<b>Re: SSBG FY 2015 2nd Quarter Allocations Update</b>	<b>Date: January 29, 2015</b>

Dear Colleague:

The purpose of this message is to provide you with an update on the second quarter allocations of the Social Services Block Grant (SSBG) funds for fiscal year (FY) 2015. Today's awards represent the second release of funding to-date for FY 2015.

Congress appropriated these funds under the Consolidated and Further Continuing Appropriations Act of 2015 (<http://rules.house.gov/bill/113/hr-83>), which provided the final budget for FY 2015 and which the President signed into law on December 16, 2014.

The legislation provides for a total available funding of, \$1,700,000,000, which is reduced to \$1,575,900,000 after the application of mandatory sequestration of 7.3% as required under the Budget Control Act of 2011. While the Department of Health and Human Services has taken every step to mitigate cuts, the sequester statutes do not offer flexibility for the Social Services Block Grant.

The second quarter allotments for SSBG is being released to all States and Territories with expenditures made available in accordance with the State's plan under title XX of the Social Security Act. For planning purposes, a chart is attached to show the full amounts allocated for FY 2015, as well as the first and second quarter amounts released for each State.

We appreciate your hard work and dedication to the social services and activities supported with these resources. Again, thank you for your continued partnership and cooperation with the Department of Health and Human Services (DHHS) and Administration for Children and Families (ACF) as we work together to continue providing quality service to vulnerable individuals, children and families.

Sincerely,
