

Multistate Financial Institution Data Match State Cost Reimbursement Table

Federal law allows state legislatures to pay a reasonable amount to financial institutions (FIs) for the cost of processing the quarterly data match with the Multistate Financial Institution Data Match (MSFIDM) program. This table indicates the reimbursement amount, if state law allows it, and the billing address for FIs.

If you have updates or questions, notify the Help Desk at fidm@ssa.gov.

State	Fee Amount	Billing Address
