**CONTENT:** This transmittal establishes the procedure for States to follow in order to apply for:

1. Title IV-B funds available to a State or ITO from its full share of FY 1994 funds;
2. Title IV-B FY 1994 funds that may become available for reallotment for States only.

The procedures that a State or ITO must follow in order to receive title IV-B funds for FY 1994 are the same as those that were in effect in FY 1993.

**ACTION REQUIRED:** Date and place to send requests To be eligible to receive any funds under title IV-B (funds allotted or reallotted under title IV-B) during FY 1994, States and ITO's must send requests to the Administration on Children, Youth and Families (ACYF) as detailed under items (1) and (2) below. Requests will **NOT BE CONSIDERED** if they are not received by ACYF on or before September 1 or postmarked registered or certified mail no later than August 26. 1. Funds available to a State from its share of FY 1994 funds

Under the appropriation for FY 1994, Congress has approved a total of \$294,624,000 for title IV-B (Child Welfare Services). The allotments for States and ITO's at the levels of \$141,000,000 and \$294,624,000 are listed in Attachment 2.

States are advised that, under section 428 of the Social Security Act (the Act) and 45 CFR 1357.40, direct grants are made to eligible Indian Tribal Organizations (ITOs) that apply. Awards to ITOs are made from the allotment of the State(s) in which the ITO or a portion of it is located.

To receive its share of \$141,000,000, a State or ITO must meet the general requirements of the title IV-B Program, including jointly planning its child welfare services with the ACF Regional staff and submitting a properly completed Form CWS-101, including both the Annual Summary of Child Welfare Services and the Annual Budget Request.

To receive the remainder of its full share of the additional funds up to \$294,624,000, a Grantee must, in addition to the requirements stated above:

- a. Certify that it is meeting the requirements of section 427 of the Act.

(Grantees that have certified previously that they are eligible need not recertify unless they have withdrawn their certification and have not recertified);

- b. Be meeting and continue to meet the requirements of section 427 of the Act;
- c. Submit to ACYF a revised Annual Budget Request incorporating the additional funds requested up to the Grantee's share of \$294,624,000 or whatever portion of its share over \$141,000,000 a Grantee can obligate during FY 1994;
- d. Jointly plan with ACF Regional staff the use of those funds applied for; and,
- e. Submit to ACYF an Annual Summary of Child Welfare Services incorporating the additional section 427 protections to be provided.

Title IV-B FY 1994 funds that will become available for reallocation to other States

Some States may not use all of the title IV-B funds allotted to them for FY 1994, either because they do not meet the requirements of Section 427 of the Act or because they cannot obligate all of the funds during FY 1994.

To be eligible to apply for reallocated FY 1994 title IV-B funds, a State must meet all of the conditions listed under (1)(a) through (e), above.

Failure of a State to apply for its share of funds up to \$141,000,000 or \$294,624,000 by the required date will be considered equivalent to certification that the funds will not be required by the State during FY 1994, in accordance with 45 CFR 1357.30

(g)(2). These funds will then be available for reallocation to other States.

The Reallocation Provision does not apply to ITO's.

**SUMMARY:** The State or ITO must have certified its eligibility for section 427 to be eligible to receive any of the funds in excess of their share of \$141,000,000, allotted under title IV-B. A CWS-101 must be filed for the directly allotted and reallocated funds as described in paragraphs (1) and (2). States or ITO's which have not yet requested the full amount of their allotments and wish to do so are strongly encouraged to send their revised CWS-101 requesting the increased amounts under their allotments as soon as possible. States may request a share of reallocated funds on the same CWS-101.

**To reiterate:** In order to apply for any of the funds discussed above, a State or ITO must send to ACYF, as detailed above, the necessary requests and reports. Requests will **NOT BE CONSIDERED** if they are not received by ACYF on or before September 1 or postmarked as United States postal service registered or certified mail no later than August 26. There will be no exceptions, since all requests must be taken into account in determining the amount of awards.

**EFFECTIVE DATE:** Effective upon issuance.
