ATTACHMENT B**

*CSBG Model Plan Submission Groups by States*

**Group A:** *12 States with Accepted Two-Year Plans ending September 30, 2016*

During last fiscal year, OCS provided separate instructions to the 13 States with accepted two-year state plans covering fiscal years 2015 and 2016 through a “Dear Colleague” message sent on June 10, 2015. For the FY 2017 CSBG State Plan cycle, these States must submit a new one- or two-year CSBG State Plan. This plan will be subject to all requirements of the CSBG Act, including the public hearing requirement.

**Group C:** *25 States with Currently Accepted Two-Year Plans ending September 30, 2017*

States that fall within this group, that do not have any revisions to their MSP, must complete the SF-424M as a separate form through the Online Data Collection System (OLDC).

If a State elects to submit revisions to its CSBG Plan, the SF-424M will be submitted as a part of the MSP. The State will be subject to complete all of the required fields and validations. OCS is not requiring that States submit revisions to their accepted plans, and only suggest doing so for major revisions, such as making a change of more than 10 percent to the use of the States Remainder/Discretionary Funds (MSP, item 7.11) or significant proposed changes to State CSBG policies and/or procedures (e.g. monitoring, fiscal allocations, etc.).
