LEARNING PROGRAMS

STATE STATISTICS &
STATE EFFORTS

- Average number of children 18 and under who receive meals in emergency shelters daily is 66 (CACFP/USDA).
- More than 22 percent of children 18 and under lived in households that lacked access to adequate food in 2013 (Children's Defense Fund).
- More than one in five children (22.8 percent) under 6 years old lived below the Federal Poverty Level in 2013.
- In the reauthorization of Head Start by the Improving Head Start for School Readiness Act of 2007 (Public Law 110-134), age-eligible children whose families are determined to be homeless are categorically eligible for Head Start and Early Head Start programs. Kansas has 116 Early Head Start-Child Care Partnership and Expansion (EHS-CCP) slots that could expand necessary assistance to homeless children.
- Kansas is considered to have separate programs but technically has a combination of Children's Health Insurance Program (CHIP) and Medicaid expansion. Current Medicaid covers children ages 0 to 1 up to 166 percent of Federal Poverty Level (FPL), and covers children ages 1 to 5 to 149 percent of FPL. CHIP covers children 242 percent of FPL (CMS).
