Agency.

4. **Submission:** Indicate if this is a NEW submission for the upcoming Fiscal Year, or a REVISION of the budget request for the current year.

5. **Total estimated title IV-B, subpart 1 funds**: Specify the estimated amount of title IV-B, subpart 1 Federal funds that the State or ITO expects to spend during the fiscal year on the Stephanie Tubbs Jones Child Welfare Services (CWS) Program. The previous Federal Fiscal Year’s (FFY) final allotment as provided in the annual Program Instruction on the Annual Progress and Services Report (APSR) or CFSP is to be used as the estimated amount for the State’s/Tribe’s request. A 25% match is required and the State or Tribe’s match amount should be reflected on the SF-425 report.
   a) Specify the estimated amount of title IV-B, subpart 1 CWS funds entered on line 5 to be spent on administration (not to exceed 10% of the total title IV-B, subpart 1 estimated allotment).

6. **Total estimated title IV-B, subpart 2 funds**: Specify the total estimated amount of title IV-B, subpart 2 Federal funds that the State or ITO expects to spend during the fiscal year on the Promoting Safe and Stable Families (PSSF) Program. The previous Federal Fiscal Year’s (FFY) final allotment as provided in the annual Program Instruction on the APSR or CFSP is to be used as the estimated amount for the State’s/Tribe’s request. A 25% match is required and the State or Tribe’s match amount should be reflected on the SF-425 report. Tribes are not required to complete items 6 a-f.
   a) Specify the estimated amount of title IV-B, subpart 2 PSSF funds to be spent during the fiscal year for Family Preservation Services (a strong rationale must be provided in the APSR or CFSP if amount is less than 20% of line 6).

---

1 The tentative allotments for title IV-B, subpart 1 and 2, CFCIP, and ETV are based on the premise that all States and Indian Tribes will apply for and receive the funds available to them. In the event that not all States or Indian Tribes apply for or receive their tentative allocations, those funds will be redistributed among eligible States and Indian Tribes, where permitted by statute. States requesting additional funds in anticipation of such a redistribution should submit information on the proposed use of such additional funds to the appropriate Children’s Bureau Regional Office in the State’s/Tribe’s APSR or CFSP.

When States or Tribes that have not applied for funds available to them in past fiscal year(s) decide to do so, depending upon the total amount of funds appropriated by Congress for the next fiscal year, there may be a reduction in the final distribution of funds.
b) Specify the estimated amount of title IV-B, subpart 2 PSSF funds to be spent during the fiscal year for Family Support Services (a strong rationale must be provided in the APSR or CFSP if amount is less than 20% of line 6).

c) Specify the estimated amount of title IV-B, subpart 2 PSSF funds to be spent during the fiscal year for Time-Limited Family Reunification Services (a strong rationale must be provided in the APSR or CFSP if amount is less than 20% of line 6).

e) Specify the estimated amount of title IV-B, subpart 2 PSSF funds to be spent during the fiscal year for other service related activities (e.g. planning).

f) Specify the estimated amount of title IV-B, subpart 2 PSSF funds to be spent on administration. (For STATES only, not to exceed 10% of the total title IV-B, subpart 2 estimated allotment.)

8. **Re-allotment of Title IV-B, subparts 1 & 2 funds for State and ITO:** The Administration for Children and Families (ACF) is able to re-allot unneeded portions of State and Tribal allocations of title IV-B, subparts 1& 2 funds to other States and eligible Indian Tribes so that the total appropriation remains available for program purposes. In order for a State or ITO to be awarded a portion of these funds, or for funds to be released, ACF must have on file a request from the State or Indian Tribe for additional funds, or the release of funds.

   a) Indicate the amount of Federal funds of CWS, PSSF and/or MCV (for States only) that the State or Tribe does not expect to utilize.

In order for a State or Tribe to be awarded portions of these funds, or for funds to be released, ACF must have on file a request from the State or Tribe for additional funds, or the release of funds.
   a) Indicate the amount of funds that the State or Tribe will not utilize from its allotment to carry out the CFCIP activities.
   b) Indicate the amount of funds that the State or Tribe will not utilize from its allotment to carry out the ETV program activities.

CFS-101, PART II: Annual Estimated Expenditure Summary of Child and Family Services

Instructions

Important Note on Completing the CFS-101, Part II Form: Formatting changes have been made to the spreadsheet for the CFS 101, Part II beginning with reporting year October 1, 2016 through September 30, 2017. It is important for states, tribes, and territories to use the updated version of this form to ensure compliance with Federal requirements to make electronic information posted on websites accessible to people with disabilities. The revised form includes cells in columns (a) through (h) that have been prepopulated with a dash (-). To report data for the cells in these columns, replace the dash (-) with the appropriate numeric dollar amount. Columns (i) through (l) have been prepopulated with “NA” (meaning that the item is not applicable). To report data for the cells in these columns, replace the “NA” with the applicable information. If no information is being reported in a cell, the cell should not be changed in any way.

This form summarizes the State Agency’s and eligible Indian Tribal Organization’s (ITO) estimated expenditures on Child and Family Services programs, including the Child Abuse Treatment and Prevention Act (CAPTA) programs and the Chafee Foster Care Independence Program (CFCIP) including Education and Training Vouchers (ETV) for the next Federal fiscal year. This information is an integral part of the Child and Family Services Plan and should be discussed by the ACF Regional Office, State Agency Representatives, and Tribes. States and Tribes should list estimated expenditures and other information in the category that best fits their programs.

For each of the services/activities listed, indicate in the appropriate columns the estimated expenditures by program, the estimated number of clients to be served, the population to be served and the geographic area to be served.

Services/Activities:

1. **Protective Services:** Services designed to prevent or remedy the abuse, neglect, or exploitation of children. Services include investigation and emergency medical services, emergency shelter, legal action, developing case plans, counseling, assessment/evaluation of family circumstances, arranging alternative living arrangements, preparing for foster placement, if needed, and case management and referral to service providers.

2. **Crisis Intervention (Family Preservation):** Services for children and families designed to help families (including adoptive and extended families) at risk or in crisis. The types of services within this category include:

   - Pre-placement preventive services programs, such as intensive family preservation programs, designed to help children at risk of foster care placement remain with their families, where possible;
• Service programs designed to help children, where appropriate, return to families from which they have been removed; or be placed for adoption, with a legal guardian, or, if adoption or legal guardianship is determined not to be appropriate for a child, in some other planned, permanent living arrangement;

• Service programs designed to provide follow-up care to families to whom a child has been returned after a foster care placement;

• Respite care of children to provide temporary relief for parents and other caregivers (including foster parents);

• Services designed to improve parenting skills (by reinforcing parents’ confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition;

• Infant safe haven programs to provide a way for a parent to safely relinquish a newborn infant at a safe haven designated pursuant to a State law; and

• Case management services designed to stabilize families in crisis such as transportation, assistance with housing and utility payments, and access to adequate health care.

3. Prevention and Support Services (Family Support): Community-based services which promote the safety and well-being of children and families and are designed to increase the strength and stability of families (including adoptive, foster, and extended families); to increase parents' confidence and competence in their parenting abilities; to afford children a safe, stable, and supportive family environment; to strengthen parental relationships and promote healthy marriages; and to enhance child development, including through mentoring. These services may include respite care for parents and other caregivers; early developmental screening of children to assess the needs of these children and assistance in obtaining specific services to meet their needs; mentoring, tutoring, and health education for youth; a range of center-based activities (informal interactions in drop-in centers, parent support groups); services designed to increase parenting skills; and counseling and home visiting activities.

4. Time-Limited Family Reunification Services: Services and activities that are provided to a child who is removed from the child's home and placed in a foster family home or a child care institution, and to the parents or primary caregiver of such a child, in order to facilitate the reunification of the child safely and appropriately within a timely fashion, but only during the 15-month period that begins on the date that the child, pursuant to section 475(5)(F) of the Social Security Act (the Act), is considered to have entered foster care. The services and activities are the following:

• Individual, group, and family counseling.
• Inpatient, residential, or outpatient substance abuse treatment services.
• Mental health services.
• Assistance to address domestic violence.
• Services designed to provide temporary child care and therapeutic services for families, including crisis nurseries.
• Peer-to-peer mentoring and support groups for parents and primary caregivers;
• Services and activities designed to facilitate access to and visitation of children by parents and siblings; and
• Transportation to or from any of the services and activities described above.

5. **Adoption Promotion and Support Services:** Services and activities designed to encourage more adoptions out of the foster care system, when adoptions promote the best interests of children, including such activities as pre- and post-adoptive services and activities designed to expedite the adoption process and support adoptive families.

6. **Other Service Related Activities:** Planning, service coordination, preparation or follow-up to service delivery such as the recording of progress notes or other activities, other than direct services or administration, supporting the delivery of services under the program etc.

7. **Foster Care Maintenance:** Expenditures for “room and board” for children/youth in foster care.

a) Foster Family and Relative Foster Care: Payments to cover food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, and reasonable travel to the child's home for visitation and reasonable travel for the child to remain in the school in which the child is enrolled at the placement in foster care as well as the cost of providing these services.

b) Group/Institutional Care: This includes the reasonable costs of administration and the operation of institutional/group home care that are required to provide food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, and reasonable travel to the child's home for visitation; the cost of reasonable travel for the child to remain in the same school he or she was attending prior to placement in foster care and the cost of the items themselves.

8. **Adoption Subsidy Payments:** Funds provided to adoptive parents on a recurring and non-recurring basis to assist in the support of special needs children.

9. **Guardianship Assistance Payments:** Funds provided to kinship legal guardians on a recurring and non-recurring basis to assist in the support of children formerly in foster care placed in their care.

10. **Independent Living Services:** Services designed to help youth expected to remain in foster care until the age of 18, youth who after age 16 leave foster care for kinship guardianship or adoption and former foster care recipients between 18 and 21 years of age, make the transition to self-sufficiency. Services may include: education, career exploration, vocational training, job
placement and retention, training in daily living skills, training in budgeting and financial management skills, substance abuse prevention, and preventive health activities.

States and Tribes are allowed to expend up to 30 percent of their allotments under the Chafee Foster Care Independence Program for room and board (including rental deposits, utilities and other expenses that may be included with rent) for children who have left foster care because they have attained 18 years of age, and who have not yet attained 21 years of age.

17. **Caseworker Retention, Recruitment & Training:** Includes costs related to supporting monthly caseworker visits with children who are in foster care under the responsibility of the State, with a primary emphasis on activities designed to improve caseworker retention, recruitment and ability to access the benefits of technology.

Note: Column (g) [Title IV-E] amounts generally are reportable only for the services and activities described in rows (7) through (17). As applicable and appropriate, States and Tribes operating title IV-E waiver demonstrations should also indicate in column (g) the extent to which any title IV-E funding will be expended on child welfare services and activities described in rows (1) through (6). Unless approved to operate a title IV-E waiver demonstration, states and tribes may not normally spend title IV-E funds for these purposes.

2017 APSR
CFS-101, Part III: Expenditures for Title IV-B, Subparts 1 and 2, Chafee Foster Care Independence (CFCIP) and Education and Training Voucher (ETV) Programs

**Important Note on Completing the CFS-101, Part III:** Formatting changes have been made to the spreadsheet for the CFS 101, Part III beginning with reporting year October 1, 2013 through September 30, 2014. It is important for states, tribes, and territories to use the updated version of this form to ensure compliance with Federal requirements to make electronic information posted on websites accessible to people with disabilities. The revised form includes cells in the *Estimated Expenditures* and *Actual Expenditures* columns that have been prepopulated with a dash (-). To report data for items in these columns, replace the dash (-) with the appropriate numeric dollar amount. The columns requesting *Number of Individuals*, *Number of Families*, *Population Served*, and *Geographic Area* have been prepopulated with “NA” (meaning that the item is not applicable). To report data in these cells, replace the “NA” with the applicable information. If no information is being reported in a cell, the cell should not be changed in any way.

Note: Federal funds for the most of the programs identified above are awarded to States or Tribes on a yearly basis, but may be spent over a two-year period ending on September 30 of the year following the year in which they were awarded. For example, the FY 2014 grant allocation has an expenditure period from October 1, 2013 to September 30, 2014. Therefore, any fiscal year 2014 funds must be obligated during that two-year period of time and subsequently reported on this form.

Most figures in the "estimate" column can be found in a State's/Tribe's previously approved CFS 101, Part I for the fiscal year being reported on.
