

How to Enroll in Your Local Diaper Distribution Pilot Program

→ **Connecticut Association for Community Action (CAFCA)**
Serving Connecticut

■ = counties served by CAFCA

Please see the listing below to find the agency that serves your county

How can CAFCA help my family?

- Families can receive diapers every month.
- Once enrolled in the diaper program, families can access various services including home heating and utility assistance; housing assistance; employment services; application assistance; and food, clothing, or other basic needs assistance and case management services.

Families should contact their local community action agency (CAA) to be enrolled in the program or added to the waitlist – families are not enrolled on the day of distributions. The income eligibility for families is at or below 200% of the federal poverty level (FPL). Once enrolled, families will be alerted to distribution dates and sites, *then* families are expected to pick up diapers. To participate, families also agree to receive additional case management and wraparound services that will be coordinated with CAA staff.

Children under the age of three and enrolled in agency early care and education programs such as Early Head Start, Head Start, and subsidized child-care programs take precedence for DDDRDP enrollment.
