

LIHEAP Report to Congress for Fiscal Year 2020: Part III. Household Data
Supplemental Tables: Assisted Households by Vulnerability

Table III-8. Percent of Assisted Households with at Least 1 Member Who Is an Older Adult, a Member with a Disability, or a Young Child, by Type of Assistance, Nationally, FY 2020ⁱ

Type of Vulnerable Household	Heating Assistance	Cooling Assistance	Winter Crisis Assistance ⁱⁱ	Year-Round Crisis Assistance	Summer Crisis Assistance	Weatherization Assistance ⁱⁱⁱ	Any Type of Assistance
Older adult	41.8%	46.8%	30.2%	24.2%	25.2%	54.8%	40.1%
Member with a disability	37.9	50.2	34.0	41.2	41.9	35.1	38.1
Young child	16.7	14.5	21.0	25.2	22.7	13.5	17.4
Older adult, member with a disability, or young child	72.3	79.9	65.5	71.0	72.1	76.5	71.9

ⁱ These data are derived from the *LIHEAP Household Report for FY 2020*. They are current as of August 1, 2021. (1) Definitions of “older adult,” “member with a disability,” and “young child” are as follows: “older adult” refers to a person who is 60 years old or older, “disability” varies from state-to-state, and “young child” refers to a person who is 5 years old or younger. A household could have members that were reported in more than 1 of the 3 groups of vulnerable households. (2) National percentages are calculated for those states that reported complete data, by type of LIHEAP assistance. Table A-1 in Appendix A indicates the percentages of assisted households for which uniform data are provided. Uniform data on households classified as vulnerable was 100 percent for heating, cooling, year-round crisis, and summer crisis assistance. Uniform data for winter crisis assistance was 99.8 percent for the unduplicated count of vulnerable members in each household. Uniform data for weatherization assistance was 99.8 percent for the unduplicated count of vulnerable members in each household.

ⁱⁱ Washington could not de-duplicate their data to provide an accurate count of households with any type of vulnerability for 1,380 households receiving winter crisis assistance. This data is suppressed.

ⁱⁱⁱ For District of Columbia, data for households with any type of vulnerability was unreliable for 110 households receiving weatherization assistance and is suppressed.

Pennsylvania ⁱⁱⁱ	312,133	39.2	13.0	18.8	64.3
Rhode Island ⁱⁱⁱ	27,690	52.5	34.7	22.5	71.4
South Carolina	18,141	58.2	53.5	9.9	86.9
South Dakota	21,077	44.6	34.0	18.1	76.7
Tennessee	59,901	48.3	70.0	11.1	85.3
Texas	101,619	45.6	55.1	16.0	82.3
Utah	32,317	36.1	42.4	26.4	61.5
Vermont	26,380	44.7	48.2	13.9	81.0
Virginia	100,647	47.0	57.5	16.9	86.4
Washington ^{ii iii}	77,560	41.9	51.9	15.7	76.4
West Virginia	49,272	40.4	29.8	8.7	61.2
Wisconsin	205,275	35.5	39.5	18.3	72.2
Wyoming	8,320	47.2	45.1	14.7	80.4

ⁱ (1) The data in this table are current as of August 1, 2021. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states.

ⁱⁱ Households in winter fuel crisis situations (Alaska, Kansas, Massachusetts, New Hampshire, Washington) or year-round fuel crisis situations (Maryland) received expedited heating assistance.

ⁱⁱⁱ The following states provided nominal benefits for SNAP households and reported the number of households assisted. These households are not included in the household counts reported in the table: Connecticut, 84,661 - \$20.01 benefits; Maine, 7,307 - \$21 benefits; Massachusetts, 118,759 - \$21 benefits; Michigan, 90,171 - \$20.01 benefits; Montana, 1,320 - \$25 benefits or 5% of the amount of a regular LIHEAP benefit; New York, 299,532 - \$21 benefits; Oregon, 39,986 - \$21 benefits; Pennsylvania, 286,281 - \$21 to \$24 benefits; Rhode Island, 38,637 - \$20.01 benefits; Washington, 212,393 - \$20.01 benefits.

^{iv} Counts and the percentage distributions include households that received combined heating and cooling assistance in Nevada and households that received energy assistance in Hawaii, where no differentiation is made between heating and cooling assistance. These states reported these households under heating assistance.

ⁱ (1) The data in this table are current as of August 1, 2021. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that these data are not applicable for states which did not provide separate cooling assistance.

ⁱⁱ Counts and percent distributions exclude households that received combined heating and cooling assistance in Nevada; and households that received energy assistance in Hawaii; with no differentiation made between heating and cooling assistance. These states reported these households under heating assistance.

ⁱⁱⁱ North Dakota assisted households with non-crisis cooling equipment repair and replacement services using funding obligated to emergency cooling equipment repair and replacement but reported these households under cooling assistance.

ⁱ (1) The data in this table are current as of August 1, 2021. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that these data are not applicable for states which did not provide separate winter crisis assistance.

ⁱⁱ Households in winter fuel crisis situations received expedited heating assistance in Alaska, Kansas, Massachusetts, New Hampshire, and Washington. In Massachusetts, New Hampshire, and Washington, funding obligated to these households was reported under heating assistance, but the household counts were reported under winter crisis assistance.

ⁱⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: Alaska (64), California (3,327), Colorado (252), District of Columbia (212), Idaho (7), Illinois (792), Indiana (246), Iowa (594), Maine (17), Maryland (397), Michigan (836), Minnesota (4,132), Mississippi (1,365; done on an emergency or non-emergency basis), Missouri ([Emergency Furnace Repair & Replacement – 34] and [Air Conditioner Purchase – 127]), Montana (754), New Jersey (2,998), New York (1,994), North Dakota (965), Ohio (250), Oregon (184), Pennsylvania (7,198), Rhode Island (299), South Dakota (504), Texas (800), Utah (291), Vermont ([furnace repair/replacement – 415] and [tank replacement – 177]), Virginia (2,257), Washington (289), West Virginia (890), Wisconsin (478), and Wyoming (360).

^{iv} Connecticut provided additional crisis assistance to 6,377 households that received Safety Net Assistance.

^v Florida provided additional crisis assistance to 1,597 households that received other crisis assistance, including weather-related assistance.

^{vi} Washington provided additional crisis assistance to 1,067 households that received Shelter Assistance and 24 households that received other emergency services.

^{vii} Washington could not de-duplicate their data to provide an accurate count of households with any type of vulnerability for 1,380 households receiving winter crisis assistance. This data is suppressed.

ⁱ (1) The data in this table are current as of August 1, 2021. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that the data are not applicable for states which did not provide separate year-round crisis assistance.

ⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: Alaska (64), California (3,327), Colorado (252), District of Columbia (212), Idaho (7), Illinois (792), Indiana (246), Iowa (594), Maine (17), Maryland (397), Michigan (836), Minnesota (4,132), Mississippi (1,365; done on an emergency or non-emergency basis), Missouri ([Emergency Furnace Repair & Replacement – 34] and [Air Conditioner Purchase – 127]), Montana (754), New Jersey (2,998), New York (1,994), North Dakota (965), Ohio (250), Oregon (184), Pennsylvania (7,198), Rhode Island (299), South Dakota (504), Texas (800), Utah (291), Vermont ([furnace repair/replacement – 415] and [tank replacement – 177]), Virginia (2,257), Washington (289), West Virginia (890), Wisconsin (478), and Wyoming (360).

ⁱⁱⁱ California provided additional crisis assistance to 244 households that received Severe Weather Energy Assistance and Transportation Services (SWEATS).

^{iv} Delaware provided additional crisis assistance to 10,502 households that received a crisis epidemics assistance benefit and 10,713 households that received an additional crisis epidemics benefit.

^v Louisiana provided additional crisis assistance to 17,224 households that received COVID-19 Supplemental benefits.

^{vi} Households in year-round fuel crisis situations received expedited heating assistance in Maryland.

^{vii} Nebraska provided additional crisis assistance to 121 households that received deposit assistance.

^{viii} Nevada provided additional crisis assistance to 10 households through the state’s Crisis Intervention Program.

^{ix} South Carolina provided additional crisis assistance to 8 households that received window air conditioners or heaters.

^x Wisconsin provided additional crisis assistance to 1,067 households that received Shelter Assistance and 24 households that received other emergency services.

ⁱ (1) The data in this table are current as of August 1, 2021. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that the data are not applicable for states that did not provide separate summer crisis assistance.

ⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: Alaska (64), California (3,327), Colorado (252), District of Columbia (212), Idaho (7), Illinois (792), Indiana (246), Iowa (594), Maine (17), Maryland (397), Michigan (836), Minnesota (4,132), Mississippi (1,365; done on an emergency or non-emergency basis), Missouri ([Emergency Furnace Repair & Replacement – 34] and [Air Conditioner Purchase – 127]), Montana (754), New Jersey (2,998), New York (1,994), North Dakota (965), Ohio (250), Oregon (184), Pennsylvania (7,198), Rhode Island (299), South Dakota (504), Texas (800), Utah (291), Vermont ([furnace repair/replacement – 415] and [tank replacement – 177]), Virginia (2,257), Washington (289), West Virginia (890), Wisconsin (478), and Wyoming (360).

ⁱⁱⁱ Florida provided additional crisis assistance to 1,597 households that received other crisis assistance, including weather-related assistance.

Vermont	27,520	44.2	47.6	13.8	80.2
Virginia	122,558	46.0	56.2	20.3	86.8
Washington ^{iv}	77,664	41.8	51.9	15.7	76.4
West Virginia ⁱⁱⁱ	49,272	40.4	29.8	8.7	61.2
Wisconsin	207,024	35.2	39.2	18.2	71.6
Wyoming	8,320	47.2	45.1	14.7	80.4

ⁱ (1) The data in this table are current as of August 1, 2021. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states.

ⁱⁱ For District of Columbia, data for households with any type of vulnerability was unreliable for 110 households receiving weatherization assistance and is suppressed.

ⁱⁱⁱ West Virginia’s unduplicated counts of vulnerable households receiving any type of assistance exclude households who only received Emergency Furnace Repair and Replacement and/or Weatherization Assistance because the state has not developed effective procedures to report this information for vulnerable households.

^{iv} Washington could not de-duplicate their data to provide an accurate count of households with any type of vulnerability for 1,380 households receiving winter crisis assistance. This data is suppressed.
