Website	http://tmbci.org/programs/?program_id=70

Grant Goals

Program Vision	Turtle Mountain parents and children will learn, develop and grow to realize their full potential and thrive together in a culturally-connected community.
Program Goals	(1) Increase caregiver involvement in children's care and development. (2) Increase children's attainment of early childhood development milestones. (3) Connect families with supportive community/cultural resources.

Implementation Context

State	North Dakota
Location of Community	Rural Reservation
Population Served	Pregnant or parenting primary caregivers of Native children, who reside within Rolette County.
Ages of Children Served	Prenatal to kindergarten entry
Model	Parents as Teachers
Other Program Components	(1) Supplement: Implementation of the Parents as Teachers model with cultural enhancements added through individual and group activities such as integration of traditional stories and connections with Tribal and community cultural events. (2) Supplement: Utilization of the Parents as Teachers developed Money Matters Young Families workbook for finances that addresses family financial literacy.
