*Total family and total recipient averages include AFDC as well as TANF. TANF one- and two-parent family numbers are for TANF only. Depending upon when State TANF programs began, fiscal year averages may be for one to three months; calendar year averages for one to six months. AFDC-UP fiscal averages are for either nine or twelve months; calendar averages are for six to twelve months.

*All States had implemented TANF programs by July 1997, but the switch from AFDC data reporting procedures to the Emergency TANF Data Reporting System (ETDRS) was not mandatory until six months after implementation of a TANF program or July 1997, whichever was later. ETDRS, in effect for all States from January 1998 through September 1999, did not require States to report numbers of children and adults.

August 1997
