### PROGRAM INSTRUCTION

**TO:** Family Violence Prevention and Services Act Grantees, State Administrators, Tribes, Tribal Organizations, and State Domestic Violence Coalitions

**SUBJECT:** FY 2021 American Rescue Plan Supplemental Funding

### INSTRUCTION:

On March 11, 2021, President Biden signed into law the [American Rescue Plan Act of 2021 \(ARP\)](#), a \$1.9 trillion economic stimulus bill designed to speed up America’s recovery from the economic and health effects of the COVID-19 pandemic. With the passage of this bill, the Family Violence Prevention and Services Act (FVPSA) has received an historic investment in domestic violence shelters, supportive services, tribes, and culturally specific programs. For FVPSA, Section 2204 provides a total of \$200 million to remain available until expended through September 30, 2025, for the following:

- \$180 million in funding for all FVPSA grant programs, both formula and discretionary grant programs.
- \$18 million in additional funding for FVPSA grants to tribes and tribal organizations.
- \$2 million for the National Domestic Violence Hotline, including allocation of funds to the StrongHearts Native Helpline.

All existing FVPSA grantees are eligible to receive additional funds to continue efforts to prepare, prevent, and respond to the COVID-19 public health emergency.

### **FVPSA ARP Supplemental Funding Grant Awards Allocations**

The FVPSA Program determined award amounts for the ARP supplemental funding using the following formula and allocation requirements authorized in accordance with 42 U.S.C. § 10403(a)(2) of FVPSA.

- 70% to states for 56 grantees reaching 1,600 domestic violence programs (subaward grants);
- 10% to tribes and tribal organizations for 144 grantees, which reaches 252 tribes;
- 10% to state domestic violence coalitions for 56 grantees;

- 6% for training and technical assistance resource centers/capacity building centers;
- 1.5% for Specialized Services for Abused Parents and their Children (SSAPC); and
- 2.5% for FVPSA Program administration and supplemental award monitoring.

**Hotline ARP Supplemental Award Allocation:** The ARP authorized \$2,000,000 for the National Domestic Violence Hotline; with the special condition that 50% of the \$2,000,000 is allocated to the StrongHearts Native Helpline as a \$1,000,000 subaward.

### **Match Requirements**

Congress appropriated ARP supplemental funds for FVPSA states, tribes, state domestic violence coalitions, and sub awardees without regard the matching requirements of 42 U.S.C. § 10406(c)(4). **No match is required for these supplemental grant awards or subawards.**

### **Project Period**

The project period for all FVPSA ARP supplemental awards is March 15, 2021 through September 30, 2025.

Please note that retroactive pre-award costs that have been occurred from March 15, 2021, through May 20, 2021, in response to the COVID-19 public health emergency are allowed.

This allowance is in accordance with OMB memo [M21-20](#), Promoting Public Trust in the Federal Government through Effective Implementation of the American Rescue Plan Act and Stewardship of the Taxpayer Resources, pre-award guidance which states: “Awarding agencies may allow necessary pre-award costs that are incurred: (i) from March 15, 2021, through the Public Health Emergency Period; and (ii) prior to the effective date of a Federal award.”

### **Supplemental Funds to Continue the Continuity of Domestic Violence Services and Response to COVID-19**

All existing FVPSA grantees are eligible to receive additional funds to continue efforts to prepare, prevent, and respond to COVID-19. Each grantee will receive a supplemental grant award in accordance with the funding allocation authorized in FVPSA section 42 U.S.C. § 10403(a)(2).

The purpose of these supplemental funds is the same as that of the ARP funds: to prevent, prepare for, and respond to COVID-19. Within these parameters, grantees have flexibility to determine which services best support the needs of children and families experiencing family violence, domestic violence, and dating violence.

### **ARP Supplemental Funding Grant Award Applicant Process**

The FVPSA Program is implementing a streamlined application process for all FVPSA grantees to receive ARP supplemental funding. FVPSA ARP grant recipients are required to submit post-award documents related to the funding. Post-award documents consist of a supplemental funding verification statement, a use of funds narrative, [SF 424-A](#) budget forms, budget narrative, performance progress reports and financial reports.

In order to receive FVPSA ARP supplemental funding, all existing FVPSA grantees must submit a brief statement within 45 days of receiving funding about the use of funds. This statement must verify that the FVPSA grantee is in a position to:

1. Use these funds to provide shelter, temporary housing, supportive services, information and assistance to adult and youth victims of family violence, domestic violence, or dating violence, family and household members of such victims, and persons affected by the victimization, including provision of same to support Indian communities; and
2. Accept a supplemental award and the terms and conditions for the allowable use of funds.

Acceptance and implementation of the FVPSA ARP supplemental funding must be in compliance with the FVPSA Term and Conditions and the Allowable Use of Funds, available at <https://www.acf.hhs.gov/fysb/grants>. Please note that funds are to remain available until expended, or by September 30, 2025, at which time, all FVPSA ARP supplemental funding recipients are required to submit a final report.

### **ARP Supplemental Award Dissemination Timeline**

The FVPSA Program is implementing a streamlined application process for all FVPSA grantees to receive ARP supplemental funding:

- This process will allow all states, tribes, coalitions, resource centers, SSAPC grantees, and the National Domestic Violence Hotline to first receive their supplemental funding on May 20, 2021, and then submit a brief narrative, budget, and budget narrative within 45 days.
- On May 20, 2021, the FVPSA Program will release Program Instructions and application guidance via email to all FVPSA grantees. All information will be posted on the FVPSA Program's website (<https://www.acf.hhs.gov/fysb/grants>).
- On May 20, 2021, the ACF Office of Grants Management will issue ARP Notice of Awards via email and will release supplemental funding for all existing FVPSA grantees electronically via the HHS Payment Management System.
- On May 21, 2021, ARP supplemental funding for all existing grantees will be available for immediate drawdown. These funds will remain available until expended and through the end of FY 2025.

### **ARP Supplemental Funding Deadlines**

- **By July 7, 2021, at 6:00PM ET**, the ARP supplemental funding brief statement must be uploaded at <http://www.GrantSolutions.gov>. This statement verifies that the state agency, tribe, or domestic violence coalition is in a position to: 1) use these funds to provide services for those affected by COVID-19 in accordance with FVPSA; and 2) accept a supplemental award.
- **By July 7, 2021, at 6:00PM ET**, FVPSA formula grantees including states, tribes, and coalitions will need to upload the ARP Supplemental Funding Budget and Budget Narrative to Grant Solutions (within Online Data Collection System (OLDC) for formula grantees) at <http://www.GrantSolutions.gov>. This budget and budget narrative explain how the supplemental funding will be used. Please note that use of funds must be in alignment with the Allowable Use of Funds for ARP supplemental funding, available at <https://www.acf.hhs.gov/fysb/grants>.

### **ARP Supplemental Funding Reporting Requirements**

**Supplemental Funding Reporting for Formula Grantees.** All FVPSA formula ARP supplemental grant recipients are required to submit annual performance progress reports and financial reports. By December 30, 2025, at 6:00 p.m. ET, the FVPSA ARP Supplemental Funding Final

Report must be uploaded to GrantSolutions located at <https://GrantSolutions.gov/>. This report will detail the implementation and allocation of the FVPSA ARP supplemental funding your organization received.

## **FVPSA ARP Progress Reporting Instructions for States, Tribes, and State Domestic Violence Coalitions**

The American Rescue Plan provides \$117,250 million in one-time funding in fiscal year (FY) 2021 for states to subgrant to local domestic violence shelters. FVPSA grant awards to the states, the District of Columbia, and the Commonwealth of Puerto Rico are based on a population formula. State populations are determined on the basis of the most recent census data available to the Secretary of HHS, and the Secretary shall use for such purpose, if available, the annual current interim census data produced by the Secretary of Commerce pursuant to 13 U.S.C. § 181.

For the purpose of computing allotments, the statute provides that Guam, American Samoa, the U.S. Virgin Islands, and the Commonwealth of the Northern Mariana Islands will each receive grants of not less than one-eighth of one percent of the amount appropriated for formula grants to states (42 U.S.C. § 10405(a)(1)).

In the distribution of FVPSA grant funds, the state must ensure that not less than 70 percent of the funds distributed are used for the primary purpose of providing immediate shelter and supportive services to adult and youth victims of family violence, domestic violence, or dating violence, and their dependents; not less than 25 percent of the funds will be used for the purpose of providing supportive services and prevention services (42 U.S.C. § 10408(b)(2)); and not more than 5 percent of the FVPSA grant funds may be used for state administrative costs (42 U.S.C. § 10406(b)(1)).

This supplemental award provides flexibility in how you use the funding to prevent, prepare for, and respond to the COVID-19 public health emergency as needs evolve within your community. Funding may support a wide range of in-scope activities including counseling, mobile advocacy, telehealth, peer support, shelter and temporary housing, rental assistance and nominal relocation expenses, supplies, and equipment and software to assist in carrying out remote services.

### **Tribes Supplemental Awards Formula**

The American Rescue Plan provides \$34.75 million in one-time funding in FY 2021 for supplemental grants to tribes receiving FVPSA funding. In computing tribal allocations, ACF will use the latest available population figures from the Census Bureau. Where Census Bureau data are unavailable, ACF will use figures from the Bureau of Indian Affairs (BIA) Indian Population and Labor Force Report, which is available at <https://www.bia.gov/WhatWeDo/Knowledge/Reports/index.htm>. If neither of these sources has a population figure for the tribe, the tribe shall submit a certified population number. The formula has two parts: the tribal population base allocation and a population category allocation. Base allocations are determined by a tribe's population and a fund allocation schedule.

### **State Domestic Violence Coalition Formula**

Of the amount appropriated according to 42 U.S.C. § 10403(a)(1) of the FVPSA and which is not reserved under 42 U.S.C. § 10403(a)(2)(A)(i), 10 percent will be available to fund one coalition in each of the 50 states, the Commonwealth of Puerto Rico, the District of Columbia, and in each of the U.S. Territories (Guam, U.S. Virgin Islands, Commonwealth of the Northern Mariana Islands, and American Samoa).

### **Match**

Congress appropriated these funds for FVPSA states, tribes, coalitions, and sub-awardees without regard of matching requirements in 42 U.S.C. § 10406(c)(4); therefore, **no match is required for these funds**.

## Supplemental Award Project Period

The project period for this supplemental funding is March 15, 2021, through September 30, 2025.
