Dear Colleagues,

The purpose of this message is to provide the Social Services Block Grant (SSBG) grantees with an update on the SSBG allocations for the Federal Fiscal Year (FFY) 2020.

The FFY 2020 SSBG fourth quarter funds are being released to all SSBG State and Territory grantees to provide funding for the period from July 1st through September 30th 2020. For planning purposes, attached is a SSBG allocation chart. Expenditures are available as identified by the State's plan under Title XX of the Social Security Act.

We appreciate your hard work and dedication to the social services and activities supported with these resources. Thank you for your continued partnership and cooperation with the Department of Health and Human Services (DHHS) and Administration for Children and Families (ACF) as we work together to continue providing quality service to vulnerable individuals, children, and families.
