Dear Colleagues,

The purpose of this message is to provide an update on the allocations for federal fiscal year 2022 (FFY 2022) to states receiving the Social Services Block Grant (SSBG), and territories receiving Consolidated Block Grants (CBG) under SSBG.

The first quarter funds were released to all SSBG states and territory grantees covering October 1, 2020 through December 3, 2021. Attached is an SSBG allocation chart, inclusive of the Consolidated Block Grant for territories. Expenditures are available as identified by the state's or territory's plan under Title XX of the Social Security Act.

We appreciate your continued partnership and cooperation with the Department of Health and Human Services (HHS) and Administration for Children and Families (ACF) as we work together to continue providing quality service to vulnerable individuals, children, and families.

Thank you for your attention to these matters. OCS looks forward to continuing to provide high-quality services to OCS grantees.
