## Low Income Household Water Assistance Program

### Dear Colleague Letter

**DCL#:** LIHWAP-DCL-2023-14  
**DATE:** May 5, 2023  
**TO:** Low Income Household Water Assistance Program Grant Recipients  
**SUBJECT:** LIHWAP FY23 Quarter 1 Report  
**ATTACHMENT(S):** N/A

---

Dear Colleagues,

The purpose of this Dear Colleague Letter (DCL) is to notify Low Income Household Water Assistance Program (LIHWAP) grant recipients, partners, stakeholders, and other interested parties that the [LIHWAP Data Dashboard](#) has been updated state, tribal and territory data for the first quarter of fiscal year 2023. The LIHWAP Data Dashboard is an information management tool that visually tracks, analyzes, and displays key performance indicators, as well as key data points from the approved LIHWAP Implementation Plans and the LIHWAP quarterly and annual reports. This data provides information on assistance provided between October 2022 through December 2022.

The purpose of collecting the quarterly reports is to obtain benefit data from all grant recipients as the program is implemented and executed in near real-time. This data will be used by OCS to analyze how grant recipients have chosen to implement LIHWAP and address the water affordability needs of low-income households.

Thank you for your attention to these matters. OCS looks forward to continuing to provide high-quality services to OCS partners.
