Receiving Assistance under the TANF Program**

**ACTIVES**

*Instructions and Definitions*

**General:**

- The Tribal grantee should collect and report data for each data element. The data must be complete (unless explicitly instructed to leave the field blank) and accurate (i.e., correct).
  - An "Unknown" code may appear only on four sets of data elements ([#32 and #67] Date of Birth, [#33 and #68] Social Security Number, [#41 and #74] Educational Level, and [#42 and #75] Citizenship/Alienage). For these data elements, unknown is not an acceptable code for individuals who are members of the eligible family (i.e., family affiliation code "1").
  - There are five data elements for which Tribes have the option to report based on either the budget month or the reporting month. These are: #16 Amount of Food Stamps Assistance; #19 Amount of Child Support; #20 Amount of Families Cash Resources; #64 Amount of Earned Income; and [#35 and #76] Amount of Unearned Income. Whichever choice the Tribe selects must be used for all families reported each month and must be used for all months in the fiscal year.
1. State FIPS Code: Tribal grantees should enter "00" or leave blank.
  2. County FIPS Code: Tribal grantees should leave this field blank.
  3. Tribal Code: For Tribal grantees, enter the three-digit Tribal code that represents your Tribe. For a complete listing of Tribal Codes, contact the Division of Tribal TANF Management, Office of Family Assistance. Newly formed consortiums must contact the Division to obtain a code. State agencies should leave this field blank.
  4. Reporting Month: Enter the four-digit year and two-digit month codes that identify the year and month for which the data are being reported.
  5. Stratum:

**Guidance:** If a Tribe opts to provide data for its entire caseload, it may use this for its own coding purposes as long as a two-digit numerical code is specified.

**Instruction:** Enter any two-digit numerical code.

Family-Level Data

**Definition:** For reporting purposes, the TANF family means

- (a) all individuals receiving assistance as part of a family under the Tribe's TANF Program; and
- (b) the following additional persons living in the household, if not included under (a) above:
  - (1) Parent(s) or caretaker relative(s) of any minor child receiving assistance;
  - (2) Minor siblings of any child receiving assistance; and
  - (3) Any person whose income or resources would be counted in determining the family's eligibility for or amount of assistance.

6. Case Number--TANF:

**Guidance:** If the case number is less than the allowable eleven characters, Tribes may use lead zeros to fill in the number. This number will be used to refer back to the Tribal records concerning the case if a question about the data arises.

**Instruction:** Enter the number assigned by the Tribal grantee to uniquely identify the case.

7. ZIP Code: Enter the five-digit ZIP code for the TANF family's place of residence for the reporting month.

8. Funding Stream:

**Guidance:** If a State is paying maintenance assistance directly to a family because the family is a Tribal TANF family, then the Tribe is responsible for reporting on that family. In this circumstance, Item 8, funding stream should be coded 2. In the event that the State is paying maintenance assistance to an American Indian family under the State's program, the State is responsible for reporting on that family.

**Instructions:**

- 1. Enter 1 if a Tribal TANF family is receiving maintenance assistance directly from the Tribe.
- 2. Enter 2 if the State is paying maintenance assistance directly to a family because the family is a Tribal TANF family.

## 9. Disposition:

**Guidance:** If a Tribe opts to report on its entire caseload, the only applicable code for the Tribe is "1".

**Instructions:** Enter code "1".

## 10. New Applicant:

**Guidance:** A newly-approved applicant means the current reporting month is the first month in which the TANF family receives TANF assistance (and thus has had a chance to be reported on). This may be either the first month that the TANF family has ever received assistance or the first month of a new spell on assistance. A TANF family that is reinstated from a suspension is not a newly, approved applicant.

**Instruction:** Enter the one-digit code that indicates whether or not the TANF family is a newly-approved applicant.

1= Yes, a newly-approved application

2= No.

## 11. Number of Family Members:

**Instruction:** Enter two digits that represent the number of members in the family receiving assistance under the Tribe's TANF Program during the reporting month. Include in the number of family members, the noncustodial parent who the Tribe has opted to include as part of the eligible family, who is receiving assistance as defined in Sec. 260.31, or who is participating in work activities as defined for Tribes in their approved plan.

## 12. Type of Family for Work Participation:

**Guidance:** This data element will be used in conjunction with other data elements (dependent on the approved Tribal plan) to determine work participation rates.

A family with a minor child head-of-household should be coded as either a single-parent family or two-parent family, whichever is appropriate.

If the family receiving assistance includes a custodial and noncustodial parent, then, if neither parent is disabled, the family should be coded as a two-parent family. A noncustodial parent is defined in section 260.30 as a parent who lives in the State or States (in which the Tribal Service area is located) and does not live with his/her child(ren). The Tribe must report information on the noncustodial parent if the noncustodial parent: (1) Is receiving assistance as defined in Sec. 260.31; (2) is participating in work activities as defined in the Tribal plan; or (3) has been designated by the Tribe as a member of a family receiving assistance.

**Instruction:** Enter the one-digit code that represents the type of family

- 1= One parent family
- 2= Two-parent family
- 3= Family excluded from both the overall and two-parent work participation rates (no adult receiving assistance)

13. Receives Subsidized Housing:

**Guidance:** Subsidized housing refers to housing for which money was paid by the Federal, State, Tribe or local government or through a private social service agency to the family or to the owner of the housing to assist the family in paying rent. Two families sharing living expenses does not constitute subsidized housing.

**Instruction:** Enter the one-digit code that indicates whether or not the TANF family received subsidized housing for the reporting month.

- 1= Public housing.
- 2= Rent subsidy.
- 3= No housing subsidy.

14. Receives Medical Assistance:

**Instruction:** Enter "1" if, for the reporting month, any TANF family member is enrolled in Medicaid and thus eligible to receive medical assistance under the State plan approved under Title XIX or "2" if no TANF family member is enrolled in Medicaid.

- 1= Yes, enrolled in Medicaid.
- 2= No.

15. Receives Food Stamps:

**Instruction:** Enter the one-digit code that indicates whether or not the TANF family is receiving food stamp assistance.

- 1= Yes, receives food stamp assistance.
- 2= No.

## 16. Amount of Food Stamp Assistance:

**Guidance:** For situations in which the food stamp household differs from the TANF family, code this element in a manner that most accurately reflects the resources available to the TANF family. One acceptable method for calculating the amount of food stamp assistance available to the TANF family is to prorate the amount of food stamps equally among each food stamp recipient then add together the amounts belonging to the TANF recipients to get the total amount for the TANF family.

**Instruction:** Enter the TANF family's authorized dollar amount of food stamp assistance for the reporting month or for the month used to budget for the reporting month.

## 17. Receives Subsidized Child Care:

**Instruction:** If the TANF family receives subsidized child care for the reporting month, enter code "1" or "2", whichever is appropriate. Otherwise, enter code "3".

1= Yes, receives child care funded entirely or in part with Federal funds (e.g., receives TANF, CCDF, SSBG, or other federally funded child care).

2= Yes, receives child care funded entirely under a State, Tribal, and/or local program (i.e., no Federal funds used).

3= No subsidized child care received.

## 18. Amount of Subsidized Child Care:

**Guidance:** Subsidized child care means a grant by the Federal, State, Tribal, or local government to or on behalf of a parent (or caretaker relative) to support, in part or whole, the cost of child care services provided by an eligible provider to an eligible child. The grant may be paid directly to the parent (or caretaker relative) or to a child care provider on behalf of the parent (or caretaker relative).

**Instruction:** Enter the total dollar amount of subsidized child care from all sources (e.g., CCDF, TANF, SSBG, State, Tribal, local, etc. ) that the TANF family has received for services in the reporting month. If the TANF family did not receive any subsidized child care for services in the reporting month, enter "0".

## 19. Amount of Child Support:

**Instruction:** Enter the total dollar value of child support received on behalf of the TANF family in the reporting month or for the month used to budget for the reporting month. This includes current payments, arrearages, recoupment, and pass-through amounts whether paid to the Tribe or the family.

## 20. Amount of the Family's Cash Resources:

**Instruction:** Enter the total dollar amount of the TANF family's cash resources as the Tribe defines them for determining eligibility and/or computing benefits for the reporting month or for the month used to budget for the reporting month.

*Amount of Assistance Received and the Number  
of Months That the Family Has Received Each  
Type of Assistance under the Tribal TANF  
Program*

**Guidance:** The term "assistance" includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses). It includes such benefits even when they are provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients and conditioned on their participation in work experience, community service, or other work activities.

Except where excluded as indicated in the following paragraph, it also includes supportive services such as transportation and child care provided to families who are not employed.

The term "assistance" excludes:

- (1) Nonrecurrent, short-term benefits (such as payments for rent deposits or appliance repairs) that:
  - (i) Are designed to deal with a specific crisis situation or episode of need;
  - (ii) Are not intended to meet recurrent or ongoing needs; and
  - (iii) Will not extend beyond four months.
- (2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);
- (3) Supportive services such as child care and transportation provided to families who are employed;
- (4) Refundable earned income tax credits;
- (5) Contributions to, and distributions from, Individual Development Accounts;
- (6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

- (7) Transportation benefits provided under an Access to Jobs or Reverse Commute project, pursuant to section 404(k) of the Act, to an individual who is not otherwise receiving assistance.

The exclusion of nonrecurrent, short-term benefits under (1) of this paragraph also covers supportive services for recently employed families, for temporary periods of unemployment, in order to enable continuity in their service arrangements.

**Instruction:** For each type of assistance provided under the Tribal TANF Program, enter the dollar amount of assistance that the TANF family received or that was paid on behalf of the TANF family for the reporting month and the number of months that the TANF family has received assistance under the Tribe's TANF program. For TANF Child Care also enter the number of children covered by the dollar amount of child care. If, for a "type of assistance", no dollar amount of assistance was provided during the reporting month, enter "0" as the amount. If, for a "type of assistance", no assistance has been received (since the Tribe began its TANF Program or since the effective date of the final regulations) by the TANF eligible family, enter ``0'' as the number of months of assistance.

Furthermore, the family may have received TANF child care for one or more child(ren) for a total of six months under the State (Tribal) TANF Program. In this example, the State (Tribe) would code 500, 2, and 6 for the amount, number of children and number of months respectively. Include only the child care funded directly by the Tribal TANF Program. Do not include child care funded under the Child Care and Development Fund, even though some of the funds were transferred to the CCDF from the TANF program.

**Guidance:** Under TANF rules, an eligible family that does not include a recipient who is an adult head-of-household, a spouse of the head-of-household, or a minor child head-of-household who has received federally-funded assistance for countable months up to the Tribal Time limit may continue to receive assistance. A countable month is a month of assistance for which the adult head-of-household, the spouse of the head-of-household, or the minor child head-of-household is not exempt from the Tribal time-limit provisions. Families with an adult head-of-household, a spouse of a head-of-house, or minor child head-of-household who have received countable months of assistance up to the Tribal time limit, may be exempt from termination of assistance. Exemptions from termination of assistance include a hardship exemption (as defined by the Tribal plan). Also, if, in the reporting month, the Family lives in Indian country or in an Alaskan native village where the percent of adults not employed is 50 percent or more, the month of assistance is exempt from being counted (is disregarded).

**Instruction:** If the TANF family has no exemption from the Tribal time limit, enter code "01". Person-Level Data

Person-level data has two sections: (1) The adult and minor child head-of-household characteristic section and (2) the child characteristics section. Section 419 of the Act defines adult and minor child. An adult is an individual that is not a minor child. A minor child is an individual who (a) has not attained 18 years of age or (b) has not attained 19 years of age and is a full-time student in a secondary school (or in the equivalent level of vocational or technical training).

Detailed data elements must be reported on all individuals unless, for a specific data element, the instructions explicitly give Tribes an option to not report for a specific group of individuals.

**Adult and Minor Child Head-of-Household Characteristics**

This section allows for coding up to six adults (or a minor child who is either a head-of-household or married to the head-of-household and up to five adults) in the TANF family. A minor child who is either a head-of-household or married to the head-of-household should be coded as an adult and will hereafter be referred to as a "minor child head-of-household". For each adult (or minor child head-of-household) in the TANF family, complete the adult characteristics section. A noncustodial parent is defined in section 260.30 as a parent who lives in the State or States (in which the Tribal Service area is located) and does not live with his/her child(ren). The Tribe must report information on the noncustodial parent if the noncustodial parent: (1) Is receiving assistance as defined in Sec. 260.31; (2) is participating in work activities as defined in the Tribal Plan; or (3) has been designated by the Tribe as a member of a family receiving assistance.

The Tribe has the option to count a family with a noncustodial parent receiving assistance as a two-parent family for work participation rate purposes. As indicated below, reporting for certain specified data elements in this section is optional for certain individuals (whose family affiliation code is a 2, 3, or 5).

If there are more than six adults (or a minor child head-of-household and five adults) in the TANF family, use the following order to identify the persons to be coded: (1) The head-of-household; (2) parents in the eligible family receiving assistance; (3) other adults in the eligible family receiving assistance; (4) parents not in the eligible family receiving assistance; (5) caretaker relatives not in the eligible family receiving assistance; and (6) other persons whose income or resources count in determining eligibility for or amount of assistance of the eligible family receiving assistance, in descending order from the person with the most income to the person with least income (or resources if no income).

## 30. Family Affiliation:

44. Number of Months Countable toward Tribal Time Limit: Enter the number of months countable toward the adult's (or minor child head-of-household's) Tribal time limit based on the cumulative amount of time the individual has received TANF from both the State or Tribe and other States or Tribes. Reporting of this data element is optional for individuals whose family affiliation code is 2, 3, or 5.

45. Number of Countable Months Remaining Under the Tribe's Time Limit: Enter the number of months that remain countable toward the adult's (or minor child head-of-household's) Tribal time limit. Reporting of this data element is optional for individuals whose family affiliation code is 2, 3, or 5.

46. Is Current Month Exempt from the State's (Tribe's) Time Limit: Enter the one-digit code that indicates the adult's (or minor child head-of-household's) current exempt status from Tribe's time limit. Reporting of this data element is optional for individuals whose family affiliation code is 2, 3, or 5.

1=       Employed.

2=       Unemployed, looking for work.

3=       Not in labor force (i.e., unemployed, not looking for work, includes discouraged workers).

48. Work Participation Status:

**Guidance:** This item is used in calculating the work participation rates. The following two definitions are used in reporting this item and in determining which families are included in and excluded from the calculations.

"Disregarded" from the participation rate means the TANF family is not included in the calculation of the work participation rate.

"Exempt" means that the individual will not be penalized for failure to engage in work (i.e., good cause exception); however, the TANF family is included in the calculation of the work participation rate.

A Tribe is not required to disregard all families that could be disregarded. For example, a family with a child under 12 months may be disregarded. However, if the family is meeting the work requirements, the Tribe may want to include the family in its work participation rate. In this situation, the Tribe should use work participation status code "19" rather than code "01".

**Instruction:** Enter the two-digit code that indicates the adult's (or minor child head-of-household's) work participation status. If the Tribe chooses to include the noncustodial parent in the two-parent work participation rate, the Tribe must code the data element "Type of Family for Work Participation Rate" with a "2" and enter the applicable code for this data element. If a State (Tribe) chooses to exclude the noncustodial parent from the two-parent work participation rate, the State (Tribe) must code the data element "Type of Family for Work Participation" with a "1" and code the data element "Work Participation Status" for the noncustodial parent with a "99". This data element is not applicable for individuals whose family affiliation code is 2, 3, 4, or 5 (i.e., use code "99" or leave blank).

01=       Disregarded from participation rate, family with child under 12 months.

- 02= Disregarded from participation rate because all of the following apply: required to participate, but not participating; and sanctioned for the reporting month, but not sanctioned for more than 3 months within the preceding 12-month period (Note, this code should be used only in a month for which the family is disregarded from the participation rate). While one or more adults may be sanctioned in more than 3 months within the preceding 12-month period, the family may not be disregarded from the participation rate for more than 3 months within the preceding 12-month period).
- 03= Disregarded, family is part of an ongoing research evaluation (as a member of a control group or experimental group) approved under Section 1115 of the Social Security Act.
- 04= Not applicable to Tribes
- 05= Exempt for reasons specified in negotiated Tribal TANF plan.
- 06= Exempt, single custodial parent with child under age 6 and child care unavailable.
- 07= Exempt, disabled.
- 08= Exempt, caring for a severely disabled child.
- 09= Exempt, under a federally recognized good cause domestic violence waiver.
- 10= Not applicable to Tribes.
- 11= Exempt, other.
- 12= Required to participate, but not participating; sanctioned for the reporting month; and sanctioned for more than 3 months within the preceding 12-month period.
- 13= Required to participate, but not participating; and sanctioned for the reporting month, but not sanctioned for more than 3 months within the preceding 12-month period.
- 14= Required to participate, but not participating; and not sanctioned for the reporting month.

- 16= Deemed engaged in work--single teen head-of-household or married teen who participates in education directly related to employment for an average of at least 20 hours per week during the reporting month.

- 17= Deemed engaged in work--parent or relative (who is the only parent or caretaker relative in the family) with child under age 6 and parent engaged in work activities for at least 20 hours per week.
- 18= Required to participate and participating, but not meeting minimum participation requirements.
- 19= Required to participate and meeting minimum participation requirements.
- 99= Not applicable (e.g., person living in household and whose income or resources are counted in determining eligibility for or amount of assistance of the family receiving assistance, but not in eligible family receiving assistance or noncustodial parent that the Tribe opted to exclude in determining participation rate).

#### Adult Work Participation Activities

**Guidance:** To calculate the average number of hours per week of participation in a work activity, add the number of hours of participation across all weeks in the month and divide by the number of weeks in the month. Round to the nearest whole number.

Some weeks have days in more than one month. Include such a week in the calculation for the month that contains the most days of the week (e.g., the week of July 27-August 2, 1997 would be included in the July calculation). Acceptable alternatives to this approach must account for all weeks in the fiscal year. One acceptable alternative is to include the week in the calculation for whichever month the Friday falls (i.e., the JOBS approach). A second acceptable alternative is to count each month as having 4.33 weeks.

During the first or last month of any spell of assistance, a family may happen to receive assistance for only part of the month. If a family receives assistance for only part of a month, the State (Tribe) may count it as a month of participation if an adult (or minor child head-of-household) in the family (both adults, if they are both required to work) is engaged in work for the minimum average number of hours for any full week(s) that the family receives assistance in that month.

Limitations: The limitations<sup>1</sup> concerning job search and job readiness are:

- (1) Job search and job readiness assistance only count for 6 weeks in any fiscal year;
- (3) If the Tribe's total unemployment rate for a fiscal year is at least 50 percent greater than the United States' total unemployment rate for that fiscal year, then an individual's participation in job search or job readiness assistance counts for up to 12 weeks in that fiscal year.

Instruction: For each work activity in which the adult (or minor child head-of-household) participated during the reporting month, enter the average number of hours per week of participation, except as noted above. For each work activity in which the adult (or minor child head-of-household) did not participate, enter zero as the average number of hours per week of participation. These work activity data elements are applicable only for individuals whose family affiliation code is 1.

- 50. Subsidized Private-Sector Employment.
- 51. Subsidized Public-Sector Employment.
- 52. Work Experience.

- 54. Job Search and Job Readiness Assistance.

---

<sup>1</sup> A Tribe, which has negotiated different limitations, should use their best judgement to determine which code to use.

**Instruction:** As noted above, the statute limits participation in job search and job readiness training in two ways. Enter, in this data element, the average number of hours per week of participation in job search and job readiness training that are within the statutory limitations.

Otherwise, count the additional hours of work participation under the work activity "Other Work Activities".

If the Tribe counts the EITC as a resource, report it here as unearned income in the month received (i.e., reporting month or budget month, whichever the State is using). If the Tribe assumes an advance payment is applied for and obtained, only report what is actually received for this item.

The youngest child should be coded as the first child in the family, the second youngest child as the second child, and so on. If there are more than ten children in the TANF family, use the following order to identify the persons to be coded: (1) children in the eligible family receiving assistance in order from youngest to oldest; (2) minor siblings of child in the eligible family receiving assistance from youngest to oldest; and (3) any other children.

**Disaggregated Data Collection for Families No  
Longer Receiving Assistance under the TANF  
Program**

**CLOSED CASES**

Instructions and Definitions

General Instruction: The Tribal grantee should collect and report data for each data element. The data must be complete (unless explicitly instructed to leave the field blank) and accurate (i.e., correct).

An "Unknown" code may appear only on four data elements (#15 Date of Birth, #16 Social Security Number, #24 Educational Level, and #25 Citizenship/Alienage). For these data elements, unknown is not an acceptable code for individuals who are members of the eligible family (i.e., family affiliation code "1"). Tribes are not expected to track closed cases in order to collect information on families for months after the family has left the rolls. Rather, Tribes are to report based on the last month of assistance.

1. State FIPS Code: Tribal grantees should enter "00" or leave blank.
2. County FIPS Code: Tribal grantees should leave this field blank.
3. Tribal Code: For Tribal grantees, enter the three-digit Tribal code that represents your Tribe. For a complete listing of Tribal Codes, contact the Division of Tribal TANF Management, Office of Family Assistance. Newly formed consortiums must contact the Division to obtain a code. State agencies should leave this field blank.
4. Reporting Month: Enter the four-digit year and two-digit month code that identifies the year and month for which the data are being reported.
5. Stratum:

**Guidance:** If a Tribe opts to provide data for its entire caseload (i.e., does not select a sample of cases to report on), the Tribe may use this data element for its own coding purposes as long as a two digit numerical code is specified.

**Instruction:** Enter any two-digit numerical code.

*Family-Level Data*

Definition: For reporting purposes, the TANF family means

- (a) All individuals receiving assistance as part of a family under the State's (Tribe's) TANF Program; and
- (b) the following additional persons living in the household, if not included under (a) above:
  - (1) Parent(s) or caretaker relative(s) of any minor child receiving assistance;
  - (2) Minor siblings (including unborn children) of any child receiving assistance; and
  - (3) Any person whose income or resources would be counted in determining the family's eligibility for or amount of assistance.

6. Case Number--TANF:

**Guidance:** If the case number is less than the allowable eleven characters, a Tribe may use lead zeros to fill in the number.

**Instruction:** Enter the number that was assigned by the State agency or Tribal grantee to uniquely identify the TANF family.

7. ZIP Code: Enter the five-digit ZIP code for the family's place of residence for the reporting month.

8. Disposition:

**Instructions:** Enter code "1".

9. Reason for Closure:

**Guidance:** A closed case is a family whose assistance was terminated for the reporting month, but received assistance under the Tribe's TANF Program in the prior month. A temporarily suspended case is not a closed case. If there is more than one applicable reason for closure, determine the principal (i.e., most relevant) reason. If two or more reasons are equally relevant, use the reason with the lowest numeric code. For example, when an adult marries, the income and resources of the new spouse are considered in determining eligibility. If, at the time of the marriage, the family becomes ineligible because of the addition of the spouse's income and/or resources, the case closure should be coded using code "2".

If the family did not become ineligible based on the income and resources at the time of the marriage, but rather due to an increase in earnings subsequent to the marriage, then the case closure should be coded using code "1".

**Instruction:** Enter the two-digit code that indicates the reason for the TANF family no longer receiving assistance.

- 01= Employment and/or excess earnings.
- 02= Marriage.
- 03= Not applicable to Tribes.
