

Head Start's 2nd National Research Conference: Implications for Serving Families With Young Children

SPECIAL SESSIONS

Opening Session - Urie Bronfenbrenner

Luncheon I - Marian Wright Edelman

Luncheon II - Mary Jo Bane

Plenary I

On the Front Lines: Federal Contributions to Head Start Research

Plenary II

Conceptualizing Diversity in the Study of Families

Closing Session

Advisory Committee on Head Start Quality and Expansion

SYMPOSIA

Head Start Demonstrations

Head Start Demonstration Project: Comprehensive Child Development Program (CCDP)

Head Start Demonstration Project: Head Start/Public School Early Childhood Transition

Follow Through Research, Practice, and Policy: Transition to School for Head Start Families

Head Start Demonstration Project: Family Service Centers (FSC)

Evaluating the Community Impact of Family Service Centers in Rural Areas

Education and the Schools

National Education Goal #1 - By the Year 2000, All Children in America Will Start School

Ready to Learn: Report From the Resource and Technical Advisory Panels

Improving Learning in Schools

Cultural and Cross-National Issues in Child Development and Learning

Ready to Learn: Family and School Influences on Growth of Early Literacy

Child Development and Assessment

Birth Through Three: Critical Influences on Development

Predicting Children's Persistence and Confidence in Novel or Challenging Situations: A Workshop on New Computer Games

Performance Assessment With the Work Sampling System

Child and Family Health

Primary Comprehensive Health Care for Children in Poverty

Head Start and Non-Head Start Families: Demographics and Health

Integrated Approaches to Early Intervention

The Role of the Grandmother in Ethnically Diverse Multigenerational Families: Implications for Policy and Practice

Effects of a Two-Generation Program on Mothers and Children: The Teenage Parent Demonstration Program

School-Based Prevention Research on Early Risk Behaviors: Implications for Head Start and Beyond

From Innovative Programs to Public Policy: Implementing Comprehensive Early Childhood Services in a World of Categorical Programs

Evaluating Two-Generation Interventions: Recommendations for Design, Analysis, and Field Implementation

Conceptual Models for the Study of Families

Broadening the Framework for Serving the Family: Translating Research Into Practice From a Multiethnic/Family Strength Perspective

American Indian, New Immigrant, and Migrant Families: A Focus for Research

An Integrative Theoretical Framework for the Study of Minority Families and the Developmental Outcome of Their Children

Researcher/Practitioner Partnerships

Research Partnerships in Action: Dynamic Struggles and Productive Relationships
Researchers Listening to Practitioners: "What have you done for us lately?"

The Future of Head Start

Government and Early Intervention: Issues for Researchers and Policymakers
From Research to Practice: Informing Head Start Today and in the Future
Minority Scholars' Perspective on Evaluation Implementation in Head Start

Miscellaneous

Challenges and Opportunities in Conducting Quantitative and Qualitative Research in a Service Setting
Research Issues in Racial Identity
Recent Foundation Initiatives
Involving Fathers in Head Start: A Framework for Program Development

HEAD START SHOWCASES AND POSTERS

Adolescent Parents

Children With Special Needs

Collaborations and Partnerships

Comprehensive Approaches to Early Intervention

Developmentally Appropriate Curriculum

Family Ecology/Systems Approach to Family Research

Family Strengths and Adaptive Strategies

Family Support Services

Health and Nutrition

Health Issues

Home-Based Interventions

Language and Literacy

Normative Child Development

Out-of-Home Child Care
Parent Involvement
Research, Service Delivery, and Policy
Screening and Assessment
Social and Academic Competence
Training and Development
Transition

APPENDIXES

Appendix A: Cooperating Organizations and Program Committee
Appendix B: Peer Reviewers
Appendix C: Subject Index
Appendix D: Directory of Participants
