Purpose

The [Coronavirus Aid Relief and Economic Security \(CARES\) Act, P.L. 116-136](#) provides \$45 million in one-time funding in fiscal year (FY) 2020 to supplement the Family Violence Prevention and Services Act state domestic violence coalitions to prevent, prepare, and respond to the coronavirus (COVID-19) public health emergency. State domestic violence coalitions provide education, support, and technical assistance to domestic violence service providers to enable the providers to establish and maintain shelter and supportive services for victims of domestic violence and their dependents; and to serve as an information clearinghouse, primary point of contact, and resource center on domestic violence for the state; and support the development of policies, protocols, and procedures to enhance domestic violence intervention and prevention in the State in relation to the COVID-19 public health emergency.

Supplemental Funding Summary

The CARES Act appropriated \$45 million for states, Tribes, and state domestic violence coalitions to provide temporary housing, assistance, and supportive services to victims of family, domestic, and dating violence in response to the COVID-19 public health emergency.

The Family and Youth Services Bureau has determined grantee award amounts using the following formula and allocation requirements authorized in accordance with according to 42 U.S.C.§10403(a)(2) of the Family Violence Prevention and Services Act (FVPSA):

- 77.5% States for 56 grantees reaching 1,600 domestic violence programs;
- 10% Tribes for 144 grantees that reaches 252 Tribes;
- 10% Domestic Violence Coalitions for 56 grantees; and
- 2.5% FVPSA Program Administration and Supplemental Award Monitoring.

State Coalitions Supplemental Awards Allocation

The CARES Act appropriated funds according to 42 U.S.C.§10403(a)(1) of the FVPSA, under which 10 percent will be available to supplement one coalition currently receiving FVPSA funds in each of the 50 states, the Commonwealth of Puerto Rico, the District of Columbia, and in each of the U.S. Territories (Guam, U.S. Virgin Islands, Commonwealth of the Northern Mariana Islands, and American Samoa).
