Website	http://www.lcthc.com/

Grant Goals

Program Vision	Native families are empowered to strengthen their emotional, mental, physical, social and spiritual wellness and increase connections to their culture and community so that parents and children are safer, healthier, happier and more resilient.
Program Goals	(1) Reduce Native children's exposure to tobacco, alcohol, and drugs through their family and community. (2) Increase Native parents' knowledge of child development and parenting, and improve parent-child interactions. (3) Strengthen connections for Native families to Tribal and Non-Tribal community resources, information and services, and connections to community and Tribal activities.

Implementation Context

State	California
Location of Community	Rural Non-Reservation
Population Served	Tribal members with children living in Lake County.
Ages of Children Served	Birth to kindergarten entry
Model	Parent-Child Assistance Program (PCAP)
Other Program Components	(1) Supplement: Utilization of the Circle of Security curriculum designed to improve developing parent-child interactions and relationships. (2) Supplement: Utilization of the Conscious Discipline curriculum that is a comprehensive, multidisciplinary self-regulation program that integrates social-emotional learning and discipline.
