SUBJECT: CSBG Appropriation for Fiscal Year (FY) 2007

PURPOSE: To Share with States Final State Allotments for FY 2007

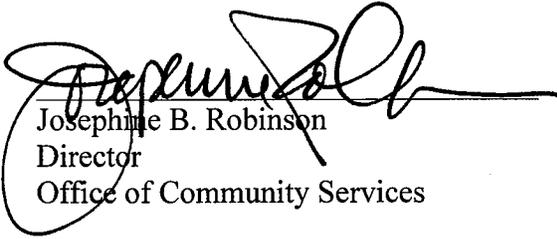

Congress has enacted a Joint Resolution providing final appropriations for FY 2007. A table is attached for your reference with State allotments for FY 2007 based on a total appropriated funding amount of \$630,425,000.

Funds are appropriated based on the relative percentages of 1981 funding levels under Section 221 of the Economic Opportunity Act of 1964 as amended. Those funding levels were calculated based on:

- relative number of public assistance recipients in each State as compared to all States;
- relative number of unemployed persons in each State as compared to all States; and
- relative number of related children living with families with incomes below the poverty level in each State as compared to all States.
