Please note the new structure of the APSR PI for this fiscal year. ACF hopes that programs will find that these instructions clearly communicate the requested information in a user-friendly format. It is important that programs respond to this PI in its entirety as missing or incomplete information will result in the withholding of funds for the program(s) affected until such time as approval can be granted by ACF. If programs have additional questions in preparing the APSR, please contact the ACF Regional Office State Liaison.

SECTION A. OVERVIEW

Since the CFSP began in 1994, there have been two complete five-year plan cycles (FY 1995-1999 and FY 2000-2004). The FY 2005-2009 CFSPs were submitted June 30, 2004. Federal regulations at 45 CFR 1357 provide the requirements for a five-year comprehensive CFSP and annual updates on the progress made toward accomplishing the goals and objectives in the CFSP. Completion of the APSR satisfies the Federal regulations by providing updates on a State's annual progress for the past fiscal year and planned activities for the upcoming fiscal year.

In order for States and Territories to receive Title IV-B, CAPTA, and CFCIP and ETV FY 2007 funds, the APSR must be submitted to the ACF Regional Offices (RO) by June 30, 2006. An original, signed CFS-101, Annual Budget Request for Title IV-B, Subparts 1 and 2, CAPTA, CFCIP and ETV programs must be mailed to the RO as well (see addresses at Attachment D). The ROs will be working with States to ensure that the information provided adequately addresses the information required. Upon approval, the RO will forward the State's request for funding to Central Office. The RO will not sign and forward the CFS-101 to the ACF Grants Management Office for funding until all requirements for the APSR are met. The CFS-101, Parts I and II, is located in Attachment C.

In preparing the APSR, each State must conduct an interim review of the progress made since the last APSR, to date, toward accomplishing the goals and objectives in the CFSP, based on updated information and current data. The State must include the agencies, organizations (e.g., the State's Court Improvement Project (CIP) and faith-based and community organizations, Tribes, providers) and individuals in the ongoing CFSP related consultation and coordination process when conducting this review. ACF also expects States to integrate the findings of the Child and Family Services Reviews (CFSR), Title IV-E reviews and activities proposed and completed in subsequent Program Improvement Plans (PIPs) when addressing services and programs under this APSR.

Plans and activities included in the APSR must meet the provisions of 45 CFR 1355.35, 45 CFR 1357, Title IV-B, Subparts 1 and/or 2, and Title IV-E, Section 477 of the Act and CAPTA. These programs provide a critical source of funding for supporting the service array necessary to meet the needs of children and families and to address gaps in services.

Deficit Reduction Act Amendments to the Title IV-B Programs:

The Deficit Reduction Act (DRA) of 2005, P.L. 109-171, includes several amendments to programs administered by the Children's Bureau. A thorough review of the new provisions will be issued by the Children's Bureau through an Information Memorandum. The provisions that affected Title IV-B requirements along with the CIP are as follows:

- **Court Improvement:** This section authorizes and appropriates grant funds of \$10 million for each of two new purposes under the CIP:

SECTION A. OVERVIEW

- To ensure that the needs of children are met in a timely and complete manner through improved case tracking and analysis of child welfare cases.
- To train judges, attorneys and other legal personnel in child welfare cases and to cross-train with child welfare agency staff and contractors.

The highest State court may apply for one or more of the three court improvement grants, but must apply separately for each. The new grants are authorized and funded through FY 2010. (The original CIP is authorized through FY 2007.) State allocations are \$85,000 plus a share of the remaining appropriation based on the State's population of persons under age 21.

- **Collaboration:** The law adds a Title IV-B plan requirement to Section 422 of the Act for the State or Tribe to demonstrate substantial, ongoing and meaningful collaboration with State courts in the development and implementation of its Title IV-B and Title IV-E plan, CFSRs and PIPs required by Section 1123A of the Act. The DRA added a similar requirement on collaboration to those State courts that will be applying for CIP funds available under Section 438 of the Act. We anticipate that guidance to State courts on the CIP application process will be disseminated in late spring. Although ongoing collaboration between the State agency and the courts is required at 45 CFR 1357.15(vii) and 1357.16(a), in order to foster maximum coordination between State agencies and the courts in responding to their new respective requirements on collaboration, we are deferring a State/Tribal agency response to them until both parties have been able to begin or continue their enhanced collaboration activities during the summer. Accordingly, by August 1, 2006, State and Tribal agencies must submit an addendum to their APSR to the ACF RO that will provide a description and evidence of collaboration between them and the State courts in developing and/or implementing their State plans or ACF-approved PIPs, as well as a plan for future activities between the parties.
- **Funding:** On December 30, 2005, the President signed the appropriations bill for the Departments of Labor, Health and Human Services, and Education and related agencies providing FY 2006 funding for the programs included in the CFSP. Included in the appropriation for the Department of Defense, signed the same day, was a one percent reduction for all programs categorized as "discretionary" in the budget, including the Department of Health and Human Services (HHS) programs of Title IV-B, Subparts 1 and 2, CAPTA and ETV. The CFCIP and the mandatory portion of funding for Title IV-B, Subpart 2, were not affected by this reduction. The DRA, which was signed by the President on February 8, 2006, appropriated an additional \$20 million in mandatory funds for the State CIP and increased the authorized level for the mandatory Title IV-B, Subpart 2, program to \$345 million. However, as of this writing, only \$305 million has been appropriated in mandatory funding for Title IV-B, Subpart 2. A table showing the FY 2006 appropriations for each program can be found at <http://www.acf.hhs.gov/programs/olab/budget/2006/fy2006apt.htm>.

Integration of the CFSR PIP with the APSR:

Unless the State has completed its PIP period penalty free, the CFSR findings and subsequent PIP activities and accomplishments must be integrated into the APSR. According to 45 CFR 1355.35 (f), “[t]he elements of the program improvement plan must be incorporated into the goals and objectives of the State’s CFSP. Progress in implementing the program improvement plan must be included in the annual reviews and progress reports related to the CFSP.”

The CFSR and PIP give States an opportunity to improve their overall child welfare system and to integrate the PIP with other planning activities across all programs and funding streams.

Three Children’s Bureau documents provide additional guidance for the State to incorporate the CFSR with the broader CFSP and APSR (ACF-CB-PI-03-05, ACF-CB-PI-04-01 and ACF-CB-IM-02-04) are available at

http://www.acf.hhs.gov/programs/cb/laws_policies/policy/pi/index.htm.

Current Executive Initiatives:

The current administration has identified major initiatives in areas that it feels will benefit children, adults and society. The initiatives include HHS’ Healthy Marriages, Responsible Fatherhood, Youth Development, Rural, and Faith-based and Community Initiatives, which can be promoted among the populations that ACF serves and are an appropriate use of Title IV-B funding. More detailed instructions are included in Section D under “Supporting Information.”

APSR Submission: States and Territories must submit their APSR to the RO by June 30, 2006.

- Original APSR (via e-mail or compact disk).
- Original CFS-101, Parts I and II for FY 2007 with signature (electronic and hard copy):
 - Include relinquishment of, or requests for, FY 2007 Title IV-B, CFCIP, and/or ETV funds available for reallocation.
- If appropriate, a revised and signed CFS-101 for FY 2006 indicating:
 - The additional amount of funding the State should receive should its allotment for FY 2006 be larger than previously estimated and requested;
 - The amount of funds that the State does not expect to utilize from its FY 2006 allotment during the upcoming year to carry out the Title IV-B, CFCIP and/or ETV program activities; and/or
 - The amount of funds the State is requesting if additional funds become available for the Title IV-B, CFCIP and/or ETV programs.
- If applicable, certifications and assurances. Note that these need to be re-submitted only if a change is warranted from the most recent CFSP submission.

The State must have an especially strong rationale if the percentage provided is below 20 percent for any one of the four service categories and include such rationale in the narrative of the APSR. The amount allocated to each of the service categories should only include funds for service delivery. States should report separately the amount to be allocated to planning and service coordination.

 - Notify your ACF RO in writing of your intent to consolidate your application for Title IV-B, Subparts 1 and/or 2, and CAPTA by June 30, 2006. A failure to submit such a notice of intent by that date will preclude use of the consolidated grant approach for FY 2007.

OR

- May choose to submit an APSR to your ACF RO by June 30, 2006.

Certificates and Assurances

- Re-submit certifications and assurances where there has been a change from the most recent CFSP that would affect the certification or assurance.

Unneeded portions of State allocations of Title IV-B, Subpart 2, and CFCIP and ETV funds may be re-allotted to other States, so that the total appropriation remains available for program purposes (Section 433(d) and Section 477(d)(4) of the Act).

1. FY 2006 Funding—Revised Budget Request

- Submit a revised FY 2006 budget form (CFS-101, Part I) in order to receive the full share of FY 2006 funds allotted, if the previously submitted request was less than the FY 2006 amount the State is eligible to receive under Title IV-B, Subparts 1 or 2, CAPTA, and/or CFCIP and ETV;

- Use the estimated FY 2007 allotments in Attachment B for the CFCIP and ETV programs.

3. Financial Status Reports—Standard Form 269

Submission requirements for expenditures of Title IV-B, CAPTA, and CFCIP funds must be met by all grantees on the Financial Status Report Standard Form (SF) 269 and are listed below. The SF-269 covering the first 12-month budget period is the interim report and the report covering the entire grant period is the final report. Each report is due 90 days after the end of the fiscal year (December 31). A negative grant award will recoup unobligated and/or unliquidated funds reported on the final SF-269 for the Title IV-B, CAPTA, CFCIP and ETV programs.

Title IV-B, Subparts 1 and 2

- Submit a separate SF-269 (by December 31) for expenditures made under each Subpart of Title IV-B at the end of each 12 months (October 1-September 30) of the two-year expenditure period;
- Report the cumulative amount and the required 25 percent State match on the final SF-269;

SECTION E. FINANCIAL INFORMATION

CFCIP and ETV

- Submit a separate SF-269 (by December 31) for expenditures made under the CFCIP and ETV programs;
- Include the required 20 percent State match in the final report for each program; and
- Expend CFCIP and ETV funds by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

Submit the original SF-269 for each program to your ACF RO and a copy to the following address:

Division of Mandatory Grants
Office of Administration
Administration for Children and Families
370 L'Enfant Promenade, SW.
Washington, D.C. 20447

Alternatively, an electronic SF-269 submission for the above listed programs may be made through the ACF Online Data Collection (OLDC) system. Contact your ACF RO for more information on gaining access to and using the OLDC submission process.

CFS-101, PART I: ANNUAL BUDGET REQUEST FOR TITLE IV-B, SUBPARTS 1 AND 2, CAPTA, CHAFEE FOSTER CARE INDEPENDENCE (CFCIP) and EDUCATION and TRAINING VOUCHER (ETV) PROGRAM INSTRUCTIONS

Note: While the information on the programs are consolidated into one Child and Family Services Plan (CFSP), eligibility and expenditure reports for the individual programs are separate. Funding will not be delayed for one program due to potential eligibility issues in another program.

Complete separate forms for each fiscal year.

1. Enter the name of the State or Indian Tribal Organization (ITO).
2. Indicate the Employer Identification Number (EIN).
3. Enter the address of the State or ITO Agency.
4. Indicate if this is a new or revised budget request.

5. Estimated title IV-B, subpart 1 funds:

Specify the estimated amount of title IV-B, subpart 1 Federal funds that the State or ITO expects to spend during the fiscal year on Child Welfare Services. The previous Federal Fiscal Year's (FFY) final allotment as provided in the annual Program Instruction on the Annual Progress and Services Report (APSR) is to be used as the estimated amount for the State's/Tribe's request. A 25% State match is required and the State or Tribe's match amount should be reflected on the final SF-269 report.

6. Estimated title IV-B, subpart 2 funds:

Specify the total estimated amount of title IV-B, subpart 2 Federal funds that the State or ITO expects to spend during the fiscal year on Promoting Safe and Stable Families services. The previous Federal Fiscal Year's (FFY) final allotment as provided in the annual Program Instruction on the APSR is to be used as the estimated amount for the State's/Tribe's request. A 25% State match is required and the State or Tribe's match amount should be reflected on the final SF-269 report.

a) Specify the estimated amount of title IV-B, subpart 2 funds to be spent during the fiscal year for Family Preservation Services.

b) Specify the estimated amount of title IV-B, subpart 2 funds to be spent during the fiscal year for Family Support Services.

c) Specify the estimated amount of title IV-B, subpart 2 funds to be spent during the fiscal year for Time-Limited Family Reunification Services.

d) Specify the estimated amount of title IV-B, subpart 2 funds to be spent during the fiscal year for Adoption Promotion and Support Services.

e) Specify the estimated amount of title IV-B, subpart 2 funds to be spent during the fiscal year for other service related activities (e.g. planning).

f) Specify the estimated amount of title IV-B, subpart 2 funds to be spent on Administration (not to exceed 10% of the estimated allotment).

7. Re-allotment of Title IV-B, Subpart 2 funds for State and Indian Tribal Organizations

The Administration for Children and Families (ACF) is able to re-allot unneeded portions of State and Tribal allocations of title IV-B, subpart 2 funds to other States and eligible Indian Tribes so that the total appropriation remains available for program purposes. In order for a State or ITO to be awarded a portion of these funds, or for funds to be released, ACF must have on file a request from the State or Indian Tribe for additional funds, or the release of funds.

a) Indicate the amount of Federal funds that the State or Tribe does not expect to utilize for the upcoming fiscal year;

b) Indicate the amount of Federal funds that the State or Tribe is requesting if additional funds become available.

8. Child Abuse Prevention and Treatment Act (CAPTA) (States only).

Indicate the State's estimated CAPTA State Grant allocation as provided in the annual Program Instruction on the APSR. Supplemental funds may be available for distribution if there are States that are not awarded grant funds or there are unobligated funds available for redistribution. No matching funds are required for this grant.

9. Estimated Chafee Foster Care Independence Program (CFCIP) Funds (States only)

Indicate the estimated amount of CFCIP funds that the State expects to spend during the fiscal year on independent living activities as provided in the annual Program Instruction on the APSR.

10. Estimated Funds Allotted under Section 477 for the Education and Training Vouchers (ETV) Program (States only)

11. Re-allotment of CFCIP and/or ETV program funds for States

The Administration for Children and Families (ACF) is able to re-allot unneeded portions of State allocations of CFCIP and ETV funds to other States so that the total appropriation remains available for program purposes. In order for a State to be awarded portions of these funds, or for funds to be released, ACF must have on file a request from the State for additional funds, or the release of funds.

- a) Indicate the amount of funds that the State does not expect to utilize from its allotment during the upcoming fiscal year to carry out the CFCIP activities.
 - b) Indicate the amount of funds that the State does not expect to utilize from its allotment during the upcoming fiscal year to carry out the ETV program activities.
 - c) Indicate the amount of funds the State is requesting if additional funds become available for the CFCIP and/or ETV programs. A 20% State match is required. The State match amount must be reflected on the final SF-269 report.
12. **Certification:** This report must be signed and dated in the spaces provided. The signature and title of the official of the State agency, or Indian Tribal Organization, with authority to administer or supervise the administration of title IV-B, subparts 1 and 2 programs and, for States only, the CAPTA and CFCIP programs, must be included.
- The tentative allocations are based on the premise that all States and Indian Tribes will apply for and receive the funds available to them. In the event that not all States or Indian Tribes apply for or receive their tentative allocations, those funds will be redistributed among eligible States and Indian Tribes, where permitted by statute. States requesting additional funds in anticipation of such a redistribution should submit information on the proposed use of such additional funds to the appropriate Regional Office of the Administration for Children and Families in the State's/Tribe's APSR.
- When States or Tribes that have not applied for funds available to them in past fiscal year(s) decide to do so, depending upon the total amount of funds appropriated by Congress for the next fiscal year, there may be a reduction in the final distribution of funds.
- By signing this form the State/Tribal official assures that the State/Tribe will meet all applicable match requirements.

(Complete separate forms for each fiscal year)

This form summarizes the State Agency's and eligible Indian Tribal Organizations' estimated expenditures on Child and Family Services programs, including the Child Abuse Treatment and Prevention Act (CAPTA) programs and the Chafee Foster Care Independence Program (CFCIP) for the next year. This information is an integral part of the State Child and Family Services Plan and should be discussed by the ACF Regional Office and State Agency Representatives. States should list estimated expenditures and other information in the category that best fits their programs.

These services may include respite care for parents and other caregivers; early developmental screening of children to assess the needs of these children and assistance in obtaining specific services to meet their needs; mentoring, tutoring, and health education for youth; a range of center-based activities (informal interactions in drop-in centers, parent support groups); services designed to increase parenting skills; and counseling and home visiting activities.
