For audio, please use your computer speakers or headphones.

The Office of Community Services/Administration for Children and Families will host a webinar entitled **Health Care Enrollment, American Indians and Alaska Natives, and the Office of Community Services Grantees** on Monday, August 31, 2015 from 3:00 – 4:00 pm, ET.

This webinar will provide a basic overview of the Affordable Care Act (ACA) and its benefits for American Indians and Alaska Natives (AI/ANs), including why Native people will benefit from enrollment in Medicaid, the Children's Health Insurance Program (CHIP), and health insurance available through the Marketplace. It will provide an overview of the resources available through the Centers for Medicare and Medicaid Services to help tribes and tribal organizations to increase access and enrollment to Medicaid, CHIP, and health insurance. Finally, it will offer successful approaches to help grantees to integrate access and enrollment activities into their own programs.

Presenters:

Melissa Gower, Chickasaw Nation Division of Health

Georgeline Sparks, Centers for Medicare and Medicaid Services (Tribal Affairs)

Monica Marthell, Native American Professional Parent Resources

To obtain further information on AI/ANs and healthcare reform, visit: <http://www.healthcare.gov/tribal>

Instructions to join the webinar

- Pre-registration is not required. On the day of the webinar, please go to the website: <http://hhs.adobeconnect.com/r3c815ao92c/>
- Enter your name and click "Enter Room"
- For audio, please use your computer speakers or headphones.
