

FVPSA-Funded Domestic Violence Services Network

Throughout the U.S., domestic and dating violence support services are provided free of charge, in a confidential and private manner, 365 days of the year.

These services include immediate crisis counseling via hotlines, emergency shelter and safe housing, counseling advocacy, legal and medical assistance, and other services that make up a coordinated community response to abuse and violence in intimate relationships.

Domestic violence hotlines are a lifeline for victims in danger, providing support, information, safety planning, discussion of options, and referrals to resources that are available in local communities. Well-trained advocates can be reached at the National Domestic Violence Hotline 24/7 by calling 1-800-799-7233 (SAFE). Peer advocates are available at the Loveisrespect by calling 1-866-331-9474 or texting "loveis" to 22522.
