PROGRAM INSTRUCTION

TO: State and Territorial Agencies Administering or Supervising the Administration of Title IV-B and Title IV-E of the Social Security Act, Indian Tribes and Indian Tribal Organizations

SUBJECT: NEW LEGISLATION -- Public Law 105-89, The Adoption and Safe Families Act of 1997

LEGAL AND RELATED REFERENCES The Adoption and Safe Families Act of 1997 (Public Law 105-89), Titles IV-B and IV-E, Section 403(b), Section 453, and Section 1130(a) of the Social Security Act

PURPOSE: The purpose of this Program Instruction (PI) is to inform States of new legislation amending titles IV-B and IV-E of the Social Security Act and provide guidance for implementing the new law. This PI also provides the effective dates for implementing Public Law 105-89 and early notification of the impact of the new law on State Automated Child Welfare Information Systems (SACWIS).

OVERVIEW: This Program Instruction transmits Public Law 105-89 and a compilation of titles IV-B and IV-E, as amended by the Adoption and Safe Families Act of 1997 (ASFA). It also provides guidance for States' early implementation of the law. The PI is divided into three parts: Part I contains principles to assist States in understanding the new provisions and integrating the law into ongoing reforms of the child welfare system; Part II stipulates the effective dates of the new legislation; and Part III discusses how the law may impact States' SACWIS and other information systems.

INFORMATION:

PART I. THE ADOPTION AND SAFE FAMILIES ACT OF 1997

On November 19, 1997, the President signed into law the Adoption and Safe Families Act of 1997. This legislation, passed by the Congress with overwhelming bipartisan support, represents an important landmark in Federal child welfare law. It establishes unequivocally that our national goals for children in the child welfare system are safety, permanency, and well-being. The passage of this new law gives us an unprecedented opportunity to build on the reforms of the child welfare system that have begun in recent years in order to make the system more responsive to the multiple, and often complex, needs of children and families. The law reaffirms the need to forge linkages between the child welfare system and other systems of support for families, as well as between the child welfare system and the courts, to ensure the safety and well-being of children and their families. The law also gives renewed impetus to dismantle the myriad barriers that may exist between children waiting in foster care and permanency. By implementing the new law in the context of an ongoing commitment to strengthening all aspects of the child welfare system, we will make a meaningful difference in the lives of children in foster care and in the lives of children who must come into contact with the child welfare system in the future.

ASFA embodies a number of key principles that must be considered in order to implement the law:

- **The safety of children is the paramount concern that must guide all child welfare services.** The new law requires that child safety be the paramount concern when making service provision, placement and permanency planning decisions. The law reaffirms the importance of making reasonable efforts to preserve and reunify families, but also now exemplifies when States are not required to make efforts to keep children with their parents, when doing so places a child's safety in jeopardy.
- **Foster care is a temporary setting and not a place for children to grow up.** To ensure that the system respects a child's developmental needs and sense of time, the law includes provisions that shorten the timeframe for making permanency planning decisions, and that establish a timeframe for initiating proceedings to terminate parental rights. The law also strongly promotes the timely adoption of children who cannot return safely to their own homes.
- **Permanency planning efforts for children should begin as soon as a child enters foster care and should be expedited by the provision of services to families.** The enactment of a legal framework requiring permanency decisions to be made more promptly heightens the importance of providing quality services as quickly as possible to enable families in crisis to address problems. It is only when timely and intensive services are provided to families, that agencies and courts can make informed decisions about parents' ability to protect and care for their children.
- **The child welfare system must focus on results and accountability.** The law makes it clear that it is no longer enough to ensure that procedural safeguards are met. It is critical that child welfare services lead to positive results. The law requires numerous tools for focusing attention on results, including an annual report on State performance; the creation of an adoption incentive payment for States designed to support the President's goal of doubling the annual number of children who are adopted or permanently placed

by the year 2002; and a requirement for the Department to study and make recommendations regarding additional performance-based financial incentives in child welfare.

- **Innovative approaches are needed to achieve the goals of safety, permanency and well-being.** The law recognizes that we do not yet have all of the solutions to achieve our goals. By expanding the authority for child welfare demonstration waivers, the law provides a mechanism to allow States greater flexibility to develop innovative strategies to achieve positive results for children and families.

There is much to be done in the coming months as we work together to implement this multi-faceted new law. This Program Instruction is the first of the communications that the Department will send to assist the States in meeting the requirements of ASFA. We will also be consulting with State representatives and other experts in the field to help guide our work in implementing the new law. Working together, we have the opportunity to dramatically improve the lives of children and families.

PART II. EFFECTIVE DATES FOR IMPLEMENTING PUBLIC LAW 105-89:

General Effective Date of Public Law 105-89

The effective date of Public Law 105-89 is November 19, 1997. States are expected to comply with the provisions of the law as of that date, with the exceptions noted below.

Exceptions to Effective Date: Determination of Required State Legislation

A limited period of delay is permitted when the Secretary determines that a State must enact legislation to comply with certain State plan requirements. Section 501(b) of Public Law 105-89 authorizes the Secretary to determine those State plan requirements that will necessitate State legislation.

Delayed Effective Date

A "delayed effective date" will apply only to those requirements that the Secretary has determined require State legislation. The "delayed effective date" is defined in Section 501(b) as the beginning of the calendar quarter following the close of the State's first regular legislative session.

Following is a list of new or amended State plan requirements contained in titles IV-B and IV-E, as amended by ASFA:

Title IV-B, Subparts 1 and 2:

- Including safety in case plan and case review requirements [section 422(b)(10)]
- Developing plans to facilitate adoptions across State and county jurisdictions [section 422(b)(12)]
- Requiring assurances that the safety of children shall be of the paramount concern [section 432(a)(9)]

Title IV-E:

- Clarification of the reasonable efforts requirement [section 471(a)(15)]
- Criminal record checks for prospective foster and adoptive parents [section 471(a)(20)]
- Health insurance coverage for children with special needs [section 471(a)(21)]
- State standards to ensure quality services for children in foster care [section 471(a)(22)]
- State requirement to initiate or join proceedings within a specified time to terminate parental rights for certain children in foster care [section 475(5)(E) and (F)]*

Transition Rule

The requirement in section 475(5)(E) and (F) of the Act to initiate proceedings to terminate parental rights (TPR) is phased in over time according to the transition rule in section 103(c) of ASFA. This transition rule is separate from the "delayed effective date" described above. Separate guidance on implementing this transition will be forthcoming to the Regional Offices and States.

Action Required

The Administration for Children and Families (ACF) Regional Offices, on behalf of the Secretary, and based on the State certification will determine where State legislation is necessary to comply with title IV-B and title IV-E State plan requirements. States that require legislation should submit the attached certification indicating those State plan requirements that will necessitate State legislation. The certification must include the estimated "delayed effective date" in accordance with Section 501(b) of ASFA. States that do not require any legislation must also submit the certification indicating that State legislation is not necessary and that a "delayed effective date" is not applicable. All certifications must be signed by the designated State agency official and submitted to the ACF Regional Office no later than February 13, 1998.

PART III. POTENTIAL IMPACT OF PUBLIC LAW 105-89 ON SACWIS:

The intent of this section is to advise States of potential implications of ASFA on their SACWIS **and not to imply that any action must to be taken by the States at this time.** The SACWIS functional requirements delineated in ACF's Action Transmittal ACF-OISM-001 (2/24/95) remain in effect.

We strongly encourage the State program and system staff to discuss the possible implications for the State's SACWIS as the State implements ASFA.

Listed below are sections of ASFA that may have possible implications for a State's SACWIS. This list may not identify every conceivable consequence of the new law on SACWIS:

1. Section 101: SACWIS may need to be modified to appropriately record and track the "reasonable efforts" requirements identified in subsection (A), the "aggravated" or other circumstances identified in subsection (D) and the timely completion of the permanency hearing identified in subsection (E). [title IV-E, sections 471(a)(15) and 475(5)(C)]

2. Section 103: SACWIS may need to be modified to track the "total" number of months a child has been in foster care to conform with section 475(5)(E) and determine the beginning of foster care, as defined in section 475(5)(F). Also, SACWIS may need to be modified to assist the State in implementing the transition rule outlined in section 103(c). States should note that the "beginning of foster care" as defined in section 475(5)(F) should not be confused with the AFCARS data element 21, "date of latest removal from the home," which remains the same as defined in 45 CFR 1355.40, Appendix A. [title IV-E, section 475(5)(E) and(F)]
3. Section 104: The notice generation function of a State's SACWIS may need to be expanded to ensure that the applicable parties "are provided with notice of, and an opportunity to be heard in, any review or hearing to be held with respect to the child." Considering that SACWIS is currently required to generate notices, we would not expect this to cause a significant change to the design of the system. [title IV-E, section 475(5)(G)]
4. Section 105: If the State child welfare agency elects to use the Federal Parent Locator Service (FPLS) for child welfare services, it may need to modify its current interface with the State's title IV-D Child Support Enforcement system. We would expect that the benefits of pursuing this option would include enhancing a State's capacity to identify other family caretakers with whom the child could be placed, and expediting termination of parental rights when reunification is not an option and a suitable relative placement is not available. [title IV-D, section 453(a)(2),(c)]
5. Section 106: If a State chooses to conduct criminal background checks on foster and adoptive parents, and the State uses its SACWIS to process foster care or adoptive home applications, SACWIS may be modified to record the results of the background check. [title IV-E, section 471(a)(20)]
6. Section 107: In the case of a child for whom the permanency plan is adoption or placement in another permanent home, SACWIS may need to be modified to appropriately record and track "the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child ... and to finalize the adoption or legal guardianship." [title IV-E, section 475(1)(E)]
7. Section 307: SACWIS may need to be modified to maintain the prior eligibility information on behalf of children with special needs whose initial adoption has been dissolved or whose adoptive parents have died. [title IV-E, section 473(a)(2)]

TITLE IV

PART B--CHILD AND FAMILY SERVICES

Subpart 1--Child Welfare Services

APPROPRIATION

SEC. 420. [42 U.S.C. 620] (a) For the purpose of enabling the United States, through the Secretary, to cooperate with State public welfare agencies in establishing, extending, and strengthening child welfare services, there is authorized to be appropriated for each fiscal year the sum of \$325,000,000.

(b) Funds appropriated for any fiscal year pursuant to the authorization contained in subsection (a) shall be included in the appropriation Act (or supplemental appropriation Act) for the fiscal year preceding the fiscal year for which such funds are available for obligation. In order to effect a transition to this method of timing appropriation action, the preceding sentence shall apply notwithstanding the fact that its initial application will result in the enactment in the same year (whether in the same appropriation Act or otherwise) of two separate appropriations, one for the then current fiscal year and one for the succeeding fiscal year.

ALLOTMENTS TO STATES

SEC. 421. [42 U.S.C. 621] (a) The sum appropriated pursuant to section 420 for each fiscal year shall be allotted by the Secretary for use by cooperating State public welfare agencies which have plans developed jointly by the State agency and the Secretary as follows: He shall first allot

\$70,000 to each State, and shall then allot to each State an amount which bears the same ratio to the remainder of such sum as the product of (1) the population of the State under the age of twenty-one and (2) the allotment percentage of the State (as determined under this section) bears to the sum of the corresponding products of all the States.

(b) The "allotment percentage" for any State shall be 100 per centum less the State percentage; and the State percentage shall be the percentage which bears the same ratio to 50 per centum as the per capita income of such State bears to the per capita income of the United States; except that (1) the allotment percentage shall in no case be less than 30 per centum or more than 70 per centum, and (2) the allotment percentage shall be 70 per centum in the case of Puerto Rico, the Virgin Islands, Guam, and American Samoa.

(c) The allotment percentage for each State shall be promulgated by the Secretary between October 1 and November 30 of each even-numbered year, on the basis of the average per capita income of each State and of the United States for the three most recent calendar years for which satisfactory data are available from the Department of Commerce. Such promulgation shall be conclusive for each of the two fiscal years in the period beginning October 1 next succeeding such promulgation.

(d) For purposes of this section, the term "United States" means the fifty States and the District of Columbia.

4. provide for the training and effective use of paid paraprofessional staff, with particular emphasis on the full-time or part-time employment of persons of low income, as community service aides, in the administration of the plan, and for the use of nonpaid or partially paid volunteers in providing services and in assisting any advisory committees established by the State agency;
5. contain a description of the services to be provided and specify the geographic areas where such services will be available;
6. contain a description of the steps which the State will take to provide child welfare services and to make progress in--

10. provide assurances that the State--
 - A. since June 17, 1980, has completed an inventory of all children who, before the inventory, had been in foster care under the responsibility of the State for 6 months or more, which determined--

PAYMENT TO STATES

SEC. 423. [42 U.S.C. 623] (a) From the sums appropriated therefor and the allotment under this subpart, subject to the conditions set forth in this section, the Secretary shall from time to time pay to each State that has a plan developed in accordance with section 422 an amount equal to 75 per centum of the total sum expended under the plan (including the cost of administration of the plan) in meeting the costs of State, district, county, or other local child welfare services.

(b) The method of computing and making payments under this section shall be as follows:

1. The Secretary shall, prior to the beginning of each period for which a payment is to be made, estimate the amount to be paid to the State for such period under the provisions of this section.
2. From the allotment available therefor, the Secretary shall pay the amount so estimated, reduced or increased, as the case may be, by any sum (not previously adjusted under this section) by which he finds that his estimate of the amount to be paid the State for any prior period under this section was greater or less than the amount which should have been paid to the State for such prior period under this section

(c)(1) No payment may be made to a State under this part, for any fiscal year beginning after September 30, 1979, with respect to State expenditures made for (A) child day care necessary solely because of the employment, or training to prepare for employment, of a parent or other relative with whom the child involved is living, (B) foster care maintenance payments, and (C) adoption assistance payments, to the extent that the Federal payment with respect to those expenditures would exceed the total amount of the Federal payment under this part for fiscal year 1979.

(2) Expenditures made by a State for any fiscal year which begins after September 30, 1979, for foster care maintenance payments shall be treated for purposes of making Federal payments under this part with respect to expenditures for child welfare services, as if such foster care maintenance payments constituted child welfare services of a type to which the limitation imposed by paragraph (1) does not apply; except that the amount payable to the State with respect to expenditures made for other child welfare services and for foster care maintenance payments during any such year shall not exceed 100 per centum of the amount of the expenditures made for child welfare services for which payment may be made under the limitation imposed by paragraph (1) as in effect without regard to this paragraph.

(d) No payment may be made to a State under this part in excess of the payment made under this part for fiscal year 1979, for any fiscal year beginning after September 30, 1979, if for the latter fiscal year the total of the State's expenditures for child welfare services under this part (excluding expenditures for activities specified in subsection (c)(1)) is less than the total of the

State's expenditures under this part (excluding expenditures for such activities) for fiscal year 1979.

REALLOTMENT

SEC. 424. [42 U.S.C. 624] (a) IN GENERAL.--Subject to subsection (b), the amount of any allotment to a State under section 421 for any fiscal year which the State certifies to the Secretary will not be required for carrying out the State plan developed as provided in section 422 shall be available for reallocation from time to time, on such dates as the Secretary may fix, to other States which the Secretary determines (1) have need in carrying out their State plans so developed for sums in excess of those previously allotted to them under section 421 and (2) will be able to use such excess amounts during such fiscal year. Such reallocations shall be made on the basis of the State plans so developed, after taking into consideration the population under the age of twenty-one, and the per capita income of each such State as compared with the population under the age of twenty-one, and the per capita income of all such States with respect to which such a determination by the Secretary has been made. Any amount so reallocated to a State shall be deemed part of its allotment under section 421.

(b) EXCEPTION RELATING TO FOSTER CHILD PROTECTIONS.--The Secretary shall not reallocate under subsection (a) of this section any amount that is withheld or recovered from a State due to the failure of the State to meet the requirements of section 422(b)(10).

DEFINITIONS

SEC. 425. [42 U.S.C. 625] (a)(1) For purposes of this title, the term "child welfare services" means public social services which are directed toward the accomplishment of the following purposes: (A) protecting and promoting the welfare of all children, including handicapped, homeless, dependent, or neglected children; (B) preventing or remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation, or delinquency of children; (C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing breakup of the family where the prevention of child removal is desirable and possible; (D) restoring to their families children who have been removed, by the provision of services to the child and the families; (E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate; and (F) assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption.

(2) Funds expended by a State for any calendar quarter to comply with section 422(b)(10) or 476(b), and funds expended with respect to nonrecurring costs of adoption proceedings in the case of children placed for adoption with respect to whom assistance is provided under a State plan for adoption assistance approved under part E of this title, shall be deemed to have been expended for child welfare services.

(b) For other definitions relating to this part and to part E of this title, see section 475 of this Act.

RESEARCH, TRAINING, OR DEMONSTRATION PROJECTS

SEC. 426. [42 U.S.C. 626] (a) There are hereby authorized to be appropriated for each fiscal year such sums as the Congress may determine--

1. for grants by the Secretary--
 - A. to public or other nonprofit institutions of higher learning, and to public or other nonprofit agencies and organizations engaged in research or child-welfare activities, for special research or demonstration projects in the field of child welfare which are of regional or national significance and for special projects for the demonstration of new methods or facilities which show promise of substantial contribution to the advancement of child welfare;
 - B. to State or local public agencies responsible for administering, or supervising the administration of, the plan under this part, for projects for the demonstration of the utilization of research (including findings resulting there- from) in the field of child welfare in order to encourage experimental and special types of welfare services; and
 - C. to public or other nonprofit institutions of higher learning for special projects for training personnel for work in the field of child welfare, including traineeships described in section 429 with such stipends and allowances as may be permitted by the Secretary; and
2. for contracts or jointly financed cooperative arrangements with States and public and other organizations and agencies for the conduct of research, special projects, or demonstration projects relating to such matters.

(b)(1) There are authorized to be appropriated \$4,000,000 for each of the fiscal years 1988, 1989, and 1990 for grants by the Secretary to public or private nonprofit entities submitting applications under this subsection for the purpose of conducting demonstration projects under this subsection to develop alternative care arrangements for infants who do not have health conditions that require hospitalization and who would otherwise remain in inappropriate hospital settings.

(2) The demonstration projects conducted under this section may include--

- A. multidisciplinary projects designed to prevent the inappropriate hospitalization of infants and to allow infants described in paragraph (1) to remain with or return to a parent in a residential setting, where appropriate care for the infant and suitable treatment for the parent (including treatment for drug or alcohol addiction) may be assured, with the goal (where possible) of rehabilitating the parent and eliminating the need for such care for the infant;

- B. multidisciplinary projects that assure appropriate, individualized care for such infants in a foster home or other non-medical residential setting in cases where such infant does not require hospitalization and would otherwise remain in inappropriate hospital settings, including projects to demonstrate methods to recruit, train, and retain foster care families; and
- C. such other projects as the Secretary determines will best serve the interests of such infants and will serve as models for projects that agencies or organizations in other communities may wish to develop.

(3) In the case of any project which includes the use of funds authorized under this subsection for the care of infants in foster homes or other non-medical residential settings away from their parents, there shall be developed for each such infant a case plan of the type described in section 475(1) (to the extent that such infant is not otherwise covered by such a plan), and each such project shall include a case review system of the type described in section 475(5) (covering each such infant who is not otherwise subject to such a system).

(4) In evaluating applications from entities proposing to conduct demonstration projects under this subsection, the Secretary shall give priority to those projects that serve areas most in need of alternative care arrangements for infants described in paragraph (1).

(5) No project may be funded unless the application therefor contains assurances that it will--

- A. provide for adequate evaluation;
- B. provide for coordination with local governments;
- C. provide for community education regarding the inappropriate hospitalization of infants;
- D. use, to the extent practical, other available private, local, State, and Federal sources for the provision of direct services; and
- E. meet such other criteria as the Secretary may prescribe.

(6) Grants may be used to pay the costs of maintenance and of necessary medical and social services (to the extent that these costs are not otherwise paid for under other titles of this Act), and for such other purposes as the Secretary may allow.

(7) The Secretary shall provide training and technical assistance to grantees, as requested.

(c) Payments of grants or under contracts or cooperative arrangements under this section may be made in advance or by way of reimbursement, and in such installments, as the Secretary may determine; and shall be made on such conditions as the Secretary finds necessary to carry out the purposes of the grants, contracts, or other arrangements.

PAYMENTS TO INDIAN TRIBAL ORGANIZATIONS

SEC. 428. [42 U.S.C. 628] (a) The Secretary may, in appropriate cases (as determined by the Secretary) make payments under this subpart directly to an Indian tribal organization within any State which has a plan for child welfare services approved under this subpart. Such payments shall be made in such manner and in such amounts as the Secretary determines to be appropriate.

(b) Amounts paid under subsection (a) shall be deemed to be a part of the allotment (as determined under section 421) for the State in which such Indian tribal organization is located.

(c) For purposes of this section, the terms "Indian tribe" and "tribal organization" shall have the meanings given such terms by subsections (e) and (l) of section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b), respectively.

CHILD WELFARE TRAINEESHIPS

SEC. 429. [42 U.S.C. 628a] The Secretary may approve an application for a grant to a public or nonprofit institution for higher learning to provide traineeships with stipends under section 426(a)(1)(C) only if the application--

(1) provides assurances that each individual who receives a stipend with such traineeship (in this section referred to as a "recipient") will enter into an agreement with the institution under which the recipient agrees--

- A. to participate in training at a public or private nonprofit child welfare agency on a regular basis (as determined by the Secretary) for the period of the traineeship;
- B. to be employed for a period of years equivalent to the period of the traineeship, in a public or private nonprofit child welfare agency in any State, within a period of time (determined by the Secretary in accordance with regulations) after completing the postsecondary education for which the traineeship was awarded;
- C. to furnish to the institution and the Secretary evidence of compliance with subparagraphs (A) and (B); and
- D. if the recipient fails to comply with subparagraph (A) or (B) and does not qualify for any exception to this subparagraph which the Secretary may prescribe in regulations, to repay to the Secretary all (or an appropriately prorated part) of the amount of the stipend, plus interest, and, if applicable, reasonable collection fees (in accordance with regulations promulgated by the Secretary);

- A. such coverage may be provided through 1 or more State medical assistance programs;
 - B. the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under title XIX;
 - C. in the event that the State provides such coverage through a State medical assistance program other than the program under title XIX, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1902(a)(10)(A)(i)(D); and
 - D. in determining cost-sharing requirements, the State shall take into consideration the circumstances of the adopting parent or parents and the needs of the child being adopted consistent, to the extent coverage is provided through a State medical assistance program, with the rules under such program-; and
22. provides that, not later than January 1, 1999, the State shall develop and implement standards to ensure that children in foster care placements in public or private agencies are provided quality services that protect the safety and health of the children-; and
23. provides that the State shall not--
- A. deny or delay the placement of a child for adoption when an approved family is available outside of the jurisdiction with responsibility for handling the case of the child; or
 - B. fail to grant an opportunity for a fair hearing, as described in paragraph (12), to an individual whose allegation of a violation of subparagraph (A) of this paragraph is denied by the State or not acted upon by the State with reasonable promptness.

(b) The Secretary shall approve any plan which complies with the provisions of subsection (a) of this section.

FOSTER CARE MAINTENANCE PAYMENTS PROGRAM

SEC. 472. [42 U.S.C. 672] (a) Each State with a plan approved under this part shall make foster care maintenance payments (as defined in section 475(4)) under this part with respect to a child who would have met the requirements of section 406(a) or of section 407 (as such sections were in effect on July 16, 1996) but for his removal from the home of a relative (specified in section 406(a) (as so in effect), if--

1. the removal from the home occurred pursuant to a voluntary placement agreement entered into by the child's parent or legal guardian, or was the result of a judicial determination to the effect that continuation therein would be contrary to the welfare of such child and (effective October 1, 1983) that reasonable efforts of the type described in section 471(a)(15) for a child have been made;
2. such child's placement and care are the responsibility of (A) the State agency administering the State plan approved under section 471, or (B) any other public agency with whom the State agency administering or supervising the administration of the State plan approved under section 471 has made an agreement which is still in effect;
3. such child has been placed in a foster family home or child-care institution as a result of the voluntary placement agreement or judicial determination referred to in paragraph (1); and
4. such child--
 - A. would have received aid under the State plan approved under section 402 (as in effect on July 16, 1996) in or for the month in which such agreement was entered into or court proceedings leading to the removal of such child from the home were initiated, or
 - B. (i) would have received such aid in or for such month if application had been made therefor, or (ii) had been living with a relative specified in section 406(a) (as in effect on July 16, 1996) within six months prior to the month in which such agreement was entered into or such proceedings were initiated, and would have received such aid in or for such month if in such month he had been living with such a relative and application therefor had been made.

In any case where the child is an alien disqualified under section 245A(h), 210(f), or 210A(d)(7) of the Immigration and Nationality Act from receiving aid under the State plan approved under section 402 in or for the month in which such agreement was entered into or court proceedings leading to the removal of the child from the home were instituted, such child shall be considered to satisfy the requirements of paragraph (4) (and the corresponding requirements of section 473(a)(2)(B)), with respect to that month, if he or she would have satisfied such requirements but for such disqualification.

(b) Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is--

1. in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or nonprofit private child-placement or child-care agency, or
2. in a child-care institution, whether the payments therefor are made to such institution or to a public or nonprofit private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term "foster care maintenance payments" (as defined in section 475(4)).

(c) For the purposes of this part, (1) the term "foster family home" means a foster family home for children which is licensed by the State in which it is situated or has been approved, by the agency of such State having responsibility for licensing homes of this type, as meeting the standards established for such licensing; and (2) the term "child-care institution" means a private child-care institution, or a public child-care institution which accommodates no more than twenty-five children, which is licensed by the State in which it is situated or has been approved, by the agency of such State responsible for licensing or approval of institutions of this type, as meeting the standards established for such licensing, but the term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Notwithstanding any other provision of this title, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 422(b)(10).

(e) No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) For the purposes of this part and part B of this title, (1) the term "voluntary placement" means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term "voluntary placement agreement" means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) In any case where--

1. the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and
2. such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative, the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h)(1) For purposes of titles XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 406 (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this title (as so in effect). For purposes of title XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this title and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 475(4)(B), shall be considered a child with respect to whom foster care maintenance payments are made under this section.

ADOPTION ASSISTANCE PROGRAM

SEC. 473. [42 U.S.C. 673] (a)(1)(A) Each State having a plan approved under this part shall enter into adoption assistance agreements (as defined in section 475(3)) with the adoptive parents of children with special needs.

(B) Under any adoption assistance agreement entered into by a State with parents who adopt a child with special needs, the State--

- i. shall make payments of nonrecurring adoption expenses incurred by or on behalf of such parents in connection with the adoption of such child, directly through the State agency or through another public or nonprofit private agency, in amounts determined under paragraph (3), and
- ii. in any case where the child meets the requirements of paragraph (2), may make adoption assistance payments to such parents, directly through the State agency or through another public or nonprofit private agency, in amounts so determined.

(2) For purposes of paragraph (1)(B)(ii), a child meets the requirements of this paragraph if such child--

A.

- i. at the time adoption proceedings were initiated, met the requirements of section 406(a) or section 407 (as such sections were in effect on July 16, 1996) or would have met such requirements except for his removal from the home of a relative (specified in section 406(a) (as so in effect)) or, either pursuant to a voluntary placement agreement with respect to which Federal payments are provided under section 474 (or 403) (as such section was in effect on July 16, 1996) or as a result of a judicial determination to the effect that continuation therein would be contrary to the welfare of such child,
- ii. meets all of the requirements of title XVI with respect to eligibility for supplemental security income benefits, or
- iii. is a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to his or her minor parent as provided in section 475(4)(B),

B.

- i. would have received aid under the State plan approved under section 402 (as in effect on July 16, 1996) in or for the month in which such agreement was entered into or court proceedings leading to the removal of such child from the home were initiated, or
- ii. (I) would have received such aid in or for such month if application had been made therefor, or (II) had been living with a relative specified in section 406(a) (as in effect on July 16, 1996) within six months prior to the month in which such agreement was entered into or such proceedings were initiated, and would have received such aid in or for such month if in such month he had been living with such a relative and application therefor had been made, or
- iii. is a child described in subparagraph (A)(ii) or (A)(iii), and

(C) has been determined by the State, pursuant to subsection (c) of this section, to be a child with special needs.

The last sentence of section 472(a) shall apply, for purposes of subparagraph (B), in any case where the child is an alien described in that sentence. Any child who meets the requirements of subparagraph (C), who was determined eligible for adoption assistance payments under this part with respect to a prior adoption, who is available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died, and who fails to meet the requirements of subparagraphs (A) and (B) but would meet such requirements if the child were treated as if the child were in the same financial and other circumstances the child was in the last time the child was determined eligible for adoption assistance payments under this part and the prior adoption were treated as never having occurred, shall be treated as meeting the requirements of this paragraph for purposes of paragraph (1)(B)(ii).

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local

agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4) Notwithstanding the preceding paragraph, (A) no payment may be made to parents with respect to any child who has attained the age of eighteen (or, where the State determines that the child has a mental or physical handicap which warrants the continuation of assistance, the age of twenty-one), and (B) no payment may be made to parents with respect to any child if the State determines that the parents are no longer legally responsible for the support of the child or if the State determines that the child is no longer receiving any support from such parents. Parents who have been receiving adoption assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make them ineligible for such assistance payments, or eligible for assistance payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c), to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term "nonrecurring adoption expenses" means reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State's payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 474(a)(3)(E).

(b)(1) For purposes of title XIX, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 406 (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this title (as so in effect) in the State where such child resides.

(2) For purposes of title XX, any child who is described in paragraph (3) is deemed to be a minor child in a needy family under a State program funded under part A of this title and deemed to be a recipient of assistance under such part.

(3) A child described in this paragraph is any child--

- A.
 - i. who is a child described in subsection (a)(2), and
 - ii. with respect to whom an adoption assistance agreement is in effect under this section (whether or not adoption assistance payments are provided under the agreement or are being made under this section), including any such child who has been placed for adoption in accordance with applicable State and local law (whether or not an interlocutory or other judicial decree of adoption has been issued), or

- B. with respect to whom foster care maintenance payments are being made under section 472.

(4) For purposes of paragraphs (1) and (2), a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 475(4)(B), shall be considered a child with respect to whom foster care maintenance payments are being made under section 472.

(c) For purposes of this section, a child shall not be considered a child with special needs unless--

1. the State has determined that the child cannot or should not be returned to the home of his parents; and
2. the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under title XIX, and (B) that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under title XIX.

SEC. 473A. ADOPTION INCENTIVE PAYMENTS.

(a) GRANT AUTHORITY.--Subject to the availability of such amounts as may be provided in advance in appropriations Acts for this purpose, the Secretary shall make a grant to each State that is an incentive-eligible State for a fiscal year in an amount equal to the adoption incentive payment payable to the State under this section for the fiscal year, which shall be payable in the immediately succeeding fiscal year.

(b) INCENTIVE-ELIGIBLE STATE.--A State is an incentive-eligible State for a fiscal year if--

 - B. for each succeeding fiscal year that precedes the fiscal year.
2. DETERMINATION OF NUMBERS OF ADOPTIONS.--
 - A. DETERMINATIONS BASED ON AFCARS DATA.--Except as provided in subparagraph (B), the Secretary shall determine the numbers of foster child adoptions and of special needs adoptions in a State during each of fiscal years 1995 through 2002, for purposes of this section, on the basis of data meeting the requirements of the system established pursuant to section 479, as reported by the State and approved by the Secretary by August 1 of the succeeding fiscal year.
 - B. ALTERNATIVE DATA SOURCES PERMITTED FOR FISCAL YEARS 1995 THROUGH 1997.--For purposes of the determination described in subparagraph (A) for fiscal years 1995 through 1997, the Secretary may use data from a source or sources other than that specified in subparagraph (A) that the Secretary finds to be of equivalent completeness and reliability, as reported by a State by ~~November 30, 1997~~ April 30, 1998, and approved by the Secretary by ~~March 1, 1998~~ July 1, 1998.
3. NO WAIVER OF AFCARS REQUIREMENTS.--This section shall not be construed to alter or affect any requirement of section 479 or of any regulation prescribed under such

section with respect to reporting of data by States, or to waive any penalty for failure to comply with such a requirement.

(d) ADOPTION INCENTIVE PAYMENT.--

1. IN GENERAL.--Except as provided in paragraph (2), the adoption incentive payment payable to a State for a fiscal year under this section shall be equal to the sum of--

 - B. \$2,000, multiplied by the amount (if any) by which the number of special needs adoptions in the State during the fiscal year exceeds the base number of special needs adoptions for the State for the fiscal year.

2. PRO RATA ADJUSTMENT IF INSUFFICIENT FUNDS AVAILABLE.--For any fiscal year, if the total amount of adoption incentive payments otherwise payable under this section for a fiscal year exceeds the amount appropriated pursuant to subsection (h) for the fiscal year, the amount of the adoption incentive payment payable to each State under this section for the fiscal year shall be--
 - A. the amount of the adoption incentive payment that would otherwise be payable to the State under this section for the fiscal year; multiplied by
 - B. the percentage represented by the amount so appropriated for the fiscal year, divided by the total amount of adoption incentive payments otherwise payable under this section for the fiscal year.

(e) 2-YEAR AVAILABILITY OF INCENTIVE PAYMENTS.--Payments to a State under this section in a fiscal year shall remain available for use by the State through the end of the succeeding fiscal year.

(f) LIMITATIONS ON USE OF INCENTIVE PAYMENTS.--A State shall not expend an amount paid to the State under this section except to provide to children or families any service (including post-adoption services) that may be provided under part B or E. Amounts expended by a State in accordance with the preceding sentence shall be disregarded in determining State expenditures for purposes of Federal matching payments under sections 423, 434, and 474.

(g) DEFINITIONS.--As used in this section:

1. FOSTER CHILD ADOPTION.--The term 'foster child adoption' means the final adoption of a child who, at the time of adoptive placement, was in foster care under the supervision of the State.

2. SPECIAL NEEDS ADOPTION.--The term `special needs adoption' means the final adoption of a child for whom an adoption assistance agreement is in effect under section 473.

such institutions or by direct financial assistance to students enrolled in such institutions) of personnel employed or preparing for employment by the State agency or by the local agency administering the plan in the political subdivision,

- B. 75 percent of so much of such expenditures (including travel and per diem expenses) as are for the short-term training of current or prospective foster or adoptive parents and the members of the staff of State-licensed or State-approved child care institutions providing care to foster and adopted children receiving assistance under this part, in ways that increase the ability of such current or prospective parents, staff members, and institutions to provide support and assistance to foster and adopted children, whether incurred directly by the State or by contract,
- C. 50 percent of so much of such expenditures as are for the planning, design, development, or installation of statewide mechanized data collection and information retrieval systems (including 50 percent of the full amount of expenditures for hardware components for such systems) but only to the extent that such systems--

- B. the lesser of--
 - i. one-half of any additional amounts expended by such State for such programs; or
 - ii. the maximum additional amount for such State under such section 477(e)(1).

5.

(b) (1) The Secretary shall, prior to the beginning of each quarter, estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with subsection (a), and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State's proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, (B) records showing the number of children in the State receiving assistance under this part, and (C) such other investigation as the Secretary may find necessary.

(2) The Secretary shall then pay to the State, in such installments as he may determine, the amounts so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection.

(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to foster care and adoption assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(B) Within 15 days after a decision to defer such a State claim, the Secretary shall notify the State of the reasons for the deferral and of the additional information necessary to determine the allowability of the claim.

(C) Within 90 days after receiving such necessary information (in readily reviewable form), the Secretary shall--

- i. disallow the claim, if able to complete the review and determine that the claim is not allowable, or

- ii. in any other case, allow the claim, subject to disallowance (as necessary)--
 - I. upon completion of the review, if it is determined that the claim is not allowable; or
 - II. on the basis of findings of an audit or financial management review.

(c) AUTOMATED DATA COLLECTION EXPENDITURES.--The Secretary shall treat as necessary for the proper and efficient administration of the State plan all expenditures of a State necessary in order for the State to plan, design, develop, install, and operate data collection and information retrieval systems described in subsection (a)(3)(C), without regard to whether the systems may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance payments or adoption assistance payments may be made under this part.

(d)(1) If, during any quarter of a fiscal year, a State's program operated under this part is found, as a result of a review conducted under section 1123A, or otherwise, to have violated ~~section 471(a)(18)~~ paragraph (18) or (23) of section 471(a) with respect to a person or to have failed to implement a corrective action plan within a period of time not to exceed 6 months with respect to such violation, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1123A(b)(3), the Secretary shall reduce the amount otherwise payable to the State under this part, for that fiscal year quarter and for any subsequent quarter of such fiscal year, until the State program is found, as a result of a subsequent review under section 1123A, to have implemented a corrective action plan with respect to such violation, by--

- A. 2 percent of such otherwise payable amount, in the case of the 1st such finding for the fiscal year with respect to the State;
- B. 3 percent of such otherwise payable amount, in the case of the 2nd such finding for the fiscal year with respect to the State; or
- C. 5 percent of such otherwise payable amount, in the case of the 3rd or subsequent such finding for the fiscal year with respect to the State.

In imposing the penalties described in this paragraph, the Secretary shall not reduce any fiscal year payment to a State by more than 5 percent.

(2) Any other entity which is in a State that receives funds under this part and which violates ~~section 471(a)(18)~~ paragraph (18) or (23) of section 471(a) during a fiscal year quarter with respect to any person shall remit to the Secretary all funds that were paid by the State to the entity during the quarter from such funds.

(3)(A) Any individual who is aggrieved by a violation of section 471(a)(18) by a State or other entity may bring an action seeking relief from the State or other entity in any United States district court.

(B) An action under this paragraph may not be brought more than 2 years after the date the alleged violation occurred.

(4) This subsection shall not be construed to affect the application of the Indian Child Welfare Act of 1978.

DEFINITIONS

SEC. 475. [42 U.S.C. 675] As used in this part or part B of this title:

1. The term "case plan" means a written document which includes at least the following:
 - A. A description of the type of home or institution in which a child is to be placed, including a discussion of the safety and appropriateness of the placement and how the agency which is responsible for the child plans to carry out the voluntary placement agreement entered into or judicial determination made with respect to the child in accordance with section 472(a)(1).
 - B. A plan for assuring that the child receives safe and proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions in the parents' home, facilitate return of the child to his own safe home or the permanent placement of the child, and address the needs of the child while in foster care, including a discussion of the appropriateness of the services that have been provided to the child under the plan.
 - C. To the extent available and accessible, the health and education records of the child, including--
 - i. the names and addresses of the child's health and educational providers;
 - ii. the child's grade level performance;
 - iii. the child's school record;
 - iv. assurances that the child's placement in foster care takes into account proximity to the school in which the child is enrolled at the time of placement;

- v. a record of the child's immunizations;
- vi. the child's known medical problems;
- vii. the child's medications; and
- viii. any other relevant health and education information concerning the child determined to be appropriate by the State agency.

D. Where appropriate, for a child age 16 or over, ~~the case plan must also include~~ a written description of the programs and services which will help such child prepare for the transition from foster care to independent living.

E. In the case of a child with respect to whom the permanency plan is adoption or placement in another permanent home, documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child, to place the child with an adoptive family, a fit and willing relative, a legal guardian, or in another planned permanent living arrangement, and to finalize the adoption or legal guardianship. At a minimum, such documentation shall include child specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems.

(2) The term "parents" means biological or adoptive parents or legal guardians, as determined by applicable State law.

(3) The term "adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the State agency, other relevant agencies, and the prospective adoptive parents of a minor child which at a minimum (A) specifies the nature and amount of any payments, services, and assistance to be provided under such agreement, and (B) stipulates that the agreement shall remain in effect regardless of the State of which the adoptive parents are residents at any given time. The agreement shall contain provisions for the protection (under an interstate compact approved by the Secretary or otherwise) of the interests of the child in cases where the adoptive parents and child move to another State while the agreement is effective.

(4)(A) The term "foster care maintenance payments" means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to a child, and reasonable travel to the child's home for visitation. In the case of institutional care, such term shall include the reasonable costs of administration and operation of such institution as are necessarily required to provide the items described in the preceding sentence.

(B) In cases where--

(i) a child placed in a foster family home or child-care institution is the parent of a son or daughter who is in the same home or institution, and

(ii) payments described in subparagraph (A) are being made under this part with respect to such child, the foster care maintenance payments made with respect to such child as otherwise determined under subparagraph (A) shall also include such amounts as may be necessary to cover the cost of the items described in that subparagraph with respect to such son or daughter.

(5) The term "case review system" means a procedure for assuring that--

(A) each child has a case plan designed to achieve placement in a safe setting that is the least restrictive (most family like) and most appropriate setting available and in close proximity to the parents' home, consistent with the best interest and special needs of the child, which--

(i) if the child has been placed in a foster family home or child-care institution a substantial distance from the home of the parents of the child, or in a State different from the State in which such home is located, sets forth the reasons why such placement is in the best interests of the child, and

(ii) if the child has been placed in foster care outside the State in which the home of the parents of the child is located, requires that, periodically, but not less frequently than every 12 months, a caseworker on the staff of the State agency of the State in which the home of the parents of the child is located, or of the State in which the child has been placed, visit such child in such home or institution and submit a report on such visit to the State agency of the State in which the home of the parents of the child is located,

(B) the status of each child is reviewed periodically but no less frequently than once every six months by either a court or by administrative review (as defined in paragraph (6)) in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care, and to project a likely date by which the child may be returned to and safely maintained in the home or placed for adoption or legal guardianship,

(C) with respect to each such child, procedural safeguards will be applied, among other things, to assure each child in foster care under the supervision of the State of a ~~dispositional~~ permanency hearing to be held, in a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or by an administrative body appointed or approved by the court, no later than ~~eighteen~~ 12 months after the ~~original placement~~ date the child is considered to have entered foster care (as determined under subparagraph (F)) (and not less frequently than every 12 months thereafter during the continuation of foster care), which hearing shall determine the ~~future status of the child (including, but not limited to, whether the child should be returned to the parent, should be continued in foster care for a specified period, should be placed for adoption, or should (because of the child's special needs or circumstances) be continued in foster care on a permanent or long-term basis)~~ permanency plan for the child that includes whether, and if applicable when, the child will be returned to the parent, placed for adoption and the State will

file a petition for termination of parental rights, or referred for legal guardianship, or (in cases where the State agency has documented to the State court a compelling reason for determining that it would not be in the best interests of the child to return home, be referred for termination of parental rights, or be placed for adoption, with a fit and willing relative, or with a legal guardian) placed in another planned permanent living arrangement and, in the case of a child described in subparagraph (A)(ii), whether the out-of-State placement continues to be appropriate and in the best interests of the child, and, in the case of a child who has attained age 16, the services needed to assist the child to make the transition from foster care to independent living; and procedural safeguards shall also be applied with respect to parental rights pertaining to the removal of the child from the home of his parents, to a change in the child's placement, and to any determination affecting visitation privileges of parents; and

(D) a child's health and education record (as described in paragraph (1)(A)) is reviewed and updated, and supplied to the foster parent or foster care provider with whom the child is placed, at the time of each placement of the child in foster care; and

(E) in the case of a child who has been in foster care under the responsibility of the State for 15 of the most recent 22 months, or, if a court of competent jurisdiction has determined a child to be an abandoned infant (as defined under State law) or has made a determination that the parent has committed murder of another child of the parent, committed voluntary manslaughter of another child of the parent, aided or abetted, attempted, conspired, or solicited to commit such a murder or such a voluntary manslaughter, or committed a felony assault that has resulted in serious bodily injury to the child or to another child of the parent, the State shall file a petition to terminate the parental rights of the child's parents (or, if such a petition has been filed by another party, seek to be joined as a party to the petition), and, concurrently, to identify, recruit, process, and approve a qualified family for an adoption, unless--

(i) at the option of the State, the child is being cared for by a relative;

(ii) a State agency has documented in the case plan (which shall be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the child; or

(iii) the State has not provided to the family of the child, consistent with the time period in the State case plan, such services as the State deems necessary for the safe return of the child to the child's home, if reasonable efforts of the type described in section 471(a)(15)(B)(ii) are required to be made with respect to the child; and

(F) a child shall be considered to have entered foster care on the earlier of--

(i) the date of the first judicial finding that the child has been subjected to child abuse or neglect; or

(ii) the date that is 60 days after the date on which the child is removed from the home; and

(G) the foster parents (if any) of a child and any preadoptive parent or relative providing care for the child are provided with notice of, and an opportunity to be heard in, any review or hearing to be held with respect to the child, except that this subparagraph shall not be construed to require that any foster parent, preadoptive parent, or relative providing care for the child be made a party to such a review or hearing solely on the basis of such notice and opportunity to be heard.

(6) The term "administrative review" means a review open to the participation of the parents of the child, conducted by a panel of appropriate persons at least one of whom is not responsible for the case management of, or the delivery of services to, either the child or the parents who are the subject of the review.

(7) The term 'legal guardianship' means a judicially created relationship between child and caretaker which is intended to be permanent and self-sustaining as evidenced by the transfer to the caretaker of the following parental rights with respect to the child: protection, education, care and control of the person, custody of the person, and decisionmaking. The term 'legal guardian' means the caretaker in such a relationship.

TECHNICAL ASSISTANCE; DATA COLLECTION AND EVALUATION

SEC. 476. [42 U.S.C. 676] (a) The Secretary may provide technical assistance to the States to assist them to develop the programs authorized under this part and shall periodically (1) evaluate the programs authorized under this part and part B of this title and (2) collect and publish data pertaining to the incidence and characteristics of foster care and adoptions in this country.

(b) Each State shall submit statistical reports as the Secretary may require with respect to children for whom payments are made under this part containing information with respect to such children including legal status, demographic characteristics, location, and length of any stay in foster care.

INDEPENDENT LIVING INITIATIVES

SEC. 477. [42 U.S.C. 677] (a)(1) Payments shall be made in accordance with this section for the purpose of assisting States and localities in establishing and carrying out programs designed to assist children described in paragraph (2) who have attained age 16 in making the transition from foster care to independent living. Any State which provides for the establishment and carrying out of one or more such programs in accordance with this section for a fiscal year shall be entitled to receive payments under this section for such fiscal year, in an amount determined under subsection (e).

(2) A program established and carried out under paragraph (1)--

(A) shall be designed to assist children with respect to whom foster care maintenance payments are being made by the State under this part (including children with respect to whom such payments are no longer being made because the child has accumulated assets, not to exceed \$5,000, which are otherwise regarded as resources for purposes of determining eligibility for benefits under this part),

(B) may at the option of the State also include any or all other children in foster care under the responsibility of the State, and

(C) may at the option of the State also include any child who has not attained age 21 to whom foster care maintenance payments were previously made by a State under this part and whose payments were discontinued on or after the date such child attained age 16, and any child who previously was in foster care described in subparagraph (B) and for whom such care was discontinued on or after the date such child attained age 16; and a written transitional independent living plan of the type described in subsection (d)(6) shall be developed for such child as a part of such program.

(b) The State agency administering or supervising the administration of the State's programs under this part shall be responsible for administering or supervising the administration of the State's programs described in subsection (a). Payment under this section shall be made to the State, and shall be used for the purpose of conducting and providing in accordance with this section (directly or under contracts with local governmental entities or private nonprofit organizations) the activities and services required to carry out the program or programs involved.

(c) In order for a State to receive payments under this section for any fiscal year, the State agency must submit to the Secretary, in such manner and form as the Secretary may prescribe, a description of the program together with satisfactory assurances that the program will be operated in an effective and efficient manner and will otherwise meet the requirements of this section. In the case of payments for fiscal year 1987, such description and assurances must be submitted within 90 days after the Secretary promulgates regulations as required under subsection (i), and in the case of payments for any succeeding fiscal year such description and assurances must be submitted prior to February 1 of such fiscal year.

(d) In carrying out the purpose described in subsection (a), it shall be the objective of each program established under this section to help the individuals participating in such program to prepare to live independently upon leaving foster care. Such programs may include (subject to the availability of funds) programs to--

(1) enable participants to seek a high school diploma or its equivalent or to take part in appropriate vocational training;

(2) provide training in daily living skills, budgeting, locating and maintaining housing, and career planning;

(3) provide for individual and group counseling;

(4) integrate and coordinate services otherwise available to participants;

(5) provide for the establishment of outreach programs designed to attract individuals who are eligible to participate in the program;

(6) provide each participant a written transitional independent living plan which shall be based on an assessment of his needs, and which shall be incorporated into his case plan, as described in section 475(1); and

(7) provide participants with other services and assistance designed to improve their transition to independent living.

(e)(1)(A) The basic amount to which a State shall be entitled under section 474(a)(4) for fiscal year 1987 and any succeeding fiscal year shall be an amount which bears the same ratio to the basic ceiling for such fiscal year as such State's average number of children receiving foster care maintenance payments under this part in fiscal year 1984 bears to the total of the average number of children receiving such payments under this part for all States for fiscal year 1984.

(B) The maximum additional amount to which a State shall be entitled under section 474(a)(4) for fiscal year 1991 and any succeeding fiscal year shall be an amount which bears the same ratio to the additional ceiling for such fiscal year as the basic amount of such State bears to \$45,000,000.

(C) As used in this section:

(i) The term "basic ceiling" means--

(I) for fiscal year 1990, \$50,000,000; and

(II) for each fiscal year other than fiscal year 1990, 45,000,000.

(ii) The term "additional ceiling" means--

(I) for fiscal year 1991, \$15,000,000; and

(II) for any succeeding fiscal year, \$25,000,000.

(2) If any State does not apply for funds under this section for any fiscal year within the time provided in subsection (c), the funds to which such State would have been entitled for such fiscal year shall be reallocated to one or more other States on the basis of their relative need for additional payments under this section (as determined by the Secretary).

(3) Any amounts payable to States under this section shall be in addition to amounts payable to States under subsections (a)(1), (a)(2), and (a)(3) of section 474, and shall supplement and not replace any other funds which may be available for the same general purposes in the localities involved. Amounts payable under this section may not be used for the provision of room or board.

(f) Payments made to a State under this section for any fiscal year--

(1) shall be used only for the specific purposes described in this section;

(2) may be made on an estimated basis in advance of the determination of the exact amount, with appropriate subsequent adjustments to take account of any error in the estimates; and

(3) shall be expended by such State in such fiscal year or in the succeeding fiscal year.

Notwithstanding paragraph (3), payments made to a State under this section for the fiscal year 1987 and unobligated may be expended by such State in the fiscal year 1989.

(g)(1) Not later than the first January 1 following the end of each fiscal year, each State shall submit to the Secretary a report on the programs carried out during such fiscal year with the amounts received under this section. Such report--

(A) shall be in such form and contain such information as may be necessary to provide an accurate description of such activities, to provide a complete record of the purposes for which the funds were spent, and to indicate the extent to which the expenditure of such funds succeeded in accomplishing the purpose described in subsection (a); and

(B) shall specifically contain such information as the Secretary may require in order to carry out the evaluation under paragraph (2).

(2)(A) Not later than July 1, 1988, the Secretary shall submit an interim report on the activities carried out under this section.

(B) Not later than March 1, 1989, the Secretary, on the basis of the reports submitted by States under paragraph (1) for the fiscal years 1987 and 1988, and on the basis of such additional information as the Secretary may obtain or develop, shall evaluate the use by States of the payments made available under this section for such fiscal year with respect to the purpose of this section, with the objective of appraising the achievements of the programs for which such payments were made available, and developing comprehensive information and data on the basis of which decisions can be made with respect to the improvement of such programs and the necessity for providing further payments in subsequent years. The Secretary shall report such evaluation to the Congress. As a part of such evaluation, the Secretary shall include, at a minimum, a detailed overall description of the number and characteristics of the individuals served by the programs, the various kinds of activities conducted and services provided and the results achieved, and shall set forth in detail findings and comments with respect to the various State programs and a statement of plans and recommendations for the future.

(h) Notwithstanding any other provision of this title, payments made and services provided to participants in a program under this section, as a direct consequence of their participation in such program, shall not be considered as income or resources for purposes of determining eligibility (or the eligibility of any other persons) for aid under the State's plan approved under section 402 or 471, or for purposes of determining the level of such aid.

(i) The Secretary shall promulgate final regulations for implementing this section within 60 days after the date of the enactment of this section.

SEC. 478. RULE OF CONSTRUCTION. Nothing in this part shall be construed as precluding State courts from exercising their discretion to protect the health and safety of children in individual cases, including cases other than those described in section 471(a)(15)(D).

[42 U.S.C. 679] (a)(1) Not later than 90 days after the date of the enactment of this subsection, the Secretary shall establish an Advisory Committee on Adoption and Foster Care Information (in this section referred to as the "Advisory Committee") to study the various methods of establishing, administering, and financing a system for the collection of data with respect to adoption and foster care in the United States.

Such regulations shall provide for the full implementation of the system not later than October 1, 1991.

(c) Any data collection system developed and implemented under this section shall--

(2) to the maximum extent possible, the outcome measures should be developed from data available from the Adoption and Foster Care Analysis and Reporting System;

(3) develop a system for rating the performance of States with respect to the outcome measures, and provide to the States an explanation of the rating system and how scores are determined under the rating system;

(5) on May 1, 1999, and annually thereafter, prepare and submit to the Congress a report on the performance of each State on each outcome measure, which shall examine the reasons for high performance and low performance and, where possible, make recommendations as to how State performance could be improved.
