SUBJECT: SSBG States and Territories Consolidated Grant FY 2022 4th Quarter

ATTACHMENT(S): [SSBG and CBG FY 2022 4th Quarter Allocations and Chart](#)

Dear Colleagues:

The purpose of this message is to provide the Social Services Block Grant (SSBG) and Consolidated Block Grant/SSBG grant recipients with notice of the 4th quarter awards and allocations for Federal Fiscal Year (FFY) 2022.

The SSBG fourth quarter funds were released today to all SSBG states and territory grant recipients to provide funding for the period from July 1, 2022 through September 30, 2022. For planning purposes, attached is an SSBG allocation chart, inclusive of the Consolidated Block Grant for territories. Expenditures are available as identified by the state's or territory's plan under Title XX of the Social Security Act.

In the coming days, state and territory program contacts will receive a courtesy copy of the Notice of Award (NOA) from your respective SSBG analyst. NOAs are disseminated by the Office of Grants Management (OGM) to the program authorizing official, and the listed program contact on the application for federal assistance, the standard form (SF)-424M. The SSBG program office sends courtesy copies in response to additional contacts identified in prior years to require the NOA for operations. Should you have questions, please reach out to the responsible program analyst covering your region. You may also send correspondence to SSBG@acf.hhs.gov.

We appreciate your hard work and dedication to the social services and activities supported with these resources. Thank you for your continued partnership and cooperation with the Department of Health and Human Services (HHS) and Administration for Children and Families

(ACF) as we work together to continue providing quality service to vulnerable individuals, children, and families.

Thank you for your attention to these matters. OCS looks forward to continuing to provide high-quality services to OCS partners.
