

Instruction for Completion of Form ACF-196TR

Territorial Financial Reporting Form for the TANF Program

All Territories must complete and submit this report in accordance with these instructions on behalf of the Territorial agency administering the TANF Program.

Due Dates: This form must be submitted quarterly by February 14, May 15, August 14 and November 14 of each Federal fiscal year.

Territories must submit separate quarterly reports regarding the use of each fiscal year's funds. For example, Territories must submit a report regarding the expenditure of FY 2003 funds in FY 2004 separately from the report on the use of FY 2004 funds in FY 2004. Until the Territory reports that all of the Federal funds awarded for a given fiscal year have been transferred or expended, Territories must continue to submit quarterly reports on the use of funds from that fiscal year.

Very Important Notice!!

Territories May Not Submit Revisions to Any FY's Reports Outside of the Current Quarter of Which the Most Recent Report is Due.

Example 1: The Territory is submitting a report for FY 2003 for the quarter ending 9/30/2003. Revisions to that Report must be made prior to 12/31/2003 and must be shown as a revision to the quarter ending 9/30/2003 report. After 12/31/2003, revisions to the FY 2003 report for the quarter ending 9/30/2003 will not be accepted. Any revision that are subsequently found for FY 2003 that need to be made must be included in the report for the subsequent quarter, I.E., for the current quarter ending 12/31/2003.

Example 2: The territory needs to revise its reported expenditures for the quarter ending 6/30 for FY 1999. The current quarter is 9/30/2003. The ACF-196 submitted to show these revisions should contain FY 1999 as the fiscal year and show 9/30/2003 as the current quarter ending. The report should not show 6/30/1999 as the current quarter ending!

To summarize, any corrections to a prior quarter would have to be included in the current quarter's report. Once the time restrictions (indicated below) have passed for filing revisions to the current quarter's report, all revisions would have to be contained in the following quarter's report.

Reporting Timeframe Restrictions	Current Qtr. Ended 12/31	Current Qtr. Ended 3/31	Current Qtr. Ended 6/30	Current Qtr. Ended 9/30
Revision Must Be Received By	3/31	6/30	9/30	12/31

Distribution: The original copy (with original signatures) should be submitted to: Administration for Children and Families, Office of Administration, Office of Grants Management, Division of Mandatory Grants, Aerospace Building, 4th Floor, 370 L'Enfant Promenade, S.W., Washington, D.C. 20447. General Instructions:

- Round all entries to the nearest dollar.
- Include costs of contracts and subcontracts in the appropriate reporting category, based on their nature or function.
- Enter Territorial Name
- Enter the Fiscal Year for which this report is being submitted. Funding for each fiscal year is available until expended. Therefore, for each fiscal year, a Territory may be submitting reports simultaneously to cover two or more fiscal years. It is important to indicate the year for which information is being reported.

Regarding Federal TANF funds, the Territory must note that prior fiscal year unobligated balances may only be expended on “assistance,” as defined in 45 CFR 260.32(a), or on the related administrative costs of providing that assistance. Expenditure of prior year unobligated balances must be reported on the “Expenditure on Assistance” categories (lines 5(a) through 5(d)) and any related administrative costs reported on line 6(j).

For TANF funds, the 15% administrative cost cap applies to the Adjusted Territorial Family Assistance Grant reported on line 4(A) plus 4(C) of this form. For Territorial expenditures reported in columns (B) and (D), the 15% administrative cost cap applies to the cumulative amount of Total Expenditures (i.e., the sum of line 16(B) + 16(D)) reported for these columns. See 45 CFR 263.0(b).

Based on the nature or function of the contract, Territories must include appropriate administrative costs associated with contracts and subcontracts that count towards the 15% administrative cost caps.

- Transfers of TANF funds to the Child Care Development (CCDF) or Social Service Block Grant (SSBG) must be made in the current fiscal year with current fiscal year TANF funds. Transfers of prior year unobligated balances are not allowed after the end of the Federal fiscal year in which the funds were awarded.
- Enter the ending dates for the current quarter (the quarter just ended) and the ending date of the next quarter (the upcoming quarter, for which estimates are being requested on line 18). Example: the Territory is reporting for the 1st quarter of the Federal fiscal year (10/1 through 12/31). The report is due February 14, the current quarter ending date is 12/31, and the next quarter ending date for which estimates are requested is 6/30. The estimate submitted by the Territory will be for the quarter of 4/1

through 6/30. Estimates are not required on quarterly reports submitted for prior fiscal years. Reminder: Revisions to any FY's Data must be made prior to the end of the quarter following the quarter just completed and must be shown as an adjustment to the most recently completed quarter.

- Indicate whether this is a final report.
- Entries are not required or are not applicable to blocks that are shaded.

Columns: All amounts reported in columns (A) through (F) must be actual expenditures or obligations made in accordance with all applicable statutes and regulations. Amounts reported in the estimate section are estimates of Federal expenditures to be made during the quarter indicated based on the best information available to the Territory.

Unobligated Balances Reported on a State Fourth Quarter Financial Report for the Immediately Preceding Fiscal Year

Pursuant to section 404(e) of the Social Security Act (Act), a Territory may reserve amounts awarded to the Territory under section 403 off the Act (excluding Contingency Funds), without fiscal year limitation, to provide assistance under the Territorial TANF program. Federal Unobligated Balances carried forward from previous fiscal years may only be expended on assistance, as defined in 45 CFR 260.31(a) and related administrative costs associated with providing such assistance. The related Administrative Costs to provide the assistance will be reported against the 15 percent administrative cost cap for the fiscal year for which the Federal TANF funds were originally awarded.

Current Fiscal Year Federal Expenditures on Non-Assistance

The Territory must obligate by September 30 of the current fiscal year Federal TANF funds for Expenditures on Non-Assistance. Non-Assistance expenditures are reported on Line 6 categories of this report. The Territory must liquidate these obligations by September 30 of the Federal fiscal year after the FY for which the funds were awarded. If the final liquidation amounts are lower than the original amount obligated, these funds must be included in the Unobligated Balance Line Item for the year in which they were awarded. As mentioned in the previous paragraph, unobligated balances from previous fiscal years may only be expended on assistance and the administrative costs related to providing the assistance.

Transfers

The Territory may transfer Federal TANF funds to the CCDF Discretionary Fund and/or the SSBG programs only during the current fiscal year for which the funds were awarded. The Territory cannot transfer unobligated balances from a previous fiscal year to the CCDF and/or the SSBG programs. Limitations on transfers to these programs are explained in the Line Item instructions.

Territorial Replacement of Grant Reductions Resulting from Penalties

If a Territorial's Federal TANF Grant is reduced because of the imposition of a penalty under section 409 of the Social Security Act (Act), then section 409(a)(12) of the Act, and the regulations at 45 CFR 262.1(e) provide that the Territory must expend additional Territorial funds in its TANF program. The additional expenditures must equal the amount withheld due to the penalty. Also, the required additional expenditures do not count toward the Territory's TANF MOE requirement.

Line Item Instructions

Cumulative Fiscal Year Expenditures and Obligations

Line 1. Awarded. Enter in column (A) the cumulative total of Federal TANF funds awarded to the territory from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported. Enter in column (C) the cumulative total of matching funds awarded to the Territory from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported. Enter in column (E) the cumulative total of Federal adult assistance funds awarded to the Territory from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported. Enter in column (F) the cumulative total of all Federal funds awarded to the Territory from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported. Column (F) is equal to sum of line 1 columns (A) through (E).

Note: The Territory must include all Federal TANF funds awarded for the current fiscal year on Line 1(A), Line 1(A) includes Federal TANF funds and any Bonus Funds.

Line 2. Transferred to Child Care and Development Fund. Enter in columns (A), (C) and (F) the cumulative total of funds that the State transferred to the Discretionary Fund of the Child Care and Development Fund from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported. Section 404(d)(1) of the Social Security Act (Act) governs the transfer of Federal TANF funds to the Child Care Discretionary Fund. In compliance with section 404(d)(1) of the Act, a Territory may not transfer more than 30% of its total annual Federal TANF funds to the Child Care Development Fund (CCDF) and the Social Services Block Grant program (SSBG). Therefore, if the Territory transferred 10% of its Federal TANF funds for a FY to SSBG, then it could transfer up to 20% of the annual Federal TANF funds

to CCDF. A Territory may transfer this entire amount to the Discretionary Fund of the CCDF program. All funds transferred to the Discretionary Fund of the CCDF program take on the rules and regulations of that recipient Fund in place for the current fiscal year at the time when the transfer occurs. A Territory can transfer current-year Federal TANF funds only. The Territory may not transfer prior year unobligated balances to the CCDF.

Line 3. Transferred to SSBG. Enter in columns (A), (C) and (F) the cumulative total of funds the Territory transferred to the Social Services Block Grant (SSBG) program from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported. Section 404(d)(2) of the Act governs the transfer of TANF funds to the SSBG program; it limits the amount a Territory may transfer to no more than 10% of its total annual Federal TANF grant to SSBG. (Also, the combined amount transferred to SSBG and the Discretionary Fund may not exceed 30% of the annual TANF grant. In other words, for all financial reports applicable to grant funds for one fiscal year, the sum of the total cumulative amount reported on line 3 and the total cumulative amount reported on line 2 cannot exceed 30% of the annual TANF grant.) All funds transferred to the SSBG program are subject to the statute and regulations of the recipient SSBG program in place for the current fiscal year at the time when the transfer occurs. A Territory may transfer current-year Federal TANF funds only. The Territory may not transfer prior-year unobligated balances to SSBG.

Also, the total amount transferred to SSBG and CCDBG affects the amount available for Jobs Access activities that may be used as the non-Federal match under that program. See instructions for line 6c1.

Line 4. Adjusted Federal TANF Amount. Enter in columns (A), (C), (E) and (F) the cumulative total of funds available for TANF after subtracting the amounts transferred to the CCDF program (Discretionary Fund) (line 2(A)) and/or the SSBG program (line 3(A)), from October 1 of the Federal fiscal year for which the report is being submitted through the current quarter being reported.

Line 5. Expenditures on Assistance. Blocks are shaded and do not have to be filled out. This line exists as a mathematical check. The amounts reported in this category do not include funds transferred to the CCDF (Discretionary Fund - reported on the ACF-696) or SSBG programs. Include child care expenditures for families that are not employed, but need child care to participate in other work activities such as job search, community service, education, or training, or for respite purposes. Do not include child care provided as a nonrecurrent, short-term benefit (for example, to recently employed families who need child care extended during a temporary period of unemployment in order to maintain continuity of care). These are expenditures that are not otherwise consistent with the purposes of TANF and/or with the prohibitions in section 408. Territories including expenditures on this line must include a footnote explaining the nature of these benefits (e.g., previously authorized juvenile justice or State foster care payments) and reference the Territorial plan provision under which they were authorized.
