PROGRAM INSTRUCTION

TO: Child Care and Development Fund (CCDF) Tribal Lead Agencies and Other Interested Parties

SUBJECT: Child Care and Development Fund (CCDF) Tribal Annual Report Form ACF-700 for Tribal Lead Agencies

REFERENCES: The Child Care and Development Block Grant (CCDBG) Act of 1990, as amended (42 USC 9857, et seq.); regulations at 45 CFR 98.70(c).

PURPOSE: This Program Instruction is a reminder to Tribal Lead Agencies of the CCDF annual reporting requirements (i.e., ACF-700), consistent with the terms and conditions of the CCDF program.

BACKGROUND: Tribal aggregate information on services provided under the CCDF must be submitted annually, as required by the CCDF regulations at 45 CFR 98.70(c).

The CCDF ACF-700 Annual Report consists of two required Parts:

- 1) Administrative Data, and
- 2) Tribal Narrative.

The Administration for Children and Families' (ACF) form ACF-700 Tribal Annual Report collects information on all children and families receiving direct CCDF-funded child care services during the period October 1, 2016 through September 30, 2017 (i.e., Federal Fiscal Year (FFY) 2017). Part 1 of the ACF-700 collects administrative data on any services funded by CCDF Tribal Mandatory or Discretionary funds. The data reflect services provided during FFY 2017 regardless of whether the services were paid for with FFY 2017 funds or prior years' CCDF funds. For example, all services provided during FFY 2017

that are paid for with FFYs 2015, 2016 or 2017 CCDF funds (i.e., Tribal Mandatory and Discretionary, including funds for resource and referral and school-age care) are to be reported.

In addition, if a program uses other non-CCDF funds to further support direct child care services for the children being reported on the ACF-700, Tribes should indicate the use of those funds and identify the funding source in the “Comments” field of the ACF-700 report.

The Tribal Narrative (Part 2) requests descriptions of the results of specific CCDF-funded activities available at the Tribal Lead Agency’s service area during FFY 2017.

WHO MUST REPORT:

All Tribal Lead Agencies (i.e., Tribes, Tribal organizations, and Tribal consortia) that received FFY 2017 (or prior year) CCDF funds—**and** expended any of these funds during FFY 2017—**must** submit a complete Tribal Annual Report Form ACF-700 (i.e., Parts 1 & 2) by December 31, 2017. It is each Tribal Lead Agency’s responsibility to ensure that child care program data are collected and reported to the Office of Child Care in a timely manner each year. NOTE: CCDF-funded grantees that receive funding under Pub.L. 102-477 are **not** required to submit the ACF-700 to the Office of Child Care.

PENALTIES FOR NON-REPORTING:

The statute provides that the Secretary of Health and Human Services may impose sanctions on a Lead Agency for non-compliance with any requirement of the CCDF program [CCDBG Act, Section 658I(b)(2)(B); 42 USC 9858g(b)(2)(B)]. For example, the regulations provide that the Secretary may impose a penalty of not more than 4 percent of the discretionary funds for a fiscal year, if it is determined that a Lead Agency has failed to implement a provision of the Act, the regulations, or the Lead Agency’s Plan (45 CFR 98.92(b)(2)). Tribal Lead Agencies failing to provide reports may be subject to this penalty or other sanctions.

DATA USES:

The data received through this collection provides the Office of Child Care with the means to analyze and evaluate the CCDF program and the extent to which Tribal Lead Agencies are assisting families in addressing child care needs. This information will provide ACF with data for its biennial report to Congress, and will help to inform technical assistance efforts to assist grantees.

GUIDANCE FOR REPORTING: The *Tribal Annual Report: Guide for CCDF Tribal Lead Agencies* (ACF-700 Help Guide) contains detailed guidance for completing and submitting the CCDF ACF-700 Tribal Annual Report. The Guide is available on the Office of Child Care’s website at: <http://www.acf.hhs.gov/occ/resource/tribal-annual-report-guide-for-ccdf-tribal-lead-agencies> under the heading “Additional Information and Help Available.”

DUE DATE: The CCDF ACF-700 Tribal Annual Report for FFY 2017 is due by December 31, 2017.

ACF-700 SUBMISSION: CCDF Tribal Lead Agencies are required to submit both parts of the ACF-700 Tribal Annual Report: 1) Administrative Data, and 2) Tribal Narrative. Tribal Lead Agencies should enter their ACF-700 reports at the Office of Child Care Internet submission site at <https://extranet.acf.hhs.gov/acf700/login/login700.jsp>. This page contains a password-protected web-based form that checks the data for compliance with data standards at the time of submission. These built-in edit-checking features make it easier for Tribal Lead Agencies to identify and correct errors. Use of the paperless Internet data entry site streamlines submission processing and improves data quality. With electronic submission of the ACF-700 report, it is not necessary to also send a paper copy of the report via mail or fax. Tribal Lead Agencies should however, notify their ACF Regional Office of Child Care staff when they have completed their electronic submissions.

The submission web page requires a login and password. Some Tribal Lead Agencies have already designated individuals to access the ACF-700 Data Submission Center. The login and password carry over to each new reporting period making it unnecessary to register each year to use the submission site.

To register new staff or otherwise modify registration information, submit the ACF-700 Internet Submission Registration Form (found in Appendix B of the attached ACF-700 Help Guide) by email, mail, or fax to:

PAPERWORK REDUCTION ACT:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The information collection required under this Program Instruction is approved under OMB Number 0970-0430, which expires on November 30, 2019.

Your help in providing timely and accurate data about the valuable child care services you provide children and families in your Tribe or Tribal organization through the CCDF is very much appreciated. These data help to document the important work that you do and are essential for demonstrating the accomplishments of Tribal child care programs.
