ATTACHMENT(S): [FY 2024 Second Half of 1st Quarter Allocation Chart](#)

Dear Colleagues:

The purpose of this message is to provide the Social Services Block Grant (SSBG) and Consolidated Block Grant (CBG) recipients with an update on the allocations for Federal Fiscal Year (FFY) 2024. Today's release is the second and final, first quarter award covering November 18, 2023, through December 31, 2024. Notices of Awards are being distributed, concurrently, with this update. For planning purposes, attached is an SSBG allocation chart for the 1st quarter funds for this period.

A partial first quarter release was awarded to grant recipients with accepted plans in November 2023 for the period covering October 1, 2023, to November 17, 2023 under the temporary budget measure at that time.

SSBG is available to all states, Washington, D.C., Puerto Rico, and the related CBG to U.S. territories: American Samoa, Commonwealth of the Northern Mariana Islands, Guam and the U.S. Virgin Islands. SSBG and CBG awards are disbursed under the provisions set in Title XX of the Social Security Act, as amended. States and territories with incomplete plans may access their allotments upon finalization of applications and assurances, as required by law.

We appreciate the partnership and dedication to the social services and activities supported with these resources for children, families and older adults, including individuals with disabilities. State officials may contact their [analysts with questions](#) and via SSBG@acf.hhs.gov.

Thank you and we look forward to continuing to provide quality services to states, territories and communities.
