

LIHEAP Report to Congress for Fiscal Year 2017: Part III. Household Data
Supplemental Tables: Assisted Households by Vulnerability

Table III-8. Percent of assisted households with at least one member who is elderly, disabled, or a young child by type of assistance, nationally, FY 2017ⁱ

Type of vulnerable household	Heating assistance	Cooling assistance	Winter crisis assistance	Year-round crisis assistance	Summer crisis assistance	Weatherization assistance	Any type of assistance ⁱⁱ
Elderly	37.0%	39.8%	23.7%	25.3%	29.2%	46.6%	35.4%
Disabled	39.4	50.0	36.3	34.2	41.9	32.1	39.6
Young child	17.9	16.7	22.6	27.4	20.6	15.1	18.5
Elderly, Disabled or Young Child	69.8	77.1	62.7	68.2	69.4	71.2	69.2

ⁱ These data are derived from the *LIHEAP Household Report for FY 2017*. They are current as of August 10, 2018. (1) Definitions of “elderly,” “disabled,” and “young child” are as follows: “elderly” refers to a person who is 60 years old or older, “disability” varies from state-to-state, and “young child” refers to a person who is five years old or younger. A household could have members that were reported in more than one of the three groups of vulnerable households. (2) National percentages are calculated for those states which reported complete data, by type of LIHEAP assistance. Table A-1 in Appendix A indicates the percentages of assisted households for which uniform data are provided. Uniform data on households classified as vulnerable ranged was 100 percent for all types of assistance (heating, cooling, winter crisis, year-round crisis, summer crisis, and weatherization assistance) and for any type of assistance.

ⁱⁱ West Virginia’s unduplicated count of households receiving any type of assistance excludes households who only received Emergency Furnace Repair and Replacement and/or Weatherization Assistance because the state has not developed procedures for comparing LIHEAP bill payment assistance recipients with LIHEAP-funded weatherization and/or emergency repair and replacement recipients.

Pennsylvania ^{iv}	348,680	36.0	46.1	19.4	77.1
Rhode Island ^{iv}	28,908	38.0	28.9	18.1	68.5
South Carolina	13,929	55.2	49.8	11.7	85.8
South Dakota	22,767	39.5	31.6	19.9	74.6
Tennessee	45,089	45.3	66.1	11.7	84.8
Texas	38,765	40.8	55.5	18.0	81.2
Utah	30,177	36.3	48.0	30.7	66.0
Vermont	26,443	37.1	47.6	16.6	79.0
Virginia	111,874	43.7	50.6	17.0	83.2
Washington ^{ii iv}	69,640	34.5	46.7	16.4	73.4
West Virginia	52,748	34.6	58.3	13.9	76.7
Wisconsin	202,930	34.7	39.7	19.0	72.7
Wyoming	9,621	40.8	42.1	18.3	78.2

ⁱ The data in this table are current as of August 10, 2018. Elderly is defined as a household member 60 years or older and young child as a household member five years old or under. Definitions of “disability” vary among the states.

ⁱⁱ Households in winter fuel crisis situations (Alaska, Kansas, Massachusetts, New Hampshire, Washington) or year-round fuel crisis situations (Maryland) received expedited heating assistance.

ⁱⁱⁱ Counts and the percentage distributions include households that received combined heating and cooling assistance in California and Nevada and households that received energy assistance in Hawaii, where no differentiation is made between heating and cooling assistance. These states reported these households under heating assistance.

^{iv} The following states provided nominal benefits for SNAP households and reported the number of households assisted. These households are not included in the household counts reported in the table: Connecticut, 86,001 - \$20.01 benefits; Maine, 8,057 - \$21 benefits; Massachusetts, 120,624 - \$21 benefits; Michigan, 81,854 - \$20.01 benefits; Montana, 1,171 - \$25 benefits or 5% of the amount of a regular LIHEAP benefit; New York, 269,407 - \$21 benefits; Oregon, 47,491 - \$21 benefits; Pennsylvania, 281,071 - \$21 to \$24 benefits; Rhode Island, 54,199 - \$20.01 benefits; Washington, 200,000 - \$20.01 benefits.

Wyoming ⁱⁱⁱ	1,511	19.1	38.5	26.5	67.6

ⁱ (1) The data in this table are current as of August 10, 2018. (2) Elderly is defined as a household member 60 years or older and young child as a household member five years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that these data are not applicable for states which did not provide separate cooling assistance.

ⁱⁱ Households in winter fuel crisis situations received expedited heating assistance in Alaska, Kansas, Massachusetts, New Hampshire, and Washington.

ⁱⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: California (4,351), Colorado (1,414), District of Columbia (93), Idaho (178), Illinois (866), Iowa (791), Maine (13), Maryland (376), Michigan (881), Minnesota (4,289), Mississippi (3,384; done on an emergency or non-emergency basis), Missouri (155), Montana (834), Nebraska (75), New Jersey (4,140), New York (2,307), North Carolina (1,004), North Dakota (944), Ohio (133), Oregon (317), Pennsylvania (7,890), Rhode Island (93), South Carolina (215), South Dakota (552), Texas (524), Utah (316), Vermont (86), Virginia (2,317), Washington (460), Wisconsin (482), and Wyoming (382). West Virginia also provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits, but could not provide accurate statistics on the unduplicated count of households receiving this type of assistance.

^{iv} 8,858 of the households assisted by Connecticut’s winter crisis assistance program also received Safety Net Assistance.

^v Florida’s winter crisis assistance counts exclude 311 households that received other crisis assistance, including blankets, fans, heaters, or minor energy related repairs.

^{vi} Households in winter fuel crisis situations received expedited heating assistance in Massachusetts. Funding obligated to these households was reported under heating assistance, but the household counts were reported under winter crisis assistance.

^{vii} Michigan’s winter crisis assistance count excludes 96,235 households that received assistance through the Michigan Energy Assistance Program and 5,049 households that received assistance through their Deliverable Fuels program.

^{viii} Washington’s winter crisis assistance count excludes 362 households that received Rental Assistance and 8 households that received other emergency services.

Wyoming ⁱⁱ	0	--	--	--	--

ⁱ (1) The data in this table are current as of August 10, 2018. (2) Elderly is defined as a household member 60 years or older and young child as a household member five years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that these data are not applicable for states which did not provide separate cooling assistance.

ⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: California (4,351), Colorado (1,414), District of Columbia (93), Idaho (178), Illinois (866), Iowa (791), Maine (13), Maryland (376), Michigan (881), Minnesota (4,289), Mississippi (3,384; done on an emergency or non-emergency basis), Missouri (155), Montana (834), Nebraska (75), New Jersey (4,140), New York (2,307), North Carolina (1,004), North Dakota (944), Ohio (133), Oregon (317), Pennsylvania (7,890), Rhode Island (93), South Carolina (215), South Dakota (552), Texas (524), Utah (316), Vermont (86), Virginia (2,317), Washington (460), Wisconsin (482), and Wyoming (382). West Virginia also provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits, but could not provide accurate statistics on the unduplicated count of households receiving this type of assistance.

ⁱⁱⁱ Florida’s summer crisis assistance excludes 311 household assisted with other types of assistance such as blankets, fans, heaters, minor energy related repairs.
