

In FY 2023, the child support program collected **\$29.6 billion**

(Collections include IV-D and non-IV-D payments)

Child Support and Employers

Employers

Electronic Processing

Using the electronic Income Withholding Order (**e-IWO**) and National Medical Support Notice (**e-NMSN**) are cost-effective ways to exchange information with child support agencies.

New Hire Reporting

71.2 million new and rehired employees were reported by employers in FY 2023. Federal law requires employers to report basic information on new and rehired employees within 20 days of hire.

Child Support Portal

The OCSS Portal is a secure way for employers to provide information, meet program responsibilities, and communicate with child support agencies.

Applications Include

- Lump Sum and Termination Reporting
- Employer Information Updates
- Multistate Employer Registry
- Communication Center – send and receive secure messages and documents
- e-IWO Online - download and acknowledge e-IWOs
