

**Table III-7. Percent of Assisted Households, Classified by 2018 HHS Poverty Guideline Intervals, by Type of LIHEAP Assistance, Nationally, FY 2019<sup>i</sup>**

<b>2018 HHS Poverty Guideline Intervals<sup>ii</sup></b>	<b>Heating Assistance<sup>iii</sup></b>	<b>Cooling Assistance<sup>iv</sup></b>	<b>Winter Crisis Assistance</b>	<b>Year-Round Crisis Assistance</b>	<b>Summer Crisis Assistance</b>	<b>Weatherization Assistance</b>
Under 75%	36.7%	41.3%	43.6%	50.9%	51.9%	24.1%
75%-100%	28.1	32.9	23.1	21.3	24.8	18.2
101%-125%	16.5	15.7	15.1	12.9	13.9	16.0
126%-150%	10.0	7.4	9.9	8.7	8.1	14.5
Over 150%	8.7	2.8	8.3	6.2	1.3	27.2

<sup>i</sup> These data are derived from the LIHEAP Household Report for FY 2019. These data are current as of September 15, 2020. National percentages are calculated for those states that reported complete data, by type of LIHEAP assistance. Table A-1 in Appendix A indicates the percentages of assisted households for which uniform data are provided. Uniform data on households classified by intervals of the 2018 HHS Poverty Guidelines (HHSPG) was 100 percent for all types of assistance. Percent distributions may not add up to 100 percent across income levels due to rounding.

<sup>ii</sup> Poverty percentages are computed using gross household incomes adjusted by household size. However, there are states that use net household income in determining income-eligibility. For those states, the distribution of poverty percentages could be skewed towards the higher end of the poverty level.

<sup>iii</sup> Virginia's count of heating assisted households by poverty level was based on the most recent poverty level classification available for FY 2019 beneficiary households at the time the FY 2019 Household Report was completed, rather than the classification at the time of client application in FY 2019.

<sup>iv</sup> Virginia's count of cooling assisted households by poverty level was based on the most recent poverty level classification available for FY 2019 beneficiary households at the time the FY 2019 Household Report was completed, rather than the classification at the time of client application in FY 2019.

Wyoming	8,132	23.6%	22.6%	17.7%	15.6%	20.6%

<sup>i</sup> The data in this table are current as of September 15, 2020.

<sup>ii</sup> Percentage distributions may not add up to 100 percent across income levels due to rounding.

<sup>iii</sup> Households in winter fuel crisis situations (Alaska, Kansas, Massachusetts, New Hampshire, Washington) or year-round fuel crisis situations (Maryland) received expedited heating assistance.

<sup>iv</sup> The following states provided nominal benefits for SNAP households and reported the number of households assisted. These households are not included in the household counts reported in the table: Connecticut, 81,514 - \$20.01 benefits; Maine, 8,017 - \$21 benefits; Massachusetts, 115,540 - \$21 benefits; Michigan, 85,401 - \$20.01 benefits; Montana, 953 - \$25 benefits or 5% of the amount of a regular LIHEAP benefit; New York, 277,089 - \$21 benefits; Oregon, 43,324 - \$21 benefits; Pennsylvania, 280,840 - \$21 to \$24 benefits; Rhode Island, 24,387 - \$20.01 benefits; Washington, 212,144 - \$20.01 benefits.

<sup>v</sup> Counts and the percentage distributions include households that received combined heating and cooling assistance in Nevada and households that received energy assistance in Hawaii, where no differentiation is made between heating and cooling assistance. These states reported these households under heating assistance.

<sup>vi</sup> The following state provided non-emergency heating repairs or replacements to households as part of their heating assistance benefits. These households are included in the heating assistance counts in the table: Nebraska (1).

<sup>vii</sup> Virginia's count of heating assisted households by poverty level was based on the most recent poverty level classification available for FY 2019 beneficiary households at the time the FY 2019 Household Report was completed, rather than the classification at the time of client application in FY 2019.

<sup>i</sup> The data in this table are current as of September 15, 2020. A designation of "--" indicates that the data are not applicable for states that did not provide separate winter crisis assistance.

<sup>ii</sup> Percentage distributions may not add up to 100 percent across income levels due to rounding.

<sup>iii</sup> Households in winter fuel crisis situations received expedited heating assistance in Alaska, Kansas, Massachusetts, New Hampshire, and Washington.

<sup>iv</sup> The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: Alaska (34), California (4,155), Colorado (1,694), District of Columbia (70), Idaho (43), Illinois (904), Indiana (101), Iowa (854), Maine (25), Maryland (340), Michigan (785), Minnesota (4,954), Mississippi (1,560; done on an emergency or non-emergency basis), Missouri (59), Montana (985), New Jersey (881), New York (2,346), North Dakota (1,038), Ohio (131), Oregon (215), Pennsylvania (8,533), Rhode Island (377), South Carolina (184), South Dakota (544), Texas (1,326), Utah (485), Vermont ([furnace repair/replacement – 332] and [tank replacement – 131]), Virginia (2,515), Washington (406), West Virginia (984), Wisconsin (720), and Wyoming (358).

<sup>v</sup> 8,455 of the households assisted by Connecticut's winter crisis assistance program also received Safety Net Assistance.

<sup>vi</sup> Florida's winter crisis assistance counts exclude 662 households that received other crisis assistance; including blankets, fans, heaters, or minor energy related repairs; and 96 households that received weather related assistance

<sup>vii</sup> Indiana's winter crisis assistance counts exclude 149 households that received emergency services.

<sup>viii</sup> Households in winter fuel crisis situations received expedited heating assistance in Massachusetts. Funding obligated to these households was reported under heating assistance but the household counts were reported under winter crisis assistance.

<sup>ix</sup> Washington's winter crisis assistance count excludes 1,296 households that received Rental Assistance and 40 households that received other emergency services.

Wyoming <sup>iii</sup>	0	--	--	--	--	--

<sup>i</sup> The data in this table are current as of September 15, 2020. A designation of "--" indicates that the data are not applicable for states that did not provide separate year-round crisis assistance.

<sup>ii</sup> Percentage distributions may not add up to 100 percent across income levels due to rounding.

<sup>iii</sup> The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: Alaska (34), California (4,155), Colorado (1,694), District of Columbia (70), Idaho (43), Illinois (904), Indiana (101), Iowa (854), Maine (25), Maryland (340), Michigan (785), Minnesota (4,954), Mississippi (1,560; done on an emergency or non-emergency basis), Missouri (59), Montana (985), New Jersey (881), New York (2,346), North Dakota (1,038), Ohio (131), Oregon (215), Pennsylvania (8,533), Rhode Island (377), South Carolina (184), South Dakota (544), Texas (1,326), Utah (485), Vermont ([furnace repair/replacement – 332] and [tank replacement – 131]), Virginia (2,515), Washington (406), West Virginia (984), Wisconsin (720), and Wyoming (358).

<sup>iv</sup> California's year-round crisis assistance count excludes 549 households served with the state's Severe Weather Energy Assistance and Transportation Services (SWEATS).

<sup>v</sup> Households in year-round fuel crisis situations received expedited heating assistance in Maryland.

<sup>vi</sup> Nebraska's year-round crisis assistance count excludes 549 households that received deposit assistance.

<sup>vii</sup> Nevada's year-round crisis assistance count excludes 12 households assisted through the state's Crisis Intervention Program.

<sup>viii</sup> South Carolina's year-round crisis assistance count excludes 92 households that received window air conditioners.

<sup>ix</sup> Wisconsin's year-round crisis assistance count excludes 5,804 households that received assistance through the Keep WI Warm Fund.
