Website	https://ebci.com/

Grant Goals

Program Vision	Eastern Band of Cherokee Indian children are healthy. Our families thrive. Our community prospers. Cycles are broken.
Program Goals	(1) Increase the number of clients participating in EBCI home visiting who will feel prepared for labor and delivery. (2) Increase the number of infants and toddlers participating in EBCI home visiting who achieve positive health outcomes by achieving growth and development milestones. (3) Increase the number of clients participating in EBCI home visiting who will increase their connectedness to the Cherokee language, EBCI community, traditions and culture.

Implementation Context

State	North Carolina
Location of Community	Rural Reservation
Population Served	Enrolled members of the Eastern Band of Cherokee Indians residing on or off tribal lands within Indian Health Service's Contract Health Service Delivery Area including the counties of: Cherokee, Graham, Haywood, Jackson and Swain.
Ages of Children Served	Prenatal to age two
Model	Nurse Family Partnership
Other Program Components	(1) Supplement: Inclusion of curricula focusing on teaching the Cherokee language and traditions. (2) Supplement: Childbirth curriculum provided by certified nurse home visitors.
