Program Office: Office of Child Support Enforcement
Funding Opportunity Title: Evaluation of Behavioral Interventions for Child Support Services Grants
Announcement Type: Modification
Funding Opportunity Number: HHS-2014-ACF-OCSE-FD-0822
Primary CFDA Number: 93.564
Due Date for Applications: 08/05/2014

Executive Summary

Notices:

- In Fiscal Year (FY) 2013 ACF implemented a new application upload requirement. Each applicant applying electronically via <http://www.grants.gov> is required to upload only two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files. Please see *Section IV.2. Content and Form of Application Submission* for detailed information on this requirement.
- Applicants are strongly encouraged to read the entire funding opportunity announcement (FOA) carefully and observe the application formatting requirements listed in *Section IV.2. Content and Form of Application Submission*. For more information on applying for grants, please visit "How to Apply for a Grant" on the ACF Grants Page at <http://www.acf.hhs.gov/grants/how-to-apply-for-grants>.

This funding opportunity announcement (FOA) is modified. The link to OCSE's FOA "Behavioral Interventions for Child Support Services" HHS-2014-ACF-OCSE-FD-0818 is corrected in the Grants.gov Synopsis and in the FOA's Executive Summary section.

In order to improve both the effectiveness and operations of child support programs, to expand the application of behavioral economics to child support contexts through the development of promising interventions, and to build the culture of regular, rapid-cycle evaluation and critical inquiry in the child support community, the Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Child Support Enforcement (OCSE) will fund one cooperative agreement for "Evaluation of Behavioral Interventions in Child Support Services." This grant will award Section 1115 funds to a state child support agency to procure and manage technical assistance and

multiple evaluations through an independent third-party evaluator (e.g., a university or research firm). Demonstrations of behavioral interventions will be funded through the companion FOA, Behavioral Interventions in Child Support Services (BICS), HHS-2012-ACF-OCSE-FD-0818, which can be viewed online at <http://www.acf.gov/grants/open/foa/view/HHS-2014-ACF-OCSE-FD-0818>. Applicants for this cooperative agreement may also submit an application under the companion FOA, but it is not a requirement for application or selection under this announcement.

This cooperative agreement will allow the selected state agency to use this federal Section 1115 grant award and the Federal Financial Participation (FFP) associated with these grant funds to procure and manage: 1) the provision of expert technical assistance to BICS grantees, and 2) multiple evaluations of the BICS programs.

The evaluations and technical assistance supported by this cooperative agreement will involve all demonstration grantees approved under the companion BICS FOA, and compliance with evaluation requirements is a condition of the BICS grant awards. The state agency selected for award under this FOA and the third-party evaluator and technical assistance provider, otherwise known as the BICS Technical Assistance and Evaluation Team (TAE Team), will work through the child support processes of each grantee in a behavioral diagnosis and design process and identify ways to improve and evaluate the interventions and outcomes proposed by each grantee.

I. Program Description

Statutory Authority

Section 1115 of the Social Security Act authorizes funds for experimental, pilot, or demonstration projects that are likely to assist in promoting the objectives of Part D of Title IV. Section 1115 provides that "the project must be designed to improve the financial well-being of children or otherwise improve the operation of the child support program; may not permit modifications in the child support program which would have the effect of disadvantaging children in need of support; and must not result in increased cost to the Federal Government under part A of such title."

The principal purpose is to carry out the public purpose of implementing a demonstration project that is likely to "improve the financial well-being of children or otherwise improve the operation of the child support program" as stated in the statutory authority. Any responsibility to the Federal Government is a condition for receiving the grant and not a principal purpose.

Description

A. Background

Behavioral economics uses insights from psychology and related fields to explain why and how people may act in ways that are not strictly rational. Programs can use an understanding of behavioral economics to better understand why program participants do not always seem to carefully consider options, analyze details, and make rational decisions to maximize their well-being. Behavioral economics can also suggest tools to improve

outcomes for program participants. Reminders, use of social influence, the introduction of channel factors, positive identity priming, and setting appropriate defaults are all tools that behavioral economics suggests can help people and programs better achieve the goals they set out for themselves.

There has been relatively little exploration of the potential application of this science to complex, large-scale human services programs. Though the application of behavioral economics is not new, it is most frequently used in marketing products and services to potential consumers, and in healthcare and workplace programs. The largest and most recent study to apply a behavioral economics lens to programs that serve poor and vulnerable families in the United States is the Behavioral Interventions to Advance Self-Sufficiency (BIAS) project, sponsored by ACF's Office of Planning, Research and Evaluation. BIAS was launched in 2010 and is ongoing. Its goal is to learn how tools from behavioral economics can improve the well-being of individuals and families served by programs supported by ACF.

The Title IV-D child support program is well suited to further incorporate behavioral economics insights and sustain a culture of inquiry and empirical evaluation. Behavioral concepts are already embedded in the child support program. For example, the majority of child support collections are made through automatic wage withholding. This approach acknowledges and eliminates many potential bottlenecks by simply "opting" all appropriate cases into wage withholding with no need for either parent to take action.

However, there are many parts of the child support process that require parents, child support staff, and child support partners like courts to make a range of decisions and follow a series of steps to get to the desired result. Further application of behavioral principles can improve child support processes in areas such as early engagement, right-sizing orders, reliable payment, family-centered services, and other establishment and enforcement outcomes.

Through the separate, companion FOA, OCSE has invited state child support agencies to submit competitive grant applications for BICS grants. BICS will explore the potential relevance and application of behavioral principles to child support services. It will fund demonstrations that will identify, pilot, refine, and incorporate behaviorally informed policies and practices into standard child support practices. Approved BICS demonstration applicants must, as a condition of award, agree to cooperate with and participate in the technical assistance and evaluation of the behavioral interventions.

B. Purpose and Goals

The purpose of this award is to improve and sustain a culture of critical inquiry and regular, rapid-cycle evaluation in the child support program by providing targeted technical assistance and multiple evaluations of behaviorally informed service interventions through collaboration with OCSE. It is expected that the project will primarily test service delivery innovations aimed at short-term objectives such as early engagement, right-sizing orders, reliable payment, family-centered services, and other innovations to improve establishment and enforcement outcomes. Specific innovations to be tested would be informed by behavioral research, such as BIAS, and developed in collaboration with the BICS grantees and OCSE.

While some state and local child support agencies have tested the application of behaviorally-informed interventions, the field is limited and most interventions have not been replicated statewide or have led to significant policy changes. The primary goal of this announcement is to provide technical assistance to BICS grantees and evaluate BICS interventions to improve child support outcomes. Ultimately, this award will enable state child support agencies to develop the skills of their staff and organizations to regularly design and implement evaluation and improvement. The awarded state agency will also increase their own knowledge and capacity to manage rigorous program evaluations and the provision of technical assistance. Further goals include assessing benefits and costs of the interventions, and disseminating findings from the BICS demonstration to the child support field.

C. Program Design

This grant will be awarded to a state child support agency for the procurement of a qualified third-party TAE Team to further develop the BICS grantees' behaviorally-informed process interventions, provide ongoing, individualized technical assistance; and conduct multiple evaluations of those processes. The state agency shall be responsible for the management and oversight of the selected evaluation entity (i.e., university or research firm) and will ensure that state-of-the-art evaluations and expert technical assistance are provided in accordance with the guidelines and specifications cited herein and as further agreed upon with OCSE.

Over the 5-year project period of these demonstrations, it is expected that the first year will be devoted to the diagnosis and design of the interventions, as well as the development and facilitation of workshops and individual on-site grantee visits; the second through fourth years will be provided for implementing, evaluating, and refining the interventions; the final year will be devoted to the application of evaluation findings to make statewide improvements, grant close-out, sustainability work, and dissemination of findings.

The TAE Team will use the most rigorous methods possible to evaluate the BICS programs, using random assignment wherever possible to determine the impact of the intervention and its benefits and costs. In some cases, alternative evaluation approaches such as propensity score matching or other experimental or quasi-experimental methods may be used. The evaluation process shall be iterative, allowing for multiple rounds of hypothesis testing. BICS grantees should have at least 1,500 to 2,000 participants in their pilot samples.

Benefit-cost analyses will be conducted at each site. These analyses shall be based on demonstration program costs and short and longer term benefits such as increased child support payments and additional savings/costs to participants, agencies, and society, as agreed upon with OCSE. Other aspects of evaluation designs may be similar across programs or tailored to address unique features or populations in the program.

Implementation analysis, including on-site interviews with program staff and stakeholders, must also be included in each site. It shall be based on analysis of program data obtained from each grantee, as well as on-site visits by evaluators to observe demonstration operations, interviews with key persons (e.g., managers, staff, representatives of partner agencies, etc.), and enrollee/participant experiences (e.g., via interviews, focus groups, etc.).

State Child Support (IV-D) Agency Requirements

The recipient state agency of this cooperative agreement is required to:

- 1) Develop, in consultation with OCSE, a solicitation to procure an independent, third-party TAE Team. This may require the state agency to develop a Request for Proposals (RFP) or similar mechanism to procure the services.
- 2) Include qualified representatives from the state agencies awarded demonstration grants under the companion BICS grants, and OCSE as reviewers for technical assistance and evaluation proposals submitted in response to any state RFP or similar process.
- 3) Work with the third-party TAE Team, demonstration grantees, and OCSE to identify data needed for the evaluations, recommend the most appropriate data sources, collect data, and monitor data collection.
- 4) Support the TAE Team in obtaining child support and other data as needed for the evaluation. Establish and maintain ongoing management oversight and quality assurance to ensure that child support and other data are appropriately safeguarded.
- 5) Support the TAE Team in identifying potential innovations in both measurement and analysis that may generate additional knowledge about the specific effects of different treatments that may be included in the project, as well as applying child support program knowledge.
- 6) Ensure that the TAE Team disseminates the final, and site-specific, reports and coordinates a capstone meeting for grantees to share the project results with the general public. OCSE will support dissemination by posting the final report and advertising the capstone meeting on the OCSE website.
- 7) Collaborate with OCSE as described in the *Section II, Award Information, Description of ACF's Anticipated Substantial Involvement Under the Cooperative Agreement* section.

TAE Team Requirements

The solicitation developed for the project's TAE Team (e.g., RFP or similar mechanism) must incorporate the requirements and scope described in this FOA and as further agreed upon through collaboration with OCSE. Subject to post-award collaboration and agreement with OCSE, the TAE Team requirements include:

- 1) Develop and execute three workshops (two in year 1, one in year 2) for the BICS grantees on the foundations of behavioral economics principles, the application of those principles to human services programs, and development and refinement of their selected interventions using behaviorally informed principles.
- 2) Develop a behavioral diagnosis and design process for each BICS grantee intervention, including the development of behavioral maps of the detailed program processes.
- 3) Chart the experience of a client or other actors interacting with each BICS grantee program in order to identify decision points where behavioral factors might be at play.
- 4) Create an evaluation study design that recognizes the need for intensive site development, addresses major evaluation challenges and describes how these will be handled, and provides a plan for full assessment and technical assistance for BICS grantees.

- 5) Provide technical assistance and evaluation-related guidance to the BICS grantees, including five on-site visits to each grantee (two on-site visits in year 1 and one on-site visit per year in the years 2, 3, and 4).
- 6) Use a variety of evaluation methodologies, such as quasi-experimental, impact, implementation, and benefit-cost analyses customized for the BICS grantees based on the defined program intervention and aligned with OCSE's evaluation standards outlined in this FOA.
- 7) Promote peer learning among BICS grantees through the dissemination of interim findings as applicable and other strategies.
- 8) If surveys will be used, develop methods to collect data, with a high response rate, from research samples from each demonstration program over the entire project period.
- 9) Attain and analyze administrative records data for a variety of outcomes of interest (e.g., child support payments), as well as obtain information directly via systematic surveys and/or related means from parents and staff in the research samples.
- 10) Analyze data and prepare grantee-specific reports as well as a final report and interim project reports. Assure that documents are written to effectively communicate with the child support field, particularly program administrators.
- 11) Educate the child support community about BICS and behavioral research through presentations at one to two national or regional child support conferences a year and disseminate information (such as short fact sheets) to the child support community to keep them informed of project updates and generally educate about the use of behavioral interventions in child support services.
- 12) Coordinate and support a capstone event in Washington, DC, during year 5 for BICS grantees to report findings to the child support community and interested stakeholders.

OCSE anticipates that the BICS projects will include up to eight states, each with potentially multiple demonstration sites. If necessary, sites may be added in later years of the project as long as sufficient, timely data collection can be achieved. OCSE reserves the right to include in this project sites that are testing behavioral interventions if the inclusion of the site would forward the goals of this FOA, even if the site is not a recipient of a grant under announcement HHS-2014-ACF-OCSE-FD-0818. OCSE also reserves the right to increase the number of sites evaluated, at the same time reducing the intensity of the evaluations proportionately, if this will forward the goals of this FOA and to permit modification of the evaluation methodologies employed in order to best meet the goals of this FOA.

Applicants are strongly encouraged to reference the companion FOA for more information on BICS program design requirements.

D. Program Management

The recipient of this cooperative agreement must provide at least one key, experienced, full-time staff person to serve as a project manager. The project manager will:

- Approve the evaluation plan in consultation with OCSE;

- Monitor the performance of the TAE Team to ensure high standards for quality are met;
- Provide regular updates to OCSE on progress made by the TAE Team; and
- Review project designs, written materials going to grantees, and all dissemination products, in consultation with OCSE.

The recipient of this cooperative agreement must send the project manager to the two workshops to be held in year 1 in Washington, DC, as well as the capstone event in year 5. The purpose of the workshops is to share information on behavioral economics principles and the application of those principles to human service programs, and to further diagnose and design the behaviorally informed interventions for each BICS project.

E. Waiver Requirements

The applicant may need to request a waiver of certain provisions of the Act. Section 1115(a)(1) of the Act allows the Secretary of Health and Human Services to waive a state plan requirement in Section 454, and Section 1115(a)(2)(A) allows the Secretary to treat certain unallowable expenditures as allowable state expenditures for purposes of the demonstration project. Here are examples of activities funded under waivers approved in previous demonstration projects:

- Employment services;
- Fatherhood programs;
- Intensive case management to include individualized case plans for employment, housing, transportation, health, and parenthood needs;
- Wrap-around services, including GED, legal services, domestic violence, and incentives; and
- Evaluation and information dissemination.

A request to waive statewideness and other state plan requirements that facilitate the conduct of the project or enable the state to accomplish the purposes of the project may also be needed.

For more information on program components specific to this FOA, please reference *Section IV.2 Content and Form of Application Submission, The Project Description*.

II. Award Information

Funding Instrument Type:	Cooperative Agreement
Estimated Total Funding:	\$800,000
Expected Number of Awards:	1
Award Ceiling:	\$800,000 Per Budget Period
Award Floor:	\$750,000 Per Budget Period
Average Projected Award Amount:	\$800,000 Per Budget Period

Length of Project Periods:

60-month project with five 12-month budget periods

Additional Information on Awards:

Awards made under this announcement are subject to the availability of federal funds.

Applications requesting an award amount that exceeds the *Award Ceiling* per budget period or per project period, as stated in this section, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for the first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period. Please see *Section III.3. Other, Application Disqualification Factors*.

Note: For those programs that require matching or cost sharing, grantees will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period or by project period for fully funded awards, even if the projected commitment exceeds the required amount of match or cost share. **A grantee's failure to provide the required matching amount may result in the disallowance of federal funds.**

The initial award will be made for the first 12-month period. Noncompeting continuation awards for the subsequent 12-month budget periods will be subject to the availability of funds, satisfactory progress by the recipient, and a determination that continued funding would be in the best interest of the Federal Government. Applicants will receive instructions on how to submit non-competing continuation applications during the first budget period to request funds for the second budget period.

Description of ACF's Anticipated Substantial Involvement Under the Cooperative Agreement

A cooperative agreement is federal assistance in which substantial federal involvement in project activities is anticipated. Responsibilities of federal staff and the successful applicant are reviewed prior to award.

OCSE anticipates substantial involvement in the following activities, in addition to those activities mentioned in the *Section I, Program Description*:

- 1) Promoting collaborative relationships/partnerships and facilitating the exchange of information (e.g., identifying technical assistance and training needs, data collection, and distribution) among funded state demonstration projects, the state agency responsible for the evaluations and technical assistance and other entities or organizations engaged by OCSE for purposes related to this new program;
- 2) Providing consultation to the state agency responsible for the evaluation and technical assistance with regard to the diagnosis and design of the interventions, methods to carry out the evaluations and technical assistance as planned, approaches to address problems that arise, identification of areas needing corrective actions, and internal capacity to conduct evaluations;
- 3) Advising and directing approaches to address problems and strengthen grantee capacity to meet BICS technical assistance and evaluation requirements;

- 4) Working together to address issues or problems identified by the recipient state, OCSE, or others with regard to the state program's ability to carry out the full range of activities included in the approved application in the most efficient and effective manner; and
- 5) Obtaining Office of Management and Budget (OMB) approval of all information collections during the project period. ACF may not require the grantee to collect information as part of the cooperative agreement if a collection instrument is not approved through the Office of Management and Budget's Office of Information and Regulatory Affairs (OMB-OIRA), as required by the Paperwork Reduction Act.

Please see *Section IV.5 Funding Restrictions* for limitations on the use of federal funds awarded under this announcement.

III. Eligibility Information

III.1. Eligible Applicants

State Title IV-D agencies, including the District of Columbia, Guam, Puerto Rico, and the Virgin Islands, **or the umbrella agency of the IV-D program** are eligible to receive awards under this funding opportunity announcement (FOA).

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement. See *Section III.3. Other, Application Disqualification Factors*.

III.2. Cost Sharing or Matching

Cost Sharing / Matching Requirement: No

III.3. Other

DUNS Number and System for Award Management Eligibility Requirements (SAM.gov)

All applicants must have a DUNS Number ([http:// fedgov. dnb.com /webform](http://fedgov.dnb.com/webform)) and an active registration with the Central Contractor Registry (CCR) on the System for Award Management (SAM.gov, www.sam.gov).

Obtaining a DUNS Number may take 1 to 2 days.

All applicants are required to maintain an active SAM registration until the application process is complete. If a grant should be made, registration in the CCR at SAM must be active throughout the life of the award. **Finalize a new, or renew an existing, registration at least two weeks before the application deadline.** This action should allow you time to resolve any issues that may arise. Failure to comply with these requirements may result in your inability to submit your application or receive an award. Maintain documentation (with dates) of your efforts to register or renew at least two weeks before the deadline. See the

SAM Quick Guide for Grantees at: https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf.

HHS requires all entities that plan to apply for, and ultimately receive, federal grant funds from any HHS Agency, or receive subawards directly from recipients of those grant funds to:

- Be registered in the SAM prior to submitting an application or plan;
- Maintain an active SAM registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
- Provide its active DUNS number in each application or plan it submits to the OPDIV.

ACF is prohibited from making an award until an applicant has complied with these requirements. At the time an award is ready to be made, if the intended recipient has not complied with these requirements, ACF:

- May determine that the applicant is not qualified to receive an award; and
- May use that determination as a basis for making an award to another applicant.

Application Disqualification Factors

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement.

Award Ceiling Disqualification

Applications that request an award amount that exceeds the *Award Ceiling* per budget period or per project period as stated in *Section II, Award Information*, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period.

Required Electronic Application Submission

ACF requires electronic submission of applications at www.Grants.gov. **Paper applications received from applicants that have not been approved for an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.**

Applicants that do not have an Internet connection or sufficient computing capacity to upload large documents to the Internet may contact ACF for an exemption that will allow the applicant to submit applications in paper format. Information and the requirements for requesting an exemption from required electronic application submission are found in "Request an Exemption from Electronic Application Submission" in *Section IV.2. Content and Form of Application Submission*.

Application Deadlines

The deadline for electronic application submission is 11:59 p.m., ET, on the due date listed in the *Overview* and in *Section IV.3. Submission Dates and Times*. Electronic applications submitted to www.Grants.gov after 11:59 p.m., ET, on the due date, as indicated by a dated and time-stamped email from www.Grants.gov, will be disqualified from competitive review and from funding under this announcement. That is, applications submitted to www.Grants.gov, on or after 12:00 a.m., ET, on the day after the due date will be disqualified from competitive review and from funding under this announcement.

Applications submitted to www.Grants.gov at any time during the open application period, and prior to the due date and time, which fail the www.Grants.gov validation check, will not be received at, or acknowledged by, ACF.

Each time an application is submitted via www.Grants.gov, the submission will generate a new date and time-stamp email notification. Only those applications with on-time date and time stamps that result in a validated application, which is transmitted to ACF, will be acknowledged.

The deadline for receipt of paper applications is 4:30 p.m., ET, on the due date listed in the *Overview* and in *Section IV.3. Submission Dates and Times*. Paper applications received after 4:30 p.m., ET, on the due date will be disqualified from competitive review and from funding under this announcement. **Paper applications received from applicants that have not received approval of an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.**

Notification of Application Disqualification

Applications that are disqualified under these criteria are considered to be “non-responsive” and are excluded from the competitive review process. Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this funding opportunity announcement.

IV. Application and Submission Information

IV.1. Address to Request Application Package

Robin Bunch
Administration for Children and Families
Office of Grants Management
Division of Discretionary Grants
Aerospace Building, 6th Floor East
370 L'Enfant Promenade, SW
Washington, DC 20447
Phone: (202) 401-5513
Fax: (202) 260-6585
Email: acfogme-grant@acf.hhs.gov

Electronic Application Submission:

The electronic application submission package is available in the FOA's listing at www.Grants.gov

Applications in Paper Format:

For applicants that have received an exemption to submit applications in paper format, Standard Forms, assurances, and certifications are available at the ACF Funding Opportunities Forms webpage at [http:// www.acf.hhs.gov/ grants-forms](http://www.acf.hhs.gov/grants-forms) and on the Grants.gov Forms page under "424 Family." See *Section IV.2. Request an Exemption from Required Electronic Application Submission* if applicants do not have an Internet connection or sufficient computing capacity to upload large documents (files) to www.Grants.gov.

Standard Forms that are compliant with Section 508 of the Rehabilitation Act (29 U.S.C. § 794d):

Available at the Grants.gov Forms Repository website at [http:// www.grants.gov/web/ grants/forms/sf-424- family.html](http://www.grants.gov/web/grants/forms/sf-424-family.html).

Federal Relay Service:

Hearing-impaired and speech-impaired callers may contact the Federal Relay Service for assistance at 1-800-877-8339 (TTY - Text Telephone or ASCII - American Standard Code For Information Interchange).

Section IV.2. Content and Form of Application Submission**FORMATTING ACF APPLICATIONS**

In FY 2013 ACF implemented a new application upload requirement. Each applicant applying electronically via www.grants.gov is required to upload only two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review, and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files.

FOR ALL APPLICATIONS:**Authorized Organizational Representative (AOR)**

AOR is the designated representative of the applicant/recipient organization with authority to act on the organization's behalf in matters related to the award and administration of grants. In signing a grant application, this individual agrees that the organization will assume the obligations imposed by applicable Federal statutes and regulations and other terms and conditions of the award, including any assurances, if a grant is awarded.

AOR authorization is part of the registration process at www.Grants.gov, where the AOR will create a short profile and obtain a username and password from the Grants.gov Credential Provider. AORs will only be authorized for the DUNS number registered in the System for Awards Management (SAM).

Point of Contact

In addition to the AOR, a point of contact on matters involving the application must also be identified. The point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR. The point of contact must be available to answer any questions pertaining to the application.

Application Checklist

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials.

Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

Accepted Font Style

Applications must be in Times New Roman (TNR), 12-point font, except for footnotes, which may be TNR 10-point font.

Page Limitations

Applicants must observe the page limitation(s) listed under "PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:". Page limitation(s) do not include SFs and OMB-approved forms

All applications must be double-spaced and in Times New Roman, 12-point font. An application that exceeds the cited page limitation for double-spaced pages in the Project Description file or the Appendices file will have the last extra pages removed and the removed pages will not be reviewed.

Application Elements Exempted from Double-Spacing Requirements

The following elements of the application submission are exempt from the double-spacing requirements and may be single-spaced: the one-page Project Summary/Abstract, required Assurances and Certifications, required SFs, required OMB-approved forms, resumes, logic models, proof of legal status/non-profit status, third-party agreements, letters of support, footnotes, tables, the line-item budget and/or the budget justification.

Adherence to FOA Formatting, Font, and Page Limitation Requirements

Applications that fail to adhere to ACF's FOA formatting, font, and page limitation requirements will be adjusted by the removal of page(s) from the application. Pages will be removed before the objective review. The removed page(s) will not be made available to reviewers.

In instances where formatting and font requirements are not adhered to, ACF uses a formula to determine the actual number of pages to be removed. The formula counts the number of characters an applicant uses when following the instructions and using 12-point TNR and compares the resulting number with that of the submitted application. For example, an applicant using TNR, 11-point font, with 1-inch margins all around, and single-spacing, would have an additional 26 lines, or 1500 characters, which is equal to 4/5 of an additional page. Extra pages resulting from this formula will be removed and will not be reviewed.

Applications that have more than one scanned page of a document on a single page will

have the page(s) removed from the review.

For applicants that submit paper applications, double-sided pages will be counted as two pages. When the maximum allowed number of pages is reached, excess pages will be removed and will not be made available to reviewers.

NOTE: Applicants failing to adhere to ACF's FOA formatting, font, and page limitation requirements will receive a letter from ACF notifying them that their application was amended. The letter will be sent after awards have been issued and will specify the reason(s) for removal of page(s).

Copies Required

Applicants must submit one complete copy of the application package electronically. Applicants submitting electronic applications need not provide additional copies of their application package.

Applicants submitting applications in paper format must submit one original and two copies of the complete application, including all Standard Forms and OMB-approved forms. The original copy must have original signatures.

Signatures

Applicants submitting electronic applications must follow the registration and application submission instructions provided at www.Grants.gov.

The original of a paper format application must include original signatures of the authorized representatives.

Accepted Application Format

With the exception of the required Standard Forms (SFs) and OMB-approved forms, all application materials must be formatted so that they are 8 ½" x 11" white paper with 1-inch margins all around.

If possible, applicants are encouraged to include page numbers for each page within the application.

ACF generally does not encourage submission of scanned documents as they tend to have reduced clarity and readability. If documents must be scanned, the font size on any scanned documents must be large enough so that it is readable. Documents must be scanned page-for-page, meaning that applicants may not scan more than one page of a document onto a single page.

ELECTRONIC APPLICATION SUBMISSION INSTRUCTIONS

Applicants are required to submit their applications electronically unless they have requested and received an exemption that will allow submission in paper format. See *Section IV.2. Application Submission Options* for information about requesting an exemption.

Electronic applications will only be accepted via www.Grants.gov. **ACF will not accept applications submitted via email or via facsimile.**

Each applicant is required to upload ONLY two electronic files, excluding SFs and

OMB-approved forms.

File One: Must contain the entire Project Description, and the Budget and Budget Justification (including a line-item budget and a budget narrative).

File Two: Must contain all documents required in the Appendices.

Adherence to the Two-File Requirement

No more than two files will be accepted for the review. Applications with additional files will be amended and files will be removed from the review. SFs and OMB-approved forms will not be considered additional files.

Please do not attach additional documents to the SF-424 at Question 14 and/or after Question 15. Instead of providing a separate response to Question 14, all applicants are required to submit the SF for Project/Performance Site Location(s) (SF-P/PSL).

In the SF-P/PSL, applicants may cite their primary location and up to 29 additional performance sites. Documents submitted as attachments to the SF-424 will be removed from the application and will not be reviewed.

Application Upload Requirements

ACF strongly recommends that electronic applications be uploaded as Portable Document Files (PDFs). One file must contain the entire Project Description and Budget Justification; the other file must contain all documents required in the Appendices. Details on the content of each of the two files, as well as page limitations, are listed later in this section.

To adhere to the two-file requirement, applicants may need to convert and/or merge documents together using a PDF converter software. Many recent versions of Microsoft Office include the ability to save documents to the PDF format without need of additional software. Applicants using the Adobe Professional software suite will be able to merge these documents together. ACF recommends merging documents electronically rather than scanning multiple documents into one document manually, as scanned documents may have reduced clarity and readability.

However, ACF understands that all applicants may not have access to this software. Grants.gov offers a listing of several free PDF conversion programs. These programs can be found on Grants.gov by clicking on "Applicants" at the top menu bar and selecting "Applicant Resources" from the drop-down list. Go to the "Technical Support & Self-Help" section and click on "Grants.gov Compatible Software." A link to "PDF Conversion Software" is available in the left-hand menu box. Free PDF software, available on this page, will allow users to convert and merge their PDF documents. As an example, ACF is providing written instructions for downloading and using one type of free software listed at Grants.gov at the following link: [https:// www.acf.hhs.gov/ sites/ default/ files/ assets/ pdf995_instructions_for_video.pdf](https://www.acf.hhs.gov/sites/default/files/assets/pdf995_instructions_for_video.pdf). ACF does not endorse any of the software listed on Grants.gov, and applicants are not required to use a specific type of PDF conversion software to submit an application.

For any systems issues experienced with Grants.gov or with SAM.gov, please refer to ACF's "Policy for Applicants Experiencing Federal Systems Issues" document for

complete guidance at [http:// www. acf.hhs.gov/grants](http://www.acf.hhs.gov/grants) under "Grants Related Information."

Required Standard Forms (SFs) and OMB-approved Forms

Standard Forms (SFs) and OMB-approved forms, such as the SF-424 application and budget forms and the SF-P/PSL (Project/Performance Site Location), are uploaded separately at Grants.gov. These forms are submitted separately from the Project Description and Appendices files. See *Section IV.2. Required Forms, Assurances, and Certifications* for the listing of required Standard Forms, OMB-approved forms, and required assurances and certifications.

Naming Application Submission Files

Observe the file naming conventions required by www.Grants.gov. Applicants should name their application files so that the content is easily identified by ACF.

Use only file formats supported by ACF

It is critical that applicants submit applications using only the supported file formats listed here. While ACF supports all of the following file formats, **we strongly recommend that the two application submission files (Project Description and Appendices) are uploaded as PDF documents in order to comply with the two file upload limitation.** Documents in file formats that are not supported by ACF will be removed from the application and will not be used in the competitive review. This may make the application incomplete and ACF will not make any awards based on an incomplete application.

ACF supports the following file formats:

- Adobe PDF – Portable Document Format (.pdf)
- Microsoft Word (.doc or .docx)
- Microsoft Excel (.xls or .xlsx)
- Microsoft PowerPoint (.ppt)
- Corel WordPerfect (.wpd)
- Image Formats (.JPG, .GIF, .TIFF, or .BMP only)

Do Not Encrypt or Password-Protect the Electronic Application Files

If ACF cannot access submitted electronic files because they are encrypted or password protected, the affected file will be removed from the application and will not be reviewed. This removal may make the application incomplete and ACF will not make awards based on an incomplete application.

FORMATTING FOR PAPER APPLICATION SUBMISSIONS:

The following requirements are only applicable to applications submitted in paper format. Applicants must receive an exemption from ACF in order for a paper format application to be accepted for review. See *Section IV.2. Request an Exemption from Required Electronic Application Submission* later in this section under *Application Submission Options* for more information.

Format Requirements for Paper Applications

All copies of mailed or hand-delivered paper applications must be submitted in a single package. If an applicant is submitting multiple applications under a single FOA, or multiple applications under separate FOAs, each application submission must be packaged separately. The package(s) must be clearly labeled for the specific FOA it addresses by FOA title and by Funding Opportunity Number (FON).

Because each application will be duplicated, do not use or include separate covers, binders, clips, tabs, plastic inserts, maps, brochures, or any other items that cannot be processed easily on a photocopy machine with an automatic feed. Do not bind, clip, staple, or fasten in any way separate sections of the application. Applicants are advised that the copies of the application submitted, not the original, will be reproduced by the federal government for review. **All application materials must be one-sided for duplication purposes.**

Addresses for Submission of Paper Applications

See *Section IV.6, Other Submission Requirements* for addresses for paper format application submissions.

PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:

The application submission is limited to 100 pages in its entirety:

File One:

- Table of Contents
- Project Summary/Abstract
- Approach
- Evaluation
- Organizational Capacity Narrative
- Line-item Budget and Budget Justification

File Two:

- Organizational Capacity Supporting Documents (Organizational charts, resumes, and job descriptions)
- Letters of Support

Required Forms, Assurances, and Certifications

Applicants seeking grant or cooperative agreement awards under this announcement must submit the listed Standard Forms (SFs), assurances, and certifications with the application. All required Standard Forms, assurances, and certifications will be available in the application kit posted for this funding opportunity at www.grants.gov.

Other versions of required Standard Forms, assurances, and certifications are available at ACF Funding Opportunities Forms at <https://www.acf.hhs.gov/grants-forms> and at Grants.gov <http://www.grants.gov/web/grants/forms.html> by using the link to "SF-424 Family," unless specified otherwise.

**Forms / Assurances /
Certifications**

**Submission
Requirement**

Notes / Description

SF-Project/Performance Site Location(s) (SF-P/PSL)	Submission is required for all applicants by the application due date.	Required for all applications. In the SF-P/PSL, applicants may cite their primary location and up to 29 additional performance sites. As a Standard Form (SF), this form is not included in the application's page limitation.
Certification Regarding Lobbying (Grants.gov Lobbying Form)	Submission required of all applicants with the application package. If it is not submitted with the application package, it must be submitted prior to the award of a grant.	Submission of the certification is required for all applicants.
SF-LLL - Disclosure of Lobbying Activities	If submission of this form is applicable, it is due at the time of application. If it not available at the time of application, it may also be submitted prior to the award of a grant.	If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the applicant shall complete and submit the SF-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
SF-424 - Application for Federal Assistance	Submission is required for all applicants by the application due date.	Required for all applications.
Certification of Filing and Payment of Federal Taxes	Submission of a certification is required prior to award for grantees receiving more than \$5,000,000 in Federal funding for the first budget year of a	Applicants are advised of the following requirement contained in Section 518 of the "Departments of Labor, Health and Human Services and Education, and Related Agencies Appropriations Act, 2014,"

multi-year project; or for grantees receiving more than \$5,000,000 in Federal funding for a one-year (12 months) project period; or for grantees receiving more than \$5,000,000 in Federal funding for a multiyear project to be fully funded.

(Pub.L. 113-76, Division H).

This requirement remains in effect: Sec. 518.

None of the funds appropriated or otherwise made available by this Act may be used to enter into a contract in an amount greater than \$5,000,000 or to award a grant in excess of such amount unless the prospective contractor or grantee certifies in writing to the agency awarding the contract or grant that, to the best of its knowledge and belief, the contractor or grantee has filed all Federal tax returns required during the three years preceding the certification, has not been convicted of a criminal offense under the Internal Revenue Code of 1986, and has not, more than 90 days prior to certification, been notified of any unpaid Federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default, or the assessment is the subject of a non-frivolous administrative or judicial proceeding.

Accordingly, if applicants request more than \$5 million in Federal funds for the first budget year of a multiyear project to be funded in FY 2014, or as a multiyear project to be fully funded in FY 2014, the applicant will be required to submit a certification complying with the requirements, prior to receiving

		an award.
DUNS Number (Universal Identifier) and Systems for Award Management (SAM) registration.	<p>A DUNS number is required of all applicants. To obtain a DUNS number, go to http://fedgov.dnb.com/webform</p> <p>Active registration at the Systems Award Management (SAM) website must be maintained throughout the application and project award period.</p> <p>SAM registration is available at http://www.sam.gov</p>	<p>A DUNS number and SAM registration are eligibility requirements for all applicants.</p> <p>See <i>Section III.3. Other</i> for information on obtaining DUNS number at http://fedgov.dnb.com/webform and registration at SAM.gov at http://www.sam.gov</p>
SF-424A - Budget Information - Non-Construction Programs and SF-424B - Assurances - Non- Construction Programs	Submission is required for all applicants when applying for a non-construction project. Standard Forms must be used. Forms must be submitted by the application due date.	Required for all applications when applying for a non-construction project. By signing and submitting the SF-424B, applicants are making the appropriate certification of their compliance with all federal statutes relating to nondiscrimination.
SF-424 Key Contact Form	Submission is required for all applicants by the application due date.	Required for all applications.
Maintenance of Effort (MOE) Certification	<p>An example of a standard MOE is available at https:// www .ac f. hhs. gov/ grants -forms</p> <p>Submission required for all applicants.</p>	Required for all applications.

SF-424 Key Contact Form

Please include contact information for the Project Director.

Non-Federal Reviewers

Since ACF will be using non-federal reviewers in the review process, applicants have the option of omitting from the application copies (not the original) specific salary rates or amounts for individuals specified in the application budget as well as Social Security Numbers, if otherwise required for individuals. The copies may include summary salary information. If applicants are submitting their application electronically, ACF will omit the same specific salary rate information from copies made for use during the review and selection process.

The Project Description

Part I: The Project Description Overview

Purpose

The project description provides the majority of information by which an application is evaluated and ranked in competition with other applications for available assistance. It should address the activity for which federal funds are being requested, and should be consistent with the goals and objectives of the program as described in *Section I, Program Description*. Supporting documents should be included where they can present information clearly and succinctly. When appropriate, applicants should cite the evaluation criteria that are relevant to specific components of their project description. Awarding offices use this and other information in making their funding recommendations. It is important, therefore, that this information be included in the application in a manner that is clear and complete.

General Expectations and Instructions

Applicants should develop project descriptions that focus on outcomes and convey strategies for achieving intended performance. Project descriptions are evaluated on the basis of substance and measurable outcomes, not length. Extensive exhibits are not required. Cross-referencing should be used rather than repetition. Supporting information concerning activities that will not be directly funded by the grant or information that does not directly pertain to an integral part of the grant-funded activity should be placed in an appendix.

Part II: General Instructions for Preparing a Full Project Description

Introduction

Applicants must prepare the project description statement in accordance with the following instructions while being aware of the specified evaluation criteria in *Section V.1. Criteria*. The text options give a broad overview of what the project description should include while the evaluation criteria identify the measures that will be used to evaluate applications.

Table of Contents

List the contents of the application including corresponding page numbers. The table of contents must be single spaced and will be counted against the total page limitations.

Project Summary/Abstract

Provide a summary of the application's project description. The summary must be clear, accurate, concise, and without reference to other parts of the application. The abstract must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the abstract:

- Project Title
- Applicant Name
- Address
- Contact Phone Numbers (Voice, Fax)
- E-Mail Address
- Web Site Address, if applicable

The project abstract must be single-spaced, in Times New Roman 12-point font, and limited to one page in length. Additional pages will be removed and will not be reviewed.

Approach

Outline a plan of action that describes the scope and detail of how the proposed project will be accomplished. Applicants must account for all functions or activities identified in the application. Describe any design or technological innovations, reductions in cost or time, or extraordinary social and/or community involvement in the project. Provide a list of organizations, cooperating entities, consultants, or other key individuals that will work on the project, along with a short description of the nature of their effort or contribution.

Cite potential obstacles and challenges to accomplishing project goals and explain strategies that will be used to address these challenges.

Understanding of Technical Approach

Applications should include:

- Evidence that the applicant organization has a comprehensive understanding of behavioral economics and the methods used by this discipline for diagnosing, implementing, and evaluating a behaviorally informed intervention.
- Explanation and evidence that applicant organization is prepared to employ appropriate methods to establish criteria for judging the soundness of third-party evaluators and technical assistance providers and proposals (e.g., RFPs) and ensuring they incorporate the project requirements and scope described in this FOA.
- A sound approach for timely communication and collaborative working relationships with OCSE.
- A detailed project management plan that adequately reflects the complex nature of the work to be undertaken and demonstrates an effective communication plan with the TAE Team, and provides evidence that the approach is feasible to implement in

the timelines required for the project.

- A sound approach for updating the child support field on BICS project progress and interim lessons learned.

Personnel and Resources

Applications should include:

- Proposals for qualified personnel, with explanation and evidence that personnel have relevant experience and resources adequate to plan, manage, and complete the project.
- Explanation and evidence that proposed personnel are qualified to work with the TAE Team and monitor their performance, including reviewing major deliverables.

Experience and Capacity

Applications should include:

- Explanation and evidence of prior experience creating, awarding, and managing contracts for high-quality, independent program evaluations and technical assistance that are similar to that proposed for this project or experience with other large demonstrations, evaluations, and/or projects.
- Explanation and evidence of ability to secure the services of a high-quality, independent program evaluator and technical assistance provider with experience in behavioral interventions using large-scale, multi-site experimental evaluations (e.g., through a contract or interagency agreement).

Organizational Capacity

Provide the following information on the applicant organization and, if applicable, on any cooperating partners:

- Organizational charts;
- Resumes (no more than two single-spaced pages in length);
- Job descriptions for each vacant key position.

Letters Of Support

Provide statements from community, public, and commercial leaders that support the project proposed for funding. All submissions must be included in the application package.

The Project Budget and Budget Justification

All applicants are required to submit a project budget and budget justification with their application. The project budget is entered on the Budget Information Standard Form, either SF-424A or SF-424C, according to the directions provided with the SFs. The budget justification consists of a budget narrative and a line-item budget detail that includes detailed calculations for "object class categories" identified on the Budget Information Standard Form.

Project budget calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. If matching or cost sharing is a requirement, applicants must include a detailed listing of any funding sources identified in Block 18 of the SF-424 (Application for Federal Assistance). See the

table in *Section IV.2. Required Forms, Assurances, and Certifications* listing the appropriate budget forms to use in this application.

Special Note: *The Consolidated Appropriations Act, 2014 (Pub.L. 113-76), enacted January 17, 2014, limits the salary amount that may be awarded and charged to ACF grants and cooperative agreements. Award funds issued under this announcement may not be used to pay the salary, or any percentage of salary, to an individual at a rate in excess of Executive Level II. The Executive Level II salary of the Federal Executive Pay scale is \$181,500 (<http://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/salary-tables/pdf/2014/EX.pdf>). This amount reflects an individual's base salary **exclusive** of fringe benefits and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under a ACF grant or cooperative agreement.*

Provide a budget using the 424A and/or 424C, as applicable, for each year of the proposed project. Provide a budget justification, which includes a budget narrative and a line-item detail, for the first year of the proposed project. The budget narrative should describe how the categorical costs are derived. Discuss the necessity, reasonableness, and allocation of the proposed costs.

Applications should include:

- A detailed budget that contains reasonable cost estimates for the services of an independent, third-party evaluator and technical assistance provider, as well as for services provided by the state agency.
- A budget proposal that includes the salary for at least one full-time project manager and the attendance of the project manager at the two workshops to be held during year 1 in Washington, DC.

General

Use the following guidelines for preparing the budget and budget justification. When a match or cost share is required, both federal and non-federal resources must be detailed and justified in the budget and budget narrative justification. "Federal resources" refers only to the ACF grant funds for which the applicant is applying. "Non-federal resources" are all other non-ACF federal and non-federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, federal budget; next column(s), non-federal budget(s); and last column, total budget. The budget justification should be in a narrative form.

Personnel

Description: Costs of employee salaries and wages.

Justification: Identify the project director or principal investigator, if known at the time of application. For each staff person provide: the title; time commitment to the project in months; time commitment to the project as a percentage or full-time equivalent; annual salary; grant salary; wage rates; etc. Do not include the costs of consultants, personnel costs of delegate agencies, or of specific project(s) and/or businesses to be financed by the applicant. Contractors and consultants should not be placed under this category.

Fringe Benefits

Description: Costs of employee fringe benefits unless treated as part of an approved indirect cost rate.

Justification: Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, Federal Insurance Contributions Act (FICA) taxes, retirement insurance, and taxes.

Travel

Description: Costs of out-of-state or overnight project-related travel by employees of the applicant organization. Do not include in-state travel or consultant travel.

Justification: For each trip show the total number of traveler(s); travel destination; duration of trip; per diem; mileage allowances, if privately owned vehicles will be used to travel out of town; and other transportation costs and subsistence allowances. If appropriate for this project, travel costs for key project staff to attend ACF-sponsored workshops/conferences/grantee orientations should be detailed in the budget.

Equipment

Description: "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year per unit and an acquisition cost that equals or exceeds the lesser of: (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. (Note: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation, shall be included in or excluded from acquisition cost in accordance with the applicant organization's regular written accounting practices.)

Justification: For each type of equipment requested applicants must provide a description of the equipment; the cost per unit; the number of units; the total cost; and a plan for use of the equipment in the project; as well as a plan for the use, and/or disposal of, the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy, or section of its policy, that includes the equipment definition.

Supplies

Description: Costs of all tangible personal property other than that included under the Equipment category. This includes office and other consumable supplies with a per-unit cost of less than \$5,000.

Justification: Specify general categories of supplies and their costs. Show computations and provide other information that supports the amount requested.

Contractual

Description: Costs of all contracts for services and goods except for those that belong under other categories such as equipment, supplies, construction, etc. Include third-party evaluation contracts, if applicable, and contracts with secondary recipient organizations (with budget detail), including delegate agencies and specific project(s) and/or businesses to be financed by the applicant. This area is not for individual consultants.

Justification: Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open, and free competition. Recipients and subrecipients, other than states that are required to use 45 CFR Part 92 procedures, must justify any anticipated procurement action that is expected to be awarded without competition and exceeds the simplified acquisition threshold fixed by 41 U.S.C. § 134, as amended by 2 CFR Part 200.88, and currently set at \$150,000. Recipients may be required to make pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., available to ACF.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each contractor/sub-contractor, by agency title, along with the same supporting information referred to in these instructions. If the applicant plans to select the contractors/sub-contractors post-award and a detailed budget is not available at the time of application, the applicant must provide information on the nature of the work to be delegated, the estimated costs, and the process for selecting the delegate agency.

Indirect Charges

Description: Total amount of indirect costs. This category should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant federal agency.

Justification: An applicant that will charge indirect costs to the grant must enclose a copy of the current rate agreement. If the applicant organization is in the process of initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not be charged as direct costs to the grant. Also, if the applicant is requesting a rate that is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

Paperwork Reduction Disclaimer

As required by the Paperwork Reduction Act of 1995, 44 U.S.C. §§ 3501-3521, the public reporting burden for the Project Description and Budget/Budget Justification is estimated to average 60 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection information. The Project Description information collection is approved under OMB control number 0970-0139, which expires 10/31/2015. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Application Submission Options

Electronic Submission via www.Grants.gov

- Additional guidance on the submission of electronic applications can be found at <http://www.grants.gov/web/grants/applicants/organization-registration.html>.
- If applicants encounter any technical difficulties in using www.Grants.gov, contact the Grants.gov Contact Center at: 1-800-518-4726, or by email at support@grants.gov, to report the problem and obtain assistance. Hours of Operation: 24 hours a day, 7 days a week. The Grants.gov Contact Center is closed on federal holidays.
- Applicants should always retain Grants.gov Contact Center service ticket number(s) as they may be needed for future reference.
- **Contact with the Grants.gov Contact Center prior to the listed application due date and time does not ensure acceptance of an application. If difficulties are encountered, the Grants Management Officer listed in *Section VII. Agency Contacts* will determine whether the submission issues are due to Grants.gov system errors or user error.**

Application Validation at www.Grants.gov

After an application has been successfully submitted to www.Grants.gov, it still must pass a series of validation checks. After an application is submitted, Grants.gov generates a submission receipt via email and also sets the application status to "Received." This receipt verifies that the application has been successfully delivered to the Grants.gov system.

Next, Grants.gov verifies the submission is valid by ensuring it does not contain viruses, the opportunity is still open, and the applicant login and applicant DUNS number match. If the submission is valid, Grants.gov generates a submission validation receipt via email and sets the application status to "Validated."

If the application is not validated, the application status is set to "Rejected." The system sends a rejection email notification to the applicant and the applicant must re-submit the application package. See "What to Expect After Submitting" at www.Grants.gov for more information.

Each time an application is submitted, or resubmitted, via www.Grants.gov, the application will receive a new date and time stamp. Only those applications with on-time date and time stamps that result in a validated application, which are transmitted to ACF, will be

acknowledged.

Applicants will be provided with an acknowledgement from Grants.gov that the submitted application package has passed, or failed, a series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged.

NOTE: The Grants.gov validation check can affect whether the application is accepted for review. If an application fails the Grants.gov validation check and is not resubmitted by 11:59 p.m., ET, on the due date, it will not be transmitted to ACF and will be excluded from the review.

Similarly, if an applicant resubmits their application to Grants.gov by 11:59 p.m., ET, on the due date, and the resubmitted application does not pass the validation check, it will not be transmitted to ACF and will be excluded from the review.

Systems Issues

For any systems issues experienced with Grants.gov or with SAM.gov, please refer to ACF's "Policy for Applicants Experiencing Federal Systems Issues" document for complete guidance at <http://www.acf.hhs.gov/grants> under "Grants Related Information."

Request an Exemption from Required Electronic Application Submission

ACF recognizes that some applicants may have limited or no Internet access, and/or limited computer capacity, which may prohibit them from uploading large files at www.Grants.gov. To accommodate such applicants, ACF offers an exemption from required electronic submission. The exemption will allow applicants to submit hard copy, paper applications by hand-delivery, applicant courier, overnight/express mail couriers, or by other representatives of the applicant.

To receive an exemption from required electronic application submission, applicants must submit a written request to ACF that must state that the applicant qualifies for the exemption for one of the two following reasons:

- Lack of Internet access or Internet connection, or
- Limited computer capacity that prevents the uploading of large documents (files) at www.Grants.gov

Applicants may request and receive the exemption from required electronic application submission by either:

- Submitting an email request to electronicappexemption@acf.hhs.gov, or
- Sending a written request to the Office of Grants Management Contact listed in *Section VII, Agency Contacts* in this announcement.

Requests for exemption from required electronic application submission will be acknowledged with an approval or disapproval.

Requests that do not state one of the two listed reasons will not be approved.

An exemption is applicable to all applications submitted by the applicant organization

during the Federal Fiscal Year (FFY) in which it is received. Applicants need only request an exemption once in a FFY. Applicants must request a new exemption from required electronic submission for any succeeding FFY.

Please Note: electronicappexemption@acf.hhs.gov **may only be used to request an exemption from required electronic submission.** All other inquiries must be directed to the appropriate Agency Contact listed in *Section VII.* of this announcement. Queries or requests submitted to this email address for any reason other than a request for an exemption from electronic application submission will not be acknowledged or answered.

All exemption requests must include the following information:

- Funding Opportunity Announcement Title,
- Funding Opportunity Number (FON),
- The listed Catalog of Federal Domestic Assistance (CFDA) number,
- Name of Applicant Organization and DUNS Number,
- AOR name and contact information,
- Name and contact information of person to be contacted on matters involving the application (i.e., the Point of Contact), and
- The reason for which the applicant is requesting an exemption from electronic application submission. The request for exemption must state one of the following two reasons: 1) lack of Internet access or Internet connection; or 2) lack of computer capacity that prevents uploading large documents (files) to the Internet.

Exemption requests must be received by ACF no later than two weeks before the application due date, that is, 14 calendar days prior to the application due date listed in the *Overview* and in *Section IV.3. Submission Dates and Times*. If the fourteenth calendar day falls on a weekend or federal holiday, the due date for receipt of an exemption request will move to the next federal business day that follows the weekend or federal holiday.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

Paper Format Application Submission

An exemption is now required for the submission of paper applications. See the preceding section on "Request an Exemption from Required Electronic Application Submission."

Applicants with exemptions that submit their applications in paper format, by mail or delivery, must submit one original and two copies of the complete application with all attachments. The original and each of the two copies must include all required forms, certifications, assurances, and appendices, be signed by the AOR, and be unbound. The original copy of the application must have original signature(s). See *Section IV.6.* of this announcement for address information for paper format application submissions.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* in this announcement.

IV.3. Submission Dates and Times

Due Date for Applications: **08/05/2014**

Explanation of Due Dates

The due date for receipt of applications is listed in the *Overview* section and in this section. See *Section III.3. Application Disqualification Factors*.

Electronic Applications

The deadline for submission of electronic applications via www.Grants.gov is 11:59 p.m., ET, on the due date. Electronic applications submitted at 12:00 a.m., ET, on the day after the due date will be considered late and will be disqualified from competitive review and from funding under this announcement.

Applicants are required to submit their applications electronically via www.Grants.gov unless they received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

ACF does not accommodate transmission of applications by email or facsimile.

Instructions for electronic submission via www.Grants.gov are available at: http://www.grants.gov/applicants/apply_for_grants.jsp.

Applications submitted to www.Grants.gov at any time during the open application period prior to the due date and time that fail the Grants.gov validation check will not be received at ACF. These applications will not be acknowledged.

Mailed Paper Format Applications

The deadline for mailed paper applications is 4:30 p.m., ET, on the due date. Mailed paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

Hand-Delivered Paper Format Applications

Applications that are hand-delivered by applicants, applicant couriers, by overnight/express mail couriers, or other representatives of the applicant must be received on, or before, the due date listed in the *Overview* and in this section. These applications must be delivered between the hours of 8:00 a.m. and 4:30 p.m., ET, Monday through Friday (excluding federal holidays). Applications should be delivered to the address provided in *Section IV.6. Other Submission Requirements*.

Hand-delivered paper applications received after the due date and deadline time will be

considered late and will be disqualified from competitive review and from funding under this announcement.

Hand-delivered paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

No appeals will be considered for applications classified as late under the following circumstances:

- Applications submitted electronically via www.Grants.gov are considered late when they are dated and time-stamped after the deadline of 11:59 p.m., ET, on the due date.
- Paper format applications received by mail or hand-delivery after 4:30 p.m., ET, on the due date will be classified as late and will be disqualified.
- Paper format applications received from applicant organizations that were not approved for an exemption from required electronic application submission under the process described in *Section IV.2. Request an Exemption from Required Electronic Submission* will be disqualified.

Extensions and/or Waiving Due Date and Receipt Time Requirements

ACF may extend an application due date and receipt time when circumstances make it impossible for applicants to submit their applications on time. These events include natural disasters (floods, hurricanes, tornados, etc.), or when there are widespread disruptions of electrical service, or mail service, or in other rare cases. The determination to extend or waive due date and/or receipt time requirements rests with the Grants Management Officer listed as the Office of Grants Management Contact in *Section VII. Agency Contacts*.

Acknowledgement from www.Grants.gov

Applicants will receive an initial email upon submission of their application to www.Grants.gov. This email will provide a **Grants.gov Tracking Number**. Applicants should refer to this tracking number in all communication with Grants.gov. The email will also provide a **date and time stamp**, which serves as the official record of application's submission. Receipt of this email does not indicate that the application is accepted or that it has passed the validation check.

Applicants will be provided with an acknowledgement from www.Grants.gov that the submitted application package has passed, or failed, a series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged.

See "What to Expect After Submitting" at www.Grants.gov for more information.

Acknowledgement from ACF of an electronic application's submission:

Applicants will be sent additional email(s) from ACF acknowledging that the application has been retrieved from www.Grants.gov by ACF. Receipt of these emails is not an indication that the application is accepted for competition.

Acknowledgement from ACF of receipt of a paper format application

ACF will not provide acknowledgement of receipt of hard copy application packages submitted via mail or courier services.

IV.4. Intergovernmental Review of Federal Programs

This program is not subject to Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs," or 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." No action is required of applicants under this announcement with regard to E.O. 12372.

IV.5. Funding Restrictions

Costs of organized fund raising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred solely to raise capital or obtain contributions, are considered unallowable costs under grants or cooperative agreements awarded under this funding opportunity announcement.

Note: Costs incurred for grant application preparation are not considered allowable costs under an award and may not be included in the project budget or budget justification.

Grant awards will not allow reimbursement of pre-award costs.

Construction is not an allowable activity or expenditure under this grant award.

Purchase of real property is not an allowable activity or expenditure under this grant award.

If applicants are developing automated tools, utilities, applications, or computer programs under the cooperative agreement, OCSE funds may not be used to pay for functionality mandated for state and tribal child support systems as a requirement for system certification as such expenses are otherwise eligible for regular FFP reimbursement. Additionally, OCSE funds may not be used for the costs of proprietary software that is not readily available to the general public at established catalog or market prices. Grant funds, however, may cover enhancements to mandated state and tribal child support systems provided those enhancements do not duplicate or modify existing functionality in those systems. The grantee must maintain all ownership of any automated tools, utilities, applications, or computer programs and all associated documentation and materials developed under this cooperative agreement, and grants to the Federal Government a royalty free, nonexclusive, and irrevocable right-in-license to reproduce, publish, or otherwise use and to authorize others to use for government purposes such software, modifications, and documentation costs not eligible for title IV-D funding will only be covered under this grant if a Section 1115 waiver is issued, as described in *Section I, Program Description, Waiver Requirements*.

IV.6. Other Submission Requirements

Submit paper applications to one of the following addresses. Also see *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

Submission By Mail

Robin Bunch
Administration for Children and Families
Office of Grants Management
Division of Discretionary Grants
Aerospace Building, 6th Floor East
370 L'Enfant Promenade, SW
Washington, DC 20447

Hand Delivery

Robin Bunch
Administration for Children and Families

Division of Discretionary Grants
Aerospace Building, 6th Floor East
370 L'Enfant Promenade, SW
Washington, DC 20447

Electronic Submission

See *Section IV.2* for application requirements and for guidance when submitting applications electronically via <http://www.Grants.gov>.
For all submissions, see *Section IV.3. Submission Dates and Times*.

V. Application Review Information**V.1. Criteria**

Please note: Reviewers will not access, or review, any materials that are not part of the application documents. This includes information accessible on websites via hyperlinks that are referenced, or embedded, in the application. Though an application may include web links, or embedded hyperlinks, reviewers will not review this information as it is not considered to be part of the application documents. Nor will the information on websites be taken into consideration in scoring of evaluation criteria presented in this section. Reviewers will evaluate and score an application based on the documents that are presented in the application and **will not** refer to, or access, external links during the objective review.

Applications competing for financial assistance will be reviewed and evaluated using the criteria described in this section. The corresponding point values indicate the relative importance placed on each review criterion. Points will be allocated based on the extent to which the application proposal addresses each of the criteria listed. Applicants should address these criteria in their application materials, particularly in the project description and budget justification, as they are the basis upon which competing applications will be judged during the objective review. The required elements of the project description and budget justification may be found in *Section IV.2* of this announcement.

Understanding of Technical Approach**Maximum Points: 35**

Applications will be evaluated on the extent to which the proposed approach includes the types of activities described *Section I. Program Description* of this FOA:

To what degree does the applicant demonstrate and/or provide the following:

- A comprehensive understanding of behavioral economics and the methods used by this discipline for diagnosing, implementing, and evaluating a behaviorally informed intervention? (10 points)
- Appropriate methods to establish criteria for judging the soundness of third-party evaluators and technical assistance providers and proposals (e.g., RFPs) and ensuring they incorporate the project requirements and scope described in this FOA? (5 points)
- A sound approach for timely communication and collaborative working relationships with OCSE? (5 points)
- A detailed project management plan that adequately reflects the complex nature of the work to be undertaken and demonstrates an effective communication plan with the TAE Team, and provides evidence that the approach is feasible to implement in the timelines required for the project? (10 points)
- A sound approach for updating the child support field on BICS project progress and interim lessons learned? (5 points)

Personnel and Resources**Maximum Points: 25**

To what degree does the applicant demonstrate and/or provide the following:

- Qualified personnel with relevant experience and resources adequate to plan, manage, and complete the project? (20 points)
- Personnel qualified to work with the TAE Team and monitor their performance, including reviewing major deliverables? (5 points)

Experience and Capacity**Maximum Points: 30**

To what degree does the applicant demonstrate and/or provide the following:

- Prior experience creating, awarding, and managing contracts for high-quality, independent program evaluations and technical assistance that are similar to that proposed for this project or experience with other large demonstrations, evaluations, and/or projects? (10 points)
- Ability to secure the services of a high-quality, independent program evaluator and technical assistance provider with experience in behavioral interventions using large-scale, multi-site experimental evaluations (e.g. through a contract or interagency agreement)? (20 points)

Budget Details**Maximum Points: 10**

To what degree does the applicant demonstrate and/or provide the following:

- A detailed budget that contains reasonable cost estimates for the services of an independent, third-party evaluator and technical assistance provider, as well as for services provided by the state agency? (8 points)
- A budget proposal that includes the salary for at least one full-time project manager and the attendance of the project manager at the two workshops to be held during year 1 in Washington, DC? (2 points)

V.2. Review and Selection Process

No grant award will be made under this announcement on the basis of an incomplete application. No grant award will be made to an applicant or sub-recipient that does not have a DUNS number (www.dbn.com) and an active registration at SAM (www.sam.gov). See *Section III.3. Other*.

Initial ACF Screening

Each application will be screened to determine whether it meets any of the disqualification factors described in *Section III.3. Other, Application Disqualification Factors*.

Disqualified applications are considered to be “non-responsive” and are excluded from the competitive review process. Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this funding opportunity announcement.

Objective Review and Results

Applications competing for financial assistance will be reviewed and evaluated by objective review panels using only the criteria described in *Section V.1. Criteria* of this announcement. Each panel is composed of experts with knowledge and experience in the area under review. Generally, review panels include three reviewers and one chairperson.

Results of the competitive objective review are taken into consideration by ACF in the selection of projects for funding; however, objective review scores and rankings are not binding. Scores and rankings are only one element used in the award decision-making process.

ACF may elect not to fund applicants with management or financial problems that would indicate an inability to successfully complete the proposed project. Applications may be funded in whole or in part. Successful applicants may be funded at an amount lower than that requested. ACF reserves the right to consider preferences to fund organizations serving emerging, unserved, or under-served populations, including those populations located in pockets of poverty. ACF will also consider the geographic distribution of federal funds in its award decisions.

Please refer to *Section IV.2.* of this announcement for information on non-federal reviewers in the review process.

Approved but Unfunded Applications

Applications recommended for approval that were not funded under the competition because of the lack of available funds may be held over by ACF and reconsidered in a subsequent review cycle if a future competition under the program area is planned. These applications will be held over for a period of up to one year and will be re-competed for funding with all other competing applications in the next available review cycle. For those applications that have been deemed as approved but unfunded, notice will be given of such determination by postal mail.

V.3. Anticipated Announcement and Award Dates

Announcement of awards and the disposition of applications will be provided to applicants at a later date.

VI. Award Administration Information

VI.1. Award Notices

Successful applicants will be notified through the issuance of a Notice of Award (NOA) that sets forth the amount of funds granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-federal share to be provided (if applicable), and the total project period for which support is contemplated. The NOA will be signed by the Grants Officer and transmitted via postal mail or email. Following the finalization of funding decisions, organizations whose applications will not be funded will be notified by letter signed by the cognizant Program Office head. Any other correspondence that announces to a Principal Investigator, or a Project Director, that an application was selected is not an authorization to begin performance.

Project costs that are incurred prior to the receipt of the NOA are at the recipient's risk and may be reimbursed only to the extent that they are considered allowable as approved pre-award costs. Information on allowable pre-award costs and the time period under which they may be incurred is available in *Section IV.5. Funding Restrictions.*

VI.2. Administrative and National Policy Requirements

Awards issued under this announcement are subject to the uniform administrative requirements and cost principles of 45 CFR Part 74 (Awards And Subawards To Institutions Of Higher Education, Hospitals, Other Nonprofit Organizations, And Commercial Organizations) or 45 CFR Part 92 (Grants And Cooperative Agreements To State, Local, And Tribal Governments). The Code of Federal Regulations (CFR) is available at <http://www.gpo.gov>.

An application funded with the release of federal funds through a grant award does not constitute, or imply, compliance with federal regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable federal regulations.

Prohibition Against Profit

Grantees are subject to the limitations set forth in 45 CFR Part 74, Subpart E-Special Provisions for Awards to Commercial Organizations (45 CFR § 74.81_Prohibition against profit), which states that, "...no HHS funds may be paid as profit to any recipient even if the recipient is a commercial organization. Profit is any amount in excess of allowable direct and indirect costs."

Equal Treatment for Faith-Based Organizations

Grantees are also subject to the requirements of 45 CFR § 87.1(c), Equal Treatment for Faith-Based Organizations, which says, "Organizations that receive direct financial assistance from the [Health and Human Services] Department under any Department program may not engage in inherently religious activities such as worship, religious instruction, or proselytization, as part of the programs or services funded with direct financial assistance from the Department." Therefore, organizations must take steps to completely separate the presentation of any program with religious content from the presentation of the Federally funded program by time or location *in such a way that it is clear that the two programs are separate and distinct*. If separating the two programs by time but presenting them in the same location, one program must *completely* end before the other program begins.

A faith-based organization receiving HHS funds retains its independence from federal, state, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs. For example, a faith-based organization may use space in its facilities to provide secular programs or services funded with federal funds without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization that receives federal funds retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents in accordance with all program requirements, statutes, and other applicable requirements governing the conduct of HHS-funded activities.

Regulations pertaining to the Equal Treatment for Faith-Based Organizations, which includes the prohibition against federal funding of inherently religious activities, Understanding the Regulations Related to the Faith-Based and Neighborhood Partnerships Initiative" are available at <http://www.hhs.gov/partnerships/about/regulations/>. Additional information, resources, and tools for faith-based organizations is available through The Center for Faith-based and Neighborhood Partnerships website at <http://www.hhs.gov/partnerships/index.html> and at the <https://www.acf.hhs.gov/programs/ocs>

[/resource/capacity-building-toolkits-for-faith-based-and-community-organizations.](#)

Award Term and Condition under the Trafficking Victims Protection Act of 2000

Awards issued under this announcement are subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. § 7104). For the full text of the award term, go to <http://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons>. If you are unable to access this link, please contact the Grants Management Contact identified in *Section VII, Agency Contacts* of this announcement to obtain a copy of the term.

Requirements for Drug-Free Workplace

The Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101-8106) requires that all organizations receiving grants from any federal agency agree to maintain a drug-free workplace. By signing the application, the Authorizing Official agrees that the grantee will provide a drug-free workplace and will comply with the requirement to notify ACF if an employee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. Government-wide requirements for Drug-Free Workplace for Financial Assistance are found in 2 CFR Part 182; HHS implementing regulations are set forth in 2 CFR § 382.400. All recipients of ACF grant funds must comply with the requirements in Subpart B - Requirements for Recipients Other Than Individuals, 2 CFR § 382.225. The rule is available at <http://www.gpo.gov/fdsys/pkg/CFR-2001-title45-vol1/content-detail.html>.

Debarment and Suspension

HHS regulations published in 2 CFR Part 376 implement the governmentwide debarment and suspension system guidance (2 CFR Part 180) for HHS' non-procurement programs and activities. "Non-procurement transactions" include, among other things, grants, cooperative agreements, scholarships, fellowships, and loans. ACF implements the HHS Debarment and Suspension regulations as a term and condition of award. Grantees may decide the method and frequency by which this determination is made and may check the Excluded Parties List System (EPLS) located at <https://www.sam.gov/>, although checking the EPLS is not required. More information is available at <https://www.acf.hhs.gov/grants-forms>.

Pro-Children Act

The Pro-Children Act of 2001, 20 U.S.C. §§ 7181 through 7184, imposes restrictions on smoking in facilities where federally funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood

development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

HHS Grants Policy Statement

The HHS Grants Policy Statement (HHS GPS) is the Department of Health and Human Services' single policy guide for discretionary grants and cooperative agreements. ACF grant awards are subject to the requirements of the HHS GPS, which covers basic grants processes, standard terms and conditions, and points of contact, as well as important agency-specific requirements. Appendices to the HHS GPS include a glossary of terms and a list of standard abbreviations for ease of reference. The general terms and conditions in the HHS GPS will apply as indicated unless there are statutory, regulatory, or award-specific requirements to the contrary that are specified in the Notice of Award (NOA). The HHS GPS is available at <https://www.acf.hhs.gov/grants/discretionary-competitive-grants>.

Freedom of Information Act (FOIA)

Applications funded by federal grant programs are subject to disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Such applications are frequently requested under the FOIA, consistent with the FOIA's requirement to proactively disclose frequently requested materials at 5 U.S.C. § 552(a)(2)(D). Each released application will receive appropriate redaction of specific information to protect personal privacy and competitively sensitive commercial information. Information on filing a FOIA request is available at <http://www.acf.hhs.gov/submit-a-foia-request>.

VI.3. Reporting

Grantees under this funding opportunity announcement will be required to submit performance progress and financial reports periodically throughout the project period. The frequency of required reporting is listed later in this section. Final reports may be submitted in hard copy to the Grants Management Office Contact listed in *Section VII. Agency Contacts* of this announcement. Instructions on submission of reports electronically will be provided with award documents.

Performance Progress Reports (PPR)

Notice of Award documents will inform grantees of the appropriate performance progress report form or format to use. Grantees should consult their Notice of Award documents to determine the appropriate performance progress report format required under their award. Performance progress reports are due 30 days after the end of the reporting period.

Final program performance reports are due 90 days after the close of the project period. For awards that implement the use of the SF-PPR, that form may be found under "Reporting" at <https://www.acf.hhs.gov/grants-forms>

Federal Financial Reports (FFR)

As of February 1, 2011, HHS began the transition from use of the SF-269, Financial Status Report (Short Form or Long Form) to the use of the SF-425 Federal Financial Report for expenditure reporting. SF-269s will no longer be accepted for expenditure reports due after that date. If an SF-269 is submitted, the ACF will return it and require the recipient to complete the SF-425.

The transition strategy is allowing individual HHS Operating Divisions to select--from a limited number of options--the approach that best fits their programs and business process. This transition does not affect completion or submission of the cash reporting to the HHS Division of Payment Management's Payment Management System (PMS). The primary features of this transition for recipients are that OPDIVs that previously required electronic submission of the SF-269 will receive the SF-425 expenditure reports electronically and, until further notice, OPDIVs that have been receiving expenditure reports in hard copy will continue to do so.

All expenditure reports will be due on one of the standard due dates by which cash reporting is required to be submitted to PMS or at the end of a calendar quarter as determined by the Operating Division. As a result, a recipient that receives awards from more than one OPDIV may be subject to more than one approach, but will not be required to change its current means of submission or be subjected to more than eight standard due dates.

Beginning with budget periods which end from January 1 - March 31, 2011, and for all budget periods thereafter, all affected ACF grantees will be required to submit an SF-425 report as frequently as is required in the terms and conditions of their award using due dates for reports to PMS.

For budget periods ending in the months of:	The FFR (SF-425) is due to ACF on:
January 01 through March 31	April 30
April 01 through June 30	July 30
July 01 through September 30	October 30
October 01 through December 31	January 30

Fillable versions of the SF-425 form in Adobe PDF and MS-Excel formats, along with instructions, are available at http://www.whitehouse.gov/omb/grants_forms and at <https://www.acf.hhs.gov/grants-forms>. Further instructions will be provided, as necessary, with award terms and conditions that will address specific reporting periods and due dates on an award-by-award basis.

For planning purposes, ACF reporting periods for awards made under this announcement are

as follows:

Program Progress Semi-Annually
Reports:

Financial Reports: Semi-Annually

Federal Financial Accountability and Transparency Act (FFATA) Subaward and Executive Compensation

Awards issued as a result of this funding opportunity may be subject to the Transparency Act subaward and executive compensation reporting requirements of 2 CFR Part 170. See ACF's Award Term for Federal Financial Accountability and Transparency Act (FFATA) Subaward and Executive Compensation Reporting Requirement implementing this requirement and additional award applicability information at [https:// www.acf.hhs.gov/grants/ discretionary-competitive-grants](https://www.acf.hhs.gov/grants/discretionary-competitive-grants).

Tangible Property Report (SF-428)

As of April 1, 2012, the Administration for Children and Families began requiring the use of the Tangible Personal Property Form (SF-428) .

The **SF-428** is a standard form used by awarding agencies to collect information related to tangible personal property (equipment and supplies) when required by a federal financial assistance award. The form consists of the cover sheet, SF-428, and three attachments to be used as required: Annual Report; Final (Award Closeout) Report and a Disposition Request/Report. A Supplemental Sheet, SF-428S, may be used to provide detailed individual item information.

The form is available under "Reporting" at [http://www.acf.hhs.gov/ grants-forms](http://www.acf.hhs.gov/grants-forms) and at [http:// www.whitehouse.gov/ omb/ grants forms](http://www.whitehouse.gov/omb/grants_forms).

Real Property Status Report (SF-429)

Beginning with budget periods ending September 30, 2012, and for all budget periods thereafter, all ACF grantees are required to submit the SF-429 report(s) as frequently as required in the terms and conditions of their award(s).

The **SF-429** is a standard report used by recipients of federal financial assistance to report real property status (Attachment A) or to request agency instructions on real property (Attachments B, C) that has been/will be provided as Government Furnished Property (GFP) or acquired (i.e., purchased or constructed) in whole or in part under a federal financial assistance award (i.e., grant, cooperative agreement, etc.). This includes real property that was improved using federal funds and real property that was donated to a federal project in the form of a match or cost share donation. This report is used for awards that establish a federal Interest on real property.

The form is available under "Reporting" at [http://www.acf.hhs.gov/ grants-forms](http://www.acf.hhs.gov/grants-forms) and at [http:// www.whitehouse.gov/ omb/ grants forms](http://www.whitehouse.gov/omb/grants_forms).
