(b) DETERMINATION OF STATE ALLOTMENT PERCENTAGES.—The "allotment percentage" for any State shall be 100 percent less the State percentage; and the State percentage shall be the percentage which bears the same ratio to 50 percent as the per capita income of such

(B) If the Secretary determines that a State has failed to comply with subparagraph (A) for a fiscal year, then the percentage that would otherwise apply for purposes of subsection (a) for the fiscal year shall be reduced by—

(i) 1, if the number of full percentage points by which the State fell short of the percentage specified in subparagraph (A) is less than 10;

(ii) 3, if the number of full percentage points by which the State fell short, as described in clause (i), is not less than 10 and less than 20; or

(2)(A) Each State shall take such steps as are necessary to ensure that not less than 50 percent of the total number of visits made by caseworkers to children in foster care under the responsibility of the State during a fiscal year occur in the residence of the child involved.

(B) If the Secretary determines that a State has failed to comply with subparagraph (A) for a fiscal year, then the percentage that would otherwise apply for purposes of subsection (a) for the fiscal year shall be reduced by—

GRANTS FOR PROGRAMS FOR MENTORING CHILDREN OF PRISONERS

SEC. 439. [42 U.S.C. 629i] (a) FINDINGS AND PURPOSES.—

(1) FINDINGS.—

(A) In the period between 1991 and 1999, the number of children with a parent incarcerated in a Federal or State correctional facility increased by more than 100 percent, from approximately 900,000 to approximately 2,000,000. In 1999, 2.1 percent of all children in the United States had a parent in Federal or State prison.

(B) Prior to incarceration, 64 percent of female prisoners and 44 percent of male prisoners in State facilities lived with their children.

(C) Nearly 90 percent of the children of incarcerated fathers live with their mothers, and 79 percent of the children of incarcerated mothers live with a grandparent or other relative.

(D) Parental arrest and confinement lead stress, trauma, stigmatization, and separation problems for children. These problems are coupled with existing problems that include poverty, violence, parental substance abuse, high-crime environments, intrafamilial abuse, child abuse and neglect, multiple care givers, and/or prior separations. As a result, these children often exhibit a broad variety of behavioral, emotional, health, and educational problems that are often compounded by the pain of separation.

(E) Empirical research demonstrates that mentoring is a potent force for improving children's behavior across all risk behaviors affecting health. Quality, one-on-one relationships that provide young people with caring role models for future success have profound, life-changing potential. Done right, mentoring

⁶ Section 133 of P.L. 111-242 *Continuing Appropriations Act, 2011* (H.R. 3081) extended the Court Improvement Program (CIP) training grant and CIP data collection/sharing grant for 1 year in order to have all 3 CIP grants on the same authorization cycle, which was FY 2011. The CIP set aside in PSSF had to change in order to keep the \$10m funding level for all 3 grants. Thus, the CR authorized \$365m for PSSF for FY 2011, an increase from the \$345m authorized for FY 2010, and the CR increases the CIP set aside in PSSF from \$10m to \$30m (\$10m for each grant).

markedly advances youths' life prospects. A widely cited 1995 study by Public/Private Ventures measured the impact of one Big Brothers Big Sisters program and found significant effects in the lives of youth cutting first-time drug use by almost half and first-time alcohol use by about a third, reducing school absenteeism by half, cutting assaultive behavior by a third, improving parental and peer relationships, giving youth greater confidence in their school work, and improving academic performance.

(15) provides that—

(A) in determining reasonable efforts to be made with respect to a child, as described in this paragraph, and in making such reasonable efforts, the child's health and safety shall be the paramount concern;

(B) except as provided in subparagraph (D), reasonable efforts shall be made to preserve and reunify families—

(i) prior to the placement of a child in foster care, to prevent or eliminate the need for removing the child from the child's home; and

(ii) to make it possible for a child to safely return to the child's home;

(C) if continuation of reasonable efforts of the type described in subparagraph (B) is determined to be inconsistent with the permanency plan for the child, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan (including, if appropriate, through an interstate placement) and to complete whatever steps are necessary to finalize the permanent placement of the child;

(D) reasonable efforts of the type described in subparagraph (B) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction has determined that—

(III) aided or abetted, attempted, conspired, or solicited to commit such a murder or such a voluntary manslaughter; or

(IV) committed a felony assault that results in serious bodily injury to the child or another child of the parent; or

(iii) the parental rights of the parent to a sibling have been terminated involuntarily;

(E) if reasonable efforts of the type described in subparagraph (B) are not made with respect to a child as a result of a determination made by a court of competent jurisdiction in accordance with subparagraph (D)—

(i) a permanency hearing (as described in section 475(5)(C)), which considers in-State and out-of-State permanent placement options for the child, shall be held for the child within 30 days after the determination; and

(ii) reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child; and

(F) reasonable efforts to place a child for adoption or with a legal guardian, including identifying appropriate in-State and out-of-State placements may be made concurrently with reasonable efforts of the type described in subparagraph (B);

(16)⁹ provides for the development of a case plan (as defined in section 475(1) and in accordance with the requirements of section 475A) for each child receiving foster care maintenance payments under the State plan and provides for a case review system which meets the requirements described in sections 475(5) and 475A with respect to each such child;

(ii) in any case involving a child on whose behalf such payments are to be made in which a record check reveals a felony conviction for physical assault, battery, or a drug-related offense, if a State finds that a court of competent jurisdiction has determined that the felony was committed within the past 5 years, such final approval shall not be granted; and

(B) provides that the State shall—

(i) check any child abuse and neglect registry maintained by the State for information on any prospective foster or adoptive parent and on any other adult living in the home of such a prospective parent, and request any other State in which any such prospective parent or other adult has resided in the preceding 5 years, to enable the State to check any child abuse and neglect registry maintained by such other State for such information, before the prospective foster or adoptive parent may be finally approved for placement of a child, regardless of whether foster care maintenance payments or adoption assistance payments are to be made on behalf of the child under the State plan under this part;

(A) such coverage may be provided through 1 or more State medical assistance programs;

(B) the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under title XIX;

(C) in the event that the State provides such coverage through a State medical assistance program other than the program under title XIX, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1902(a)(10)(A)(i)(I); and

(ii)(I) would have received the aid in the home, in or for the month referred to in clause (i), if application had been made therefor; or

(II) had been living in the home within 6 months before the month in which the agreement was entered into or the proceedings were initiated, and would have received the aid in or for such month, if, in such month, the child had been living in the home with the relative referred to in paragraph (1) and application for the aid had been made.

(B) RESOURCES DETERMINATION.—For purposes of subparagraph (A), in determining whether a child would have received aid under a State plan approved under section 402 (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 402(a)(7)(B), as so in effect) have a combined value of not more than \$10,000 shall be considered a child whose resources have a combined value of not more than \$1,000 (or such lower amount as the State may determine for purposes of section 402(a)(7)(B)).

(4) ELIGIBILITY OF CERTAIN ALIEN CHILDREN.—Subject to title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, if the child is an alien disqualified under section 245A(h) or 210(f) of the Immigration and Nationality Act from receiving aid under the State plan approved under section 402 in or for the month in which the agreement described in paragraph (2)(A)(i) was entered into or court proceedings leading to the determination described in paragraph (2)(A)(ii) were initiated, the child shall be considered to satisfy the requirements of paragraph (3), with respect to the month, if the child would have satisfied the requirements but for the disqualification.

(b) Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is—

(1) in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or private child-placement or child-care agency, or

(2) in a child-care institution, whether the payments therefor are made to such institution or to a public or private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term “foster care maintenance payments” (as defined in section 475(4)).

(c) For the purposes of this part, (1) the term “foster family home” means a foster family home for children which is licensed by the State in which it is situated or has been approved, by the agency of such State having responsibility for licensing homes of this type, as meeting the standards established for such licensing; and (2) the term “child-care institution” means a private child-care institution, or a public child-care institution which accommodates no more than twenty-five children, which is licensed by the State in which it is situated or has been approved, by the agency of such State responsible for licensing or approval of institutions of this type, as meeting the standards established for such licensing, except, in the case of a child who has attained 18 years of age, the term shall include a supervised setting in which the individual is living independently, in accordance with such conditions as the Secretary shall establish in regulations, but the term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Notwithstanding any other provision of this title, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 422(b)(8).

(e) No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) For the purposes of this part and part B of this title, (1) the term “voluntary placement” means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term “voluntary placement agreement” means a written agreement, binding on the parties to the agreement, between the State agency,

any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative, the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h)(1) For purposes of title XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 406 (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this title (as so in effect). For purposes of subtitle I of title XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this title and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 475(4)(B), shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) ADMINISTRATIVE COSTS ASSOCIATED WITH OTHERWISE ELIGIBLE CHILDREN NOT IN LICENSED FOSTER CARE SETTINGS.—Expenditures by a State that would be considered administrative expenditures for purposes of section 474(a)(3) if made with respect to a child who was residing in a foster family home or childcare institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of this section from the home of a relative specified in section 406(a) (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section 471(a)(15) to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child –

(I)(aa)(AA) was removed from the home of a relative specified in section 406(a) (as in effect on July 16, 1996) and placed in foster care in accordance with a voluntary placement agreement with respect to which Federal payments are provided under section 474 (or section 403, as such section was in effect on July 16, 1996), or in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; and

(BB) met the requirements of section 472(a)(3) with respect to the home referred to in subitem (AA) of this item;

(bb) meets all of the requirements of title XVI with respect to eligibility for supplemental security income benefits; or

(II) has been determined by the State, pursuant to subsection (c)(1) of this section, to be a child with special needs; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child –

(BB) a voluntary placement agreement or voluntary relinquishment; and

(II) has been determined by the State, pursuant to subsection (c)(2), to be a child with special needs.

(B) Section 472(a)(4) shall apply for purposes of subparagraph (A) of this paragraph, in any case in which the child is an alien described in such section.

(C) A child shall be treated as meeting the requirements of this paragraph for the purpose of paragraph (1)(B)(ii) if

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child –

(I) meets the requirements of subparagraph (A)(i)(II);

(II) was determined eligible for adoption assistance payments under this part with respect to a prior adoption;

(III) is available for adoption because—

(aa) the prior adoption has been dissolved, and the parental rights of the adoptive parents have been terminated; or

(bb) the child's adoptive parents have died; and

(IV) fails to meet the requirements of subparagraph (A)(i) but would meet such requirements if—

(aa) the child were treated as if the child were in the same financial and other circumstances the child was in the

last time the child was determined eligible for adoption assistance payments under this part; and

(bb) the prior adoption were treated as never having occurred; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child meets the requirements of subparagraph (A)(ii)(II), is determined eligible for adoption assistance payments under this part with respect to a prior adoption (or who would have been determined eligible for such payments had the Adoption and Safe Families Act of 1997 been in effect at the time that such determination would have been made), and is available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died.

(D) In determining the eligibility for adoption assistance payments of a child in a legal guardianship arrangement described in section 471(a)(28), the placement of the child with the relative guardian involved and any kinship guardianship assistance payments made on behalf of the child shall be considered never to have been made.

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4)(A) Notwithstanding any other provision of this section, a payment may not be made pursuant to this section to parents or relative guardians with respect to a child—

(i) who has attained —

(I) 18 years of age, or such greater age as the State may elect under section 475(8)(B)(iii); or

(II) 21 years of age, if the State determines that the child has a mental or physical handicap which warrants the continuation of assistance;

(ii) who has not attained 18 years of age, if the State determines that the parents or relative guardians, as the case may be, are no longer legally responsible for the support of the child; or

(iii) if the State determines that the child is no longer receiving any support from the parents or relative guardians, as the case may be.

(B) Parents or relative guardians who have been receiving adoption assistance payments or kinship guardianship assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make

them ineligible for the payments, or eligible for the payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c), to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term "nonrecurring adoption expenses" means reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State's payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 474(a)(3)(E).

(7)(A) Notwithstanding any other provision of this subsection, no payment may be made to parents with respect to any applicable child for a fiscal year that--

- (i) would be considered a child with special needs under subsection (c)(2);
- (ii) is not a citizen or resident of the United States; and
- (iii) was adopted outside of the United States or was brought into the United States for the purpose of being adopted.

(B) Subparagraph (A) shall not be construed as prohibiting payments under this part for an applicable child described in subparagraph (A) that is placed in foster care subsequent to the failure, as determined by the State, of the initial adoption of the child by the parents described in subparagraph (A).

(8)(A)¹⁶ A State shall calculate the savings (if any) resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, using a methodology specified by the Secretary or an alternate methodology proposed by the State and approved by the Secretary.

(B) A State shall annually report to the Secretary—

- (i) the methodology used to make the calculation described in subparagraph (A), without regard to whether any savings are found;
- (ii) the amount of any savings referred to in subparagraph (A); and
- (iii) how such savings are spent, accounting for and reporting the spending separately from any other spending reported to the Secretary under part B or this part.

(C) The Secretary shall make all information reported pursuant to subparagraph (B) available on the website of the Department of Health and Human Services in a location easily accessible to the public.

(D)(i) A State shall spend an amount equal to the amount of the savings (if any) in State expenditures under this part resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, to provide to children of families any service that may be provided under part B or this part. A

¹⁶ Sec. 206 of P.L. 113-183 revised sec. 471(a)(8). Effective 10/1/14.

State shall spend not less than 30 percent of any such savings on post-adoption services, post-guardianship services, and services to support and sustain positive permanency outcomes for children who otherwise might enter into foster care under the responsibility of the State, with at least 2/3 of the spending by the State to comply with such 30 percent requirement being spent on post-adoption and post-guardianship services.

(ii) Any State spending required under clause (i) shall be used to supplement, not supplant, any Federal or non-Federal funds used to provide any service under part B or this part.

(b)(1) For purposes of title XIX, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 406 (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this title (as so in effect) in the State where such child resides.

(2) For purposes of subtitle I of title XX, any child who is described in paragraph (3) is deemed to be a minor child in a needy family under a State program funded under part A of this title and deemed to be a recipient of assistance under such part.

(3) A child described in this paragraph is any child-

(A)(i) who is a child described in subsection (a)(2), and

(ii) with respect to whom an adoption assistance agreement is in effect under this section (whether or not adoption assistance payments are provided under the agreement or are being made under this section), including any such child who has been placed for adoption in accordance with applicable State and local law (whether or not an interlocutory or other judicial decree of adoption has been issued),

(B) with respect to whom foster care maintenance payments are being made under section 472 or

(C) with respect to whom kinship guardianship assistance payments are being made pursuant to subsection (d).

(4) For purposes of paragraphs (1) and (2), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 475(4)(B), shall be considered a child with respect to whom foster care maintenance payments are being made under section 472.

(c) FOR PURPOSES OF THIS SECTION—

(1) in the case of a child who is not an applicable child for a fiscal year, the child shall not be considered a child with special needs unless

(A) the State has determined that the child cannot or should not be returned to the home of his parents; and

(B) the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under title XIX, and (B) that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties

with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under title XIX; or

(2) in the case of a child who is an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(A) the State has determined, pursuant to a criterion or criteria established by the State, that the child cannot or should not be returned to the home of his parents;

(B)(i) the State has determined that there exists with respect to the child a specific factor or condition (such as ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that the child cannot be placed with adoptive parents without providing adoption assistance under this section and medical assistance under title XIX; or

(ii) the child meets all medical or disability requirements of title XVI with respect to eligibility for supplemental security income benefits; and

(C) the State has determined that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of the parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under title XIX.

Amounts expended by a State in accordance with the preceding sentence shall be disregarded in determining State expenditures for purposes of Federal matching payments under sections 424, 434, and 474, and shall use the amount to supplement, and not supplant, any Federal or non-Federal funds used to provide any service under part B or E.

(II) on the basis of findings of an audit or financial management review.

(c) Automated Data Collection Expenditures.—The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems described in subsection (a)(3)(C), without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

(2) the amount, if any, allotted to the State under section 477(c)(3) for the fiscal year in which the quarter occurs, reduced by the total of the amounts payable to the State under this subsection for such purposes for all prior quarters in the fiscal year.

(2) If the Secretary finds that the State has failed to submit the data, as so required, by the end of the 6-month period referred to in paragraph (1) of this subsection, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1123A(b)(3), the Secretary shall reduce the amounts otherwise payable to the State under this part, for each quarter ending in the 6-month period (and each quarter ending in each subsequent consecutively occurring 6-month period until the Secretary finds that the State has submitted the data, as so required), by—

(A) 1/6 of 1 percent of the total amount expended by the State for administration of foster care activities under the State plan approved under this part in the quarter so ending, in the case of the 1st 6-month period during which the failure continues; or

(B) 1/4 of 1 percent of the total amount so expended, in the case of the 2nd or any subsequent such 6-month period.

DEFINITIONS

SEC. 475. [42 U.S.C. 675] As used in this part or part B of this title:

(1)¹⁹ The term "case plan" means a written document which meets the requirements of section 475A and includes at least the following:

(A) A description of the type of home or institution in which a child is to be placed, including a discussion of the safety and appropriateness of the placement and how the agency which is responsible for the child plans to carry out the voluntary placement agreement entered into or judicial determination made with respect to the child in accordance with section 472(a)(1).

(B) A plan for assuring that the child receives safe and proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions in the parents' home, facilitate return of the child to his own safe home or the permanent placement of the child, and address the needs of the child while in foster care, including a discussion of the appropriateness of the services that have been provided to the child under the plan. With respect to a child who has attained 14 years of age, the plan developed for the child in accordance with this paragraph, and any revision or addition to the plan, shall be developed in consultation with the child and, at the option of the child, with up to 2 members of the case planning team who are chosen by the child and who are not a foster parent of, or caseworker for, the child. A State may reject an individual selected by a child to be a member of the case planning team at any time if the State has good cause to believe that the individual would not act in the best interests of the child. One individual selected by a child to be a member of the child's case planning team may be designated to be the child's advisor and as necessary, advocate, with respect to the application of the reasonable and prudent parent standard to the child.

(C) The health and education records of the child, including the most recent information available regarding—

- (i) the names and addresses of the child's health and educational providers;

¹⁹ Secs. 112 and 113 of P.L. 113-183 revised sec. 475(1), (1)(B) and (D). Effective 1 year after enactment, 9/29/15 unless a delayed effective date is approved. A limited period of delay is permitted when the Secretary of the U.S. Department of Health and Human Services determines that legislation (other than legislation appropriating funds) is required for a title IV-E agency to comply with the plan requirements under title IV-E of the Act imposed by the amendment. The "delayed effective date" is defined as the 1st day of the 1st calendar quarter after the 1st regular session of the state legislature or tribal governing body after enactment. If the state/Tribe has a 2-year legislative session, each year of the session is deemed to be a separate regular session of the legislature. This means, for example, that ACF may approve a delayed effective date of 10/1/2015 (for this provision) when the 1st regular legislative session that is held after September 29, 2014 closes between July 1, 2015 and September 30, 2015.

(D) For a child who has attained 14 years of age or over, a written description of the programs and services which will help such child prepare for the transition from foster care to a successful adulthood.

(E) In the case of a child with respect to whom the permanency plan is adoption or placement in another permanent home, documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child, to place the child with an adoptive family, a fit and willing relative, a legal guardian, or in another planned permanent living arrangement, and to finalize the adoption or legal guardianship. At a minimum, such documentation shall include child specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems to facilitate orderly and timely in-State and interstate placements.

(F) In the case of a child with respect to whom the permanency plan is placement with a relative and receipt of kinship guardianship assistance payments under section 473(d), a description of—

(i) the steps that the agency has taken to determine that it is not appropriate for the child to be returned home or adopted;

(ii) the reasons for any separation of siblings during placement;

(iii) the reasons why a permanent placement with a fit and willing relative through a kinship guardianship assistance arrangement is in the child's best interests;

(iv) the ways in which the child meets the eligibility requirements for a kinship guardianship assistance payment;

(v) the efforts the agency has made to discuss adoption by the child's relative foster parent as a more permanent alternative to legal guardianship and, in the case of a relative foster parent who has chosen not to pursue adoption, documentation of the reasons therefore; and

(vi) the efforts made by the State agency to discuss with the child's parent or parents the kinship guardianship assistance arrangement, or the reasons why the efforts were not made.

(G) A plan for ensuring the educational stability of the child while in foster care, including--

(i) assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement; and

(ii)(I) an assurance that the State agency has coordinated with appropriate local educational agencies (as defined under section 9101 of the Elementary and Secondary Education Act of 1965) to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or

(II) if remaining in such school is not in the best interests of the child, assurances by the State agency and the local educational agencies to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

(2) The term "parents" means biological or adoptive parents or legal guardians, as determined by applicable State law.

(3) The term "adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the State agency, other relevant agencies, and the prospective adoptive parents of a minor child which at a minimum (A) specifies the nature and amount of any payments, services, and assistance to be provided under such agreement, and (B) stipulates that the agreement shall remain in effect regardless of the State of which the adoptive parents are residents at any given time. The agreement shall contain provisions for the protection (under an interstate compact approved by the Secretary or otherwise) of the interests of the child in cases where the adoptive parents and child move to another State while the agreement is effective.

(4)(A) The term "foster care maintenance payments" means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, reasonable travel to the child's home for visitation and reasonable travel for the child to remain in the school in which the child is enrolled at the time of placement. In the case of institutional care, such term shall include the reasonable costs of administration and operation of such institution as are necessarily required to provide the items described in the preceding sentence.

(B) In cases where—

(i) a child placed in a foster family home or child care institution is the parent of a son or daughter who is in the same home or institution, and

(ii) payments described in subparagraph (A) are being made under this part with respect to such child, the foster care maintenance payments made with respect to such child as otherwise determined under subparagraph (A) shall also include such amounts as may be necessary to cover the cost of the items described in that subparagraph with respect to such son or daughter.

(5) The term "case review system" means a procedure for assuring that—

(A) each child has a case plan designed to achieve placement in a safe setting that is the least restrictive (most family like) and most appropriate setting available and in close proximity to the parents' home, consistent with the best interest and special needs of the child, which-

(i) if the child has been placed in a foster family home or child care institution a substantial distance from the home of the parents of the child, or in a State different from the State in which such home is located, sets forth the reasons why such placement is in the best interests of the child, and

(ii) if the child has been placed in foster care outside the State in which the home of the parents of the child is located, requires that, periodically, but not less frequently than every 6 months, a caseworker on the staff of the State agency of the State in which the home of the parents of the child is located, of the State in which the child has been placed, or of a private agency under contract with either such State, visit such child in such home or institution and submit a report on such visit to the State

agency of the State in which the home of the parents of the child is located,

(B) the status of each child is reviewed periodically but no less frequently than once every six months by either a court or by administrative review (as defined in paragraph (6)) in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care, and to project a likely date by which the child may be returned to and safely maintained in the home or placed for adoption or legal guardianship, and, for a child for whom another planned permanent living arrangement has been determined as the permanency plan, the steps the State agency is taking to ensure the child's foster family home or child care institution is following the reasonable and prudent parent standard and to ascertain whether the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities (including by consulting with the child in an age-appropriate manner about the opportunities of the child to participate in the activities)²⁰;

(C) with respect to each such child,

(b) APPLICATIONS.—

(1) IN GENERAL.—A State may apply for funds from its allotment under subsection (c) for a period of five consecutive fiscal years by submitting to the Secretary, in writing, a plan that meets the requirements of paragraph (2) and the certifications required by paragraph (3) with respect to the plan.

³⁴ Sec. 111 of P.L. added sec. 477(a)(8). Effective 1 year after enactment, 9/29/15 unless a delayed effective date is approved. A limited period of delay is permitted when the Secretary of the U.S. Department of Health and Human Services determines that legislation (other than legislation appropriating funds) is required for a title IV-E agency to comply with the plan requirements under title IV-E of the Act imposed by the amendment. The “delayed effective date” is defined as the 1st day of the 1st calendar quarter after the 1st regular session of the state legislature or tribal governing body after enactment. If the state/Tribe has a 2-year legislative session, each year of the session is deemed to be a separate regular session of the legislature. This means, for example, that ACF may approve a delayed effective date of 10/1/2015 (for this provision) when the 1st regular legislative session that is held after September 29, 2014 closes between July 1, 2015 and September 30, 2015.

(2) STATE PLAN.—A plan meets the requirements of this paragraph if the plan specifies which State agency or agencies will administer, supervise, or oversee the programs carried out under the plan, and describes how the State intends to do the following:

(C) Ensure that the programs serve children of various ages and at various stages of achieving independence.

(D) Involve the public and private sectors in helping adolescents in foster care achieve independence.

(E) Use objective criteria for determining eligibility for benefits and services under the programs, and for ensuring fair and equitable treatment of benefit recipients.

(3) CERTIFICATIONS.—The certifications required by this paragraph with respect to a plan are the following:

(B) A certification by the chief executive officer of the State that not more than 30 percent of the amounts paid to the State from its allotment under subsection (c) for a fiscal year will be expended for room or board for children who have left foster care because they have attained 18 years of age, and who have not attained 21 years of age.

disabled youth (especially sheltered workshops), and school-to-work programs offered by high schools or local workforce agencies.

(G) A certification by the chief executive officer of the State that each Indian tribe in the State has been consulted about the programs to be carried out under the plan; that there have been efforts to coordinate the programs with such tribes; that benefits and services under the programs will be made available to Indian children in the State on the same basis as to other children in the State; and that the State will negotiate in good faith with any Indian tribe, tribal organization, or tribal consortium in the State that does not receive an allotment under subsection (j)(4) for a fiscal year and that requests to develop an agreement with the State to administer, supervise, or oversee the programs to be carried out under the plan with respect to the Indian children who are eligible for such programs and who are under the authority of the tribe, organization, or consortium and to receive from the State an appropriate portion of the State allotment under subsection (c) for the cost of such administration, supervision, or oversight.

(H) A certification by the chief executive officer of the State that the State will ensure that adolescents participating in the program under this section participate directly in designing their own program activities that prepare them for independent living and that the adolescents accept personal responsibility for living up to their part of the program.

(4) APPROVAL.—The Secretary shall approve an application submitted by a State pursuant to paragraph (1) for a period if—

(A) the application is submitted on or before June 30 of the calendar year in which such period begins; and

(B) the Secretary finds that the application contains the material required by paragraph (1).

(5) AUTHORITY TO IMPLEMENT CERTAIN AMENDMENTS;

NOTIFICATION.—A State with an application approved under paragraph (4) may implement any amendment to the plan contained in the application if the application, incorporating the amendment, would be approvable under paragraph (4). Within 30 days after a State implements any such amendment, the State shall notify the Secretary of the amendment.

(3) VOUCHER PROGRAM ALLOTMENT.—From the amount, if any, appropriated pursuant to subsection (h)(2) for a fiscal year, the Secretary may allot to each State with an application approved under subsection (b) for the fiscal year an amount equal to the State foster care ratio multiplied by the amount so specified.

(4) STATE FOSTER CARE RATIO.—In this subsection, the term “State foster care ratio” means the ratio of the number of children in foster care under a program of the State in the most recent fiscal year for which the information is available to the total number of children in foster care in all States for the most recent fiscal year.

(d) IN GENERAL.—

(1) IN GENERAL.—A State to which an amount is paid from its allotment under subsection (c) may use the amount in any manner that is reasonably calculated to accomplish the purposes of this section.

(2) NO SUPPLANTATION OF OTHER FUNDS AVAILABLE FOR SAME GENERAL PURPOSES.—The amounts paid to a State from its allotment under

subsection (c) shall be used to supplement and not supplant any other funds which are available for the same general purposes in the State.

(3) TWO-YEAR AVAILABILITY OF FUNDS.—Payments made to a State under this section for a fiscal year shall be expended by the State in the fiscal year or in the succeeding fiscal year.

(4) REALLOCATION OF UNUSED FUNDS.—If a State does not apply for funds under this section for a fiscal year within such time as may be provided by the Secretary, the funds to which the State would be entitled for the fiscal year shall be reallocated to 1 or more other States on the basis of their relative need for additional payments under this section, as determined by the Secretary.

The evaluation of any such program shall include information on the effects of the program on education, employment, and personal development. The Secretary is encouraged to work directly with State and local governments to design methods for conducting the evaluations, directly or by grant, contract, or cooperative agreement.

(2) FUNDING OF EVALUATIONS.—The Secretary shall reserve 1.5 percent of the amount specified in subsection (h) for a fiscal year to carry out, during the fiscal year, evaluation, technical assistance, performance measurement, and data collection activities related to this section, directly or through grants, contracts, or cooperative agreements with appropriate entities.

EFFECT OF FAILURE TO CARRY OUT STATE PLAN⁴⁰

SEC. 1123. [42 U.S.C. 1320a–2] In an action brought to enforce a provision of the Social Security Act, such provision is not to be deemed unenforceable because of its inclusion in a section of the Act requiring a State plan or specifying the required contents of a State plan. This section is not intended to limit or expand the grounds for determining the availability of private actions to enforce State plan requirements other than by overturning any such grounds applied in *Suter v. Artist M.*, 112 S. Ct. 1360 (1992), but not applied in prior Supreme Court decisions respecting such enforceability: *Provided*, however, That this section is not intended to alter the holding in *Suter v. Artist M.* that section 471(a)(15) of the Act is not enforceable in a private right of action.

⁴⁰ This section was mistakenly codified in two sections of the Social Security Act and the U.S. Code. The section is repeated at Section 1130A of the Act [42 U.S.C. 1320a-10].

 - (B) such funds will not be withheld for a failure to so conform resulting from the State's reliance upon and correct use of formal written statements of Federal law or policy provided to the State by the Secretary; and
