PROGRAM INSTRUCTION

TO: State, Tribal and Territorial Agencies Administering or Supervising the Administration of Title IV-B of the Social Security Act (the Act)

SUBJECT: Supplemental Disaster Relief Funding available under Title IV-B, Subpart 1 of the Act

LEGAL AND RELATED REFERENCES: Public Law (P.L.) 116-20, Additional Supplemental Appropriations for Disaster Relief Act of 2019; Title IV-B, Subpart 1 of the Act.

PURPOSE: The purpose of this Program Instruction (PI) is to provide guidance to state, territorial and tribal agencies administering title IV-B, subpart 1 on the actions required to apply for funding to address child welfare needs relating to disaster recovery in affected areas.

BACKGROUND: Public Law (P.L.)116-20 provided disaster relief funding for specific areas of the United States affected by Hurricanes Florence and Michael, Typhoon Mangkhut, Super Typhoon Yutu, and wildfires and earthquakes occurring in calendar year 2018, and tornadoes and floods occurring in calendar year 2019 for which a major disaster or emergency has been declared. P.L. 116-20 provided funding under a number of different federal programs, including \$5 million for the Stephanie Tubbs Jones Child Welfare Services (CWS) Program authorized under title IV-B, subpart 1 of the Act to address disaster recovery efforts relating to those programs. These funds are available to the identified states, territories and tribes that operated a title IV-B program in the affected areas in fiscal year (FY) 2019. This PI provides guidance on how to apply for these CWS Disaster Relief Funds.

INFORMATION ON CWS DISASTER RELIEF FUNDS:

Eligible Applicants: States, Territories, and Federally Recognized Indian Tribal Governments that operated a program under title IV-B, subpart 1 in FY 2019 in areas for which a major disaster or emergency has been declared and determined eligible, may apply for the CWS Disaster Relief Funds. Eligible applicants are listed in Attachment A. Please direct any

questions regarding eligibility to the appropriate Children’s Bureau (CB) Regional Office (RO) (see Attachment D).

Estimated allotments: Grants will be distributed by formula to all eligible title IV-B agencies that apply by the deadline. See Attachment A for estimated allotments. If any eligible applicants choose not to apply, funds will be reallocated by formula to all other eligible applicants approved for funding. The Administration for Children and Families (ACF) will use a modified title IV-B, subpart 1 formula to allot these CWS Disaster Relief funds. The modification creates a 5 percent set-aside of funds for the tribal agencies.

State and Territorial Title IV-B Agencies: Allotments to eligible states and territories that apply for funding will be awarded using the statutory formula specified in section 423 of the Act. ACF will use FY 2019 population data for the portion of the formula based on the population of children and youth under age 21 in the state.

Tribal Title IV-B Agencies: Funds will be distributed based on the proportional share of children and youth under age 21. ACF will use the tribal population data previously received and approved for the FY 2019 title IV-B grant awards to determine allotments.

Approved Geographic Areas: Funding must be spent in the geographic areas of states and tribal lands in which an eligible disaster declaration was made. This may or may not include the full state or tribal lands. Attachment C lists the eligible geographic areas.

Approved Activities: Title IV-B agencies must use these funds to address the needs of children and families in the areas affected by the disasters and the child welfare workforce supporting them, consistent with the statutory program purposes of title IV-B, subpart 1, as described in section 421 of the Act, as follows:

...to promote State flexibility in the development and expansion of a coordinated child and family services program that utilizes community-based agencies and ensures all children are raised in safe loving families, by –

1. protecting and promoting the welfare of all children;
2. preventing the neglect, abuse, or exploitation of children;
3. supporting at-risk families through services which allow children, where appropriate, to remain safely with their families or return to their families in a timely manner;
4. promoting the safety, permanence, and well-being of children in foster care and adoptive families; and
5. providing training, professional development and support to ensure a well-qualified child welfare workforce.

The U.S. Territories that consolidate title IV-B, subpart 1 funding into the consolidated block grant, as authorized by 45 CFR Part 97, may use their funds for any of the approved purposes of their consolidated block grants.

If requesting funds to purchase equipment, the recipient must request prior approval. When the equipment is no longer needed, the SF-428 Tangible Personal Property must be submitted. Please see the ACF Property, Property Reporting instruction at <https://www.acf.hhs.gov/grants/real-property-and-tangible-personal-property#chapter-5> and the ACF Property, Disposition instructions for Tangible Personal Property at <https://www.acf.hhs.gov/grants/real-property-and-tangible-personal-property#chapter-6>.

Project Period: The CWS Disaster Relief Funds must be used for expenditures made between the date of the covered storms and disasters in calendar years 2018 or 2019 and September 30, 2021. Funds must be liquidated no later than December 30, 2021. Please note that the law allows for funds to be used for obligations incurred prior to the date of the enactment of P.L. 116-20 on June 6, 2019, for child welfare activities related to the identified storms and disasters.

Match: There is no match requirement for the CWS Disaster Relief Funds.

Administrative Costs: While the title IV-B, subpart 1 grant normally limits expenditures on administrative costs to no more than 10 percent, that limitation is not applicable to CWS Disaster Relief Funds. There is no specific limit on the use of CWS Disaster Relief Funds for administrative costs.

Financial Reporting Requirements: Title IV-B agencies are required to submit an electronic SF-425 for the CWS Disaster Relief grant through the Payment Management System (PMS). For more information on gaining access to and using the PMS system, please contact the PMS Help Desk at 1- 877-614-5533 or for more information see <https://pms.psc.gov>.

Title IV-B agencies must submit the SF-425 for expenditures under the CWS Disaster Relief grant at the end of each 12-month period (October 1, 2019 - September 30, 2020 and October 1, 2020 – September 30, 2021) of the two-year expenditure period. Each report is due 90 days after the end of each federal fiscal year (December 29). The SF-425 covering the first 12-month budget period is the interim report and the report covering the entire grant period is the final report. Note that these reports must be submitted separately from reports filed for the Stephanie Tubbs Jones Child Welfare Services Program. The title IV-B agency must obligate the funds by September 30, 2021 and liquidate the funds by December 31, 2021. A negative grant award will recoup any unobligated and/or unliquidated funds reported on the final SF-425 for the CWS Disaster Relief grant.

INSTRUCTIONS: Each eligible title IV-B agency (listed on Attachment A) applying for funds must submit the following information to the CB by **no later than February 21, 2020**.

- *CWS Disaster Relief Funding Request Form:* Complete the CWS Disaster Relief Program Funding Request Form (Attachment B), signed by an authorized official from the state or tribe. Please include information for an agency contact for any programmatic questions on the submission. Funds will be allotted to all eligible applicants that apply.

- *CWS Disaster Relief Funding Narrative.* Provide a brief narrative (no more than five pages) outlining how funds will be used to address child welfare disaster relief needs in the areas of the state/territory/tribal service area affected by Hurricanes Florence and Michael, Typhoon Mangkhut, Super Typhoon Yutu, wildfires and earthquakes occurring in calendar year 2018, and tornadoes and floods occurring in calendar year 2019 in those areas for which a major disaster or emergency has been declared. The funds may be used for any of the program purposes, consistent with the specifications described in section 421 of the Act.
- *Submissions:* Submit the CWS Disaster Relief Funding Request Form (Attachment B) and the CWS Disaster Relief Funds Narrative electronically (by email) to the appropriate Children’s Bureau Regional Office (see Attachment D for list of Regional Program Managers).
- *Progress Reporting:* Title IV-B agencies will also be required to provide an update on their use of these funds and accomplishments in the Annual Progress and Services Report (APSR) submissions that will be due on June 30, 2021 and June 30, 2022.

Paperwork Reduction Act:

Under the Paperwork Reduction Act of 1995 (P.L. 104-13), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. The Control Number for this OMB approved information collection is 0970-0426, approved through January 31, 2021.
