

## Procedures to Access and Submit the Real Property Standard Form (SF)-429 Electronically

### How to Submit Forms

To access and submit the SF-429 forms, please log in to [www.grantsolutions.gov](http://www.grantsolutions.gov). Navigate to the forms according to the instructions provided in the guides and training recordings.

#### *Guides and Training Recordings*

The training recordings and guides detail the step-by-step process to logging in, navigating to, and completing the forms. The materials are stored on the GrantSolutions site and located in one of two places, dependent upon how you access the system. For example, grantees with access to GrantSolutions Grants Management Module (GMM) will find the materials under the GrantSolutions Help/Support link. All others will find these materials under the OLDC News and Tips link.

#### *Accessing the Forms*

To access the forms, please utilize the guides and trainings applicable to the SF-429 attachment being submitted because the instructions are slightly different. Once data is entered and saved for each section, the entire form must be validated. Validation checks the form for errors and missing data.

If the report status is **Saved with Errors**, an error message appears at the top of the Report screen. The errors must be corrected and the form revalidated.

If the status is **Saved with Warnings**, the warnings can either be corrected or the form can still proceed through the approval process.

If the status is **Saved—Validated**, there are no warnings or errors and the form can proceed through the approval process.

After the entire form is successfully saved and validated with no errors, the form can be certified and submitted by a user with these permissions. Please refer to the guides. Once submitted,

the assigned grants specialist will review the form. Depending on the review, the grant specialist may follow up with questions or request additional supporting documentation.

## **Description of Forms**

The status of real property purchased, constructed, or subject to major renovations paid for in whole or in part with federal Child Care and Development Fund (CCDF) funds must be reported annually on form SF-429-A. Attachments SF-429-B and SF-429-C are required only when a grantee requests approval of actions related to real property as noted on each attachment. General facilities guidance is available in CCDF-ACF-PI-2016-05. Please carefully read the instructions accompanying SF-429 and its attachments when filing to ensure that forms are accurate and complete. A description of each required form follows.

**SF-429 Cover Page** must accompany all reports and requests.

The cover page provides recipient (grantee) information. Include the SF-429 cover page when submitting each form.

**SF-429-A General Reporting** must be submitted annually on the same date the grantee's annual ACF-696T Financial Report for the budget period is due (i.e., by December 29). A separate Attachment A is required for every parcel of real property subject to a federal interest as defined in 45 CFR § 98.84.

**SF-429-B Request to Acquire, Improve, or Furnish** must be submitted along with the additional information required by 45 CFR § 98.84 whenever a grantee is seeking ACF approval to use Child Care and Development Fund (CCDF) funds to engage in construction or major renovation of facilities as defined in 45 CFR § 98.2 and 98.84. This form may only be used to request CCDF funds to improve (i.e., construct or renovate) child care facilities; CCDF funds cannot be used to acquire or purchase facilities. Information included in SF-429-B can be cross-referenced if also required by 45 CFR § 98.84.

**SF-429-C Disposition or Encumbrance Request** must be submitted at closeout and whenever a grantee is seeking ACF approval to sell, transfer, or encumber property subject to a federal interest, including the refinancing of existing indebtedness and subordination of a federal interest to the rights of a lender under 45 CFR § 98.84. SF-429-C implements the requirements for grantees making requests for disposition of real property under 45 CFR § 98.84 (d). Any use of real property subject to a federal interest as collateral for a loan or mortgage requires prior approval, and an encumbrance includes any use of property subject to a federal interest as collateral for future borrowing. CCDF-ACF-PI-2016-05 remains in effect and provides a simplified disposition process for older modular units.

If you have any technical issues with the system, please contact the GrantSolutions Help Desk and copy your assigned grant specialist. If you have specific content-related questions about SF-429, please direct these questions to your Regional Program Manager in the appropriate Regional Office.
