Wyoming	2,539,174	123,062	2,416,112

ⁱ CARES allocations for FY 2020 are actual dollars distributed by HHS.

LIHEAP Report to Congress for Fiscal Year 2020
Supplemental Tables: LIHEAP Supplemental CARES Act Information

Supplemental Table CARES-I-6. National Estimates of States' Uses of LIHEAP Supplemental CARES Act Funds, FY 2020ⁱ

Uses of LIHEAP Supplemental CARES Act Funds	Number of States ⁱⁱ	Estimated Obligations	Percent of Funds ⁱⁱⁱ
Total	51	\$884,987,516	100.0%
Heating assistance	21	227,993,171	25.8
Cooling assistance	6	121,530,109	13.7
Energy crisis assistance	22	165,727,715	18.7
Weatherization assistance	9	15,732,321	1.8
Nominal payments ^{iv}	3	861,996	0.1
Carryover to FY 2021 ^v	39	310,328,105	35.1
Development of leveraging resources	1	25,000	0.0 ^{vi}
Assurance 16 activities ^{vii}	6	5,169,322	0.6
Administrative and planning costs	27	37,619,777	4.3

ⁱ These data are compiled from the *LIHEAP Performance Data Form – Grantee Survey Section for FFY 2020*. These data are current as of August 1, 2021.

ⁱⁱ The total number of states that obligated funds to a specific type of assistance may differ from the total number of states that served households with that type of assistance (see CARES Table III-1) because states may have obligated their LIHEAP Supplemental CARES Act funds in FY 2020 but not expended those funds to serve households until FY 2021.

ⁱⁱⁱ Percentage distribution of uses of LIHEAP funds may not add up to 100 percent due to rounding.

^{iv} In FY 2015, OCS specifically instructed grant recipients to separate SNAP nominal payment obligations and beneficiary households from their heating assistance data. This is consistent with the guidance in FY 2020.

^v States were allowed to obligate their LIHEAP Supplemental CARES Act allotment during FY 2020 or FY 2021. States could optionally carry over any amount of these funds to FY 2021 for later obligation.

^{vi} Less than 0.1 percent.

^{vii} Funds obligated for Assurance 16 activities consisted of LIHEAP funds used to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance, including needs assessments, counseling, and assistance with energy vendors.

Wyoming	609,448	0	423,958	50,000	0	1,091,095	0	0	241,611	0	2,416,112

ⁱ These data are compiled from the *LIHEAP Performance Data Form – Grantee Survey Section for FFY 2020*. They are current as of August 1, 2021.

ⁱⁱ States were allowed to obligate their LIHEAP Supplemental CARES Act allotment during FY 2020 or FY 2021. States could optionally carry over any amount of these funds to FY 2021 for later obligation.

ⁱⁱⁱ Development of leveraging resources consists of LIHEAP funds used to identify, develop, and demonstrate leveraging incentive programs. Grant recipients may spend up to 0.08 percent of funds payable or \$35,000, whichever is greater, to conduct such activities each fiscal year.

LIHEAP Report to Congress for Fiscal Year 2020
Supplemental Tables: LIHEAP Supplemental CARES Act Funding and Households

- ^{iv} Funds obligated for Assurance 16 activities were used to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance, including needs assessments, counseling, and assistance with energy vendors.
- ^v Arizona's obligations of LIHEAP Supplemental *CARES Act* funds to specific assistance types were estimated based on the uses of regular funds.
- ^{vi} Includes funds obligated in FY 2020 but not expended until FY 2021.
- ^{vii} LIHEAP Supplemental *CARES Act* funds provided for energy crisis assistance benefits include funds for emergency heating/cooling repairs or replacements for the following states: California (\$1,304,352), Colorado (\$414,000), District of Columbia (\$336,747), Iowa (not specified), Michigan (not specified), Pennsylvania (\$2,250,474), Texas (not specified) and Washington (not specified).
- ^{viii} Delaware's energy crisis assistance funds include \$3,000,000 for supplemental crisis benefits.
- ^{ix} Georgia obligated supplemental LIHEAP Supplemental *CARES Act* funds for weatherization but did not expend the funds until FY 2021. These weatherization benefits are estimated.
- ^x Louisiana provided a flat \$600 benefit using CARES funding that could be applied to heating and/or cooling vendors. Louisiana reported these obligated funds under crisis assistance.
- ^{xi} Maine experienced difficulties tracking CARES funding allocation. Figures are estimated.
- ^{xii} LIHEAP Supplemental *CARES Act* funds provided by Pennsylvania for weatherization were used for emergency heating or cooling repairs or replacements.
- ^{xiii} Washington obligated \$216,776 of LIHEAP Supplemental *CARES Act* funds as energy crisis assistance benefits for Other Emergency Services (OES) including Emergency Furnace Repair and Replacement, Temporary Shelter Assistance, and other emergency services. OES funds are obligated as direct service dollars.

LIHEAP Report to Congress for Fiscal Year 2020
Supplemental Tables: LIHEAP Supplemental CARES Act Funding and Households

Supplemental Table CARES-III-1. Number of Households Assisted with and States Providing Assistance with LIHEAP Supplemental CARES Act Funds, by Type of Assistance, as Reported by States, FY 2020ⁱ

Type of LIHEAP Assistance Furnished with LIHEAP CARES Act Funds	Number of States Providing Assistance with LIHEAP CARES Act Funds ⁱⁱ	Number of Households Assisted with LIHEAP CARES Act Funds
Heating	18	429,070
Cooling	7	132,836
Winter crisis	5	25,115
Year-round crisis	9	108,314
Summer crisis	2	27,786
Weatherization	4	181
Any type	32	714,558

ⁱ These data are collected from the *LIHEAP Household Report for FY 2020*. They are current as of August 1, 2021.

ⁱⁱ The total number of states providing a specific type of assistance benefits to households may differ from the total number of states that obligated funding to that specific type of assistance (see CARES Table I-6) because states may have obligated their LIHEAP Supplemental CARES Act funds in FY 2020 but not expended those funds to serve households until FY 2021.

Wyoming	1,088	0	1,088	0	0	0	1,088

ⁱ The data in this table are current as of August 1, 2021.

ⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits using LIHEAP Supplemental CARES Act funds. These households are excluded from the crisis assistance counts from Table III-2: California (3), Colorado (180), District of Columbia (51), Iowa (18), Michigan (33), Pennsylvania (633), Texas (33).

ⁱⁱⁱ Georgia reported households that received benefits from CARES funding under cooling assistance but reported the obligated funding under heating assistance.

^{iv} Louisiana provided additional crisis assistance to 17,224 households that received COVID-19 Supplemental benefits.

^v Nevada provides combined heating and cooling assistance. These households are all reported under heating assistance.

ⁱ Household average benefits were gathered from state estimates reported on the *LIHEAP Performance Data Form for FFY 2020 - Grantee Survey*, as described in [Appendix A](#) of this report. The data in this table are current as of August 1, 2021. State-reported household average benefit amounts from LIHEAP Supplemental CARES Act funds may reflect actual benefits during FY 2020 and anticipated average benefits as states prepared to expend these funds during subsequent fiscal years. States were not asked to estimate household average benefits for weatherization assistance because estimates would not be comparable to estimated household average benefits for other types of LIHEAP assistance due to the relatively larger role of labor and other support costs involved in weatherization and wide variations in how states define low-cost weatherization. In addition, average benefits are not comparable to calculations of the amount of obligated funds per household due to states obligating funds in 1 federal fiscal year but expending them in the next federal fiscal year.

ⁱⁱ Average benefits do not include funds used to provide nominal benefits to SNAP households or households assisted with these benefits as grant recipients were required to break out these obligations and households for FY 2020.

ⁱⁱⁱ A designation of "--" is reported under cooling assistance for states where combined heating and cooling assistance was provided (Nevada). The state reported such funds under heating assistance.

^{iv} A designation of "--" indicates for winter crisis assistance that these states did not provide a separate count because they provided households in winter crisis assistance with expedited heating assistance (Massachusetts and Washington).

^v Delaware's values exclude an average benefit of \$343 for households that received Crisis Supplemental Benefits during FY 2021 using supplemental LIHEAP CARES Act funds obligated during FY 2020.

^{vi} Louisiana's values exclude an average benefit of \$600 for households that received COVID-19 supplemental assistance as part of Louisiana's other crisis assistance.

^{vii} The designation of "--" for Texas is because the state was unable to provide an accurate estimate due to partial reporting by subrecipients.

LIHEAP Report to Congress for Fiscal Year 2020
Supplemental Tables: LIHEAP Supplemental CARES Act Funding and Households

Supplemental Table CARES-III-7. Percent of Assisted Households, Classified by 2019 HHS Poverty Guideline Intervals, by Type of LIHEAP CARES Assistance, Nationally, FY 2020ⁱ

2019 HHS Poverty Guideline Intervalsⁱⁱ	Heating Assistance	Cooling Assistance	Winter Crisis Assistance	Year-Round Crisis Assistance	Summer Crisis Assistance	Weatherization Assistance
Under 75%	43.1%	45.0%	40.0%	73.7%	58.8%	22.1%
75%-100%	24.5	26.5	24.1	12.6	21.7	35.9
101%-125%	17.0	15.0	17.9	7.8	11.7	18.2
126%-150%	8.0	8.6	14.1	5.1	5.3	10.5
Over 150%	7.5	4.8	3.8	0.9	2.5	13.3

ⁱ These data are derived from the *LIHEAP Household Report for FFY 2020*. These data are current as of August 1, 2021. National percentages are calculated for those states that reported complete data, by type of LIHEAP assistance. Uniform data on households receiving assistance from LIHEAP Supplemental CARES Act funds and classified by intervals of the 2019 HHS Poverty Guidelines (HHSPG) was 100 percent for all types of assistance. Percent distributions may not add up to 100 percent across income levels due to rounding.

ⁱⁱ Poverty percentages are computed using gross household incomes adjusted by household size. However, there are states that use net household income in determining income eligibility. For those states, the distribution of poverty percentages could be skewed towards the higher end of the poverty level.

Wisconsin	0	--	--	--	--	--
Wyoming	1,088	42.6	22.7	16.1	8.9	9.7

ⁱ These data are current as of August 1, 2021. A designation of "--" indicates that the data are not applicable for states that did not provide separate heating assistance using LIHEAP Supplemental CARES Act funds.

ⁱⁱ Percentage distributions may not add up to 100 percent across income levels due to rounding.

ⁱⁱⁱ Georgia reported households that received benefits from CARES funding under cooling assistance but reported the obligated funding under heating assistance.

^{iv} The following states provided nominal benefits for SNAP households and reported the number of households assisted. These households are not included in the household counts reported in the table: Maine, 283 - \$21 benefits and Montana, 1,283 - \$25 benefits or 5 percent of the amount of a regular LIHEAP benefit.

^v Counts and the percentage distributions include households that received combined heating and cooling assistance in Nevada. The state reported these households under heating assistance.

^{vi} Virginia's count of heating assisted households by poverty level was based on the most recent poverty level classification available for FY 2020 beneficiary households at the time the FY 2020 Household Report was completed, rather than the classification at the time of client application in FY 2020.

ⁱ These data are current as of August 1, 2021. A designation of "--" indicates that the data are not applicable for states that did not provide separate summer crisis assistance using LIHEAP Supplemental CARES Act funds.

ⁱⁱ Percentage distributions may not add up to 100 percent across income levels due to rounding.

ⁱⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits using LIHEAP Supplemental CARES Act funds. These households are not included in the household counts reported in the table: California (3), Colorado (180), District of Columbia (51), Iowa (18), Michigan (33), Pennsylvania (633), Texas (33).

^{iv} Louisiana provided additional crisis assistance to 17,224 households that received COVID-19 Supplemental benefits.

LIHEAP Report to Congress for Fiscal Year 2020
Supplemental Tables: LIHEAP Supplemental CARES Act Information

Table CARES-III-8. Percent of LIHEAP CARES Assisted Households with at Least 1 Member Who Is an Older Adult, a Member with a Disability, or a Young Child by Type of Assistance, Nationally, FY 2020ⁱ

Type of Vulnerable Household	Heating Assistance	Cooling Assistance	Winter Crisis Assistance	Year-Round Crisis Assistance	Summer Crisis Assistance	Weatherization Assistance	Any Type of Assistance
Older adult	41.2%	43.6%	23.3%	23.5%	21.7%	54.1%	38.7%
Member with a disability	41.1	47.0	15.0	53.1	44.5	49.7	43.2
Young child	16.9	13.0	27.0	22.9	27.1	13.8	17.8
Older adult, member with a disability, or young child	73.5	76.3	57.1	78.5	77.4	81.2	73.8

ⁱ These data are derived from the *LIHEAP Household Report for FFY 2020*. They are current as of August 1, 2021. (1) Definitions of “older adult,” “disability,” and “young child” are as follows: “older adult” refers to a member who is 60 years old or older, “disability” varies from state-to-state, and “young child” refers to a member who is 5 years old or younger. A household could have members that were reported in more than 1 of the 3 groups of vulnerable households. (2) National percentages are calculated for those states that reported complete data, by type of LIHEAP assistance. Uniform data on households receiving assistance from LIHEAP Supplemental CARES Act funds and classified as vulnerable was 100 percent for all assistance types.

Wisconsin	0	--	--	--	--
Wyoming	0	--	--	--	--

ⁱ (1) The data in this table are current as of August 1, 2021. (2) “Older adult” is defined as a household member 60 years or older and “young child” as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that the data are not applicable for states that did not provide separate summer crisis assistance.

ⁱⁱ The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits using LIHEAP Supplemental CARES Act funds. These households are not included in the household counts reported in the table: California (3), Colorado (180), District of Columbia (51), Iowa (18), Michigan (33), Pennsylvania (633), Texas (33).

ⁱⁱⁱ Louisiana provided additional crisis assistance to 17,224 households that received COVID-19 Supplemental benefits.

ⁱ (1) The data in this table are current as of August 1, 2021. (2) “Older adult” is defined as a household member 60 years or older and “young child” as a household member 5 years old or under. Definitions of “disability” vary among the states.

LIHEAP Report to Congress for Fiscal Year 2020
Supplemental Tables: LIHEAP Supplemental CARES Act Information

Supplemental Table CARES-IV-1. Percent of States Selecting Various Maximum LIHEAP CARES Income Eligibility Standards, FY 2020ⁱ

LIHEAP Income Eligibility Standards (by Percentage Intervals of 2019 HHS Poverty Guidelines)	Heating Assistance	Cooling Assistance	Winter Crisis Assistance ⁱⁱ	Year-Round Crisis Assistance ⁱⁱⁱ	Summer Crisis Assistance ^{iv}	Weatherization Assistance
Number of states ^v	21	6	5	9	2	9
Household income at or above 150% (percentage of States)	86%	100%	100%	100%	100%	86%
Household income between 111%–149% (percentage of States)	14	0	0	0	0	14
Household income at 110% (percentage of States)	0	0	0	0	0	0

ⁱ The data in this table are current as of August 1, 2021. These data are derived from *LIHEAP Performance Data Form - Grantee Survey Section for FFY 2020*. Percentage distributions may not add up to 100 percent across income levels due to rounding.

ⁱⁱ Refers to winter crisis assistance only. Percentage intervals exclude other types of crisis assistance that mostly involved furnace repair or replacements.

ⁱⁱⁱ Refers to year-round crisis assistance only. Percentage intervals exclude other types of crisis assistance that mostly involved furnace repair or replacements.

^{iv} Refers to summer crisis assistance only. Percentage intervals exclude other types of crisis assistance that mostly involved air conditioner repair or replacements.

^v Excludes states that did not obligate LIHEAP Supplemental CARES Act funds for the applicable assistance type.

ⁱ (1) Maximum annual income cutoffs for 4-member households were obtained from the *LIHEAP Performance Data Form for FFY 2020 - Grantee Survey*. These data are current as of August 1, 2021. The income cutoffs were converted into percentages of the 2019 HHS Poverty Guidelines (HHSPG). The table does not reflect different income cutoffs in place for households with an older adults, members with a disability, or young children, or other crisis assistance, as set by states. (2) The federal maximum LIHEAP income eligibility guidelines for FY 2020 were based on the greater of 150 percent of 2019 HHSPG or 60 percent of state median income (SMI) for use in FY 2020, based on household size. Optionally, states were permitted to adopt the 2020 HHSPG in place of the 2019 HHSPG to set their maximum income eligibility guidelines for FY 2020. In addition, states were permitted to use the federal maximum LIHEAP income eligibility guidelines or the federal maximum Weatherization Assistance Program (WAP) income eligibility guidelines (200 percent of HHSPG) to set their maximum income eligibility standards for weatherization assistance in FY 2020. States with maximum income eligibility standards listed that are greater than 150 percent of 2019 HHSPG are verified as being at or below the federal maximum LIHEAP income eligibility guidelines for FY 2020. (3) A designation of "--" indicates that these data are not applicable for states that did not provide that type of assistance using LIHEAP Supplemental CARES Act funds.

ⁱⁱ Refers to winter crisis assistance only. Percentage intervals exclude other types of crisis assistance that mostly involved furnace repair or replacements.

ⁱⁱⁱ Refers to year-round crisis assistance only. Percentage intervals exclude other types of crisis assistance that mostly involved furnace repair or replacement.

^{iv} Refers to summer crisis assistance only. Percentage intervals exclude other types of crisis assistance that mostly involved air conditioner repair or replacements.

^v Combined heating and cooling assistance was provided in Nevada. The state reported funds obligated and households served under heating assistance. A cooling assistance eligibility standard of "--" is thus applied.
