

**CHILD CARE AND DEVELOPMENT FUND (CCDF)
STATE SPENDING UNDER THE FISCAL YEAR 2006 APPROPRIATION
AS OF 9/30/2008**

FY 2006 Highlights:

This summary provides cumulative information obtained from State ACF-696 financial reports submitted for the FY 2006 CCDF appropriation showing cumulative expenditures through September 30, 2008. The FY 2006 State reports detail expenditures from each of the CCDF funding streams (Mandatory, Matching, and Discretionary), as well as funds transferred from the Temporary Assistance for Needy Families (TANF) program to CCDF. Included are expenditures for administration, direct and non-direct services, and quality activities including Congressionally-mandated Targeted Funds for: (1) Child Care and Quality Improvement Activities; (2) Infant and Toddler Quality Improvement; and (3) Child Care Resource and Referral and School Age Care.

As of September 30, 2008, cumulative expenditures from the FY 2006 appropriation totaled approximately \$9 billion. This total includes approximately \$123 million in excess State expenditures above the amounts required to draw down the full allotment of Federal CCDF Matching funds.¹ Footnotes have been added to Table 5B – *Matching State Share* and Table 8b – *Maintenance of Effort Summary* identifying excess expenditures reported by States.

¹ This amount was revised downward from the report of cumulative expenditures from the FY 2006 appropriation as of 09/30/07 because California submitted revised ACF-696 reports showing a decrease in the amount of expenditures for State Match and MOE.
