

Early Head Start Grantee Competition – Waukegan Township within
Lake County, Illinois
HHS-2013-ACF-OHS- CH-R05-0343

The following questions have been received as of August 13, 2012. The answers have been provided by the Office of Head Start.

Question: I have a question about the Phase Two section of the recent rounds of Early/Head Start RFPs. My organization is contemplating applying with a delegate agency. Do the requirements of Phase Two apply only to the grantee applicant? Or, should we also include information about the financial management systems, controls and procedures for the delegate agency?

Response: Please refer to section IV.1 on page 23 of the FOA as it states, “Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each delegate agency, by agency title, along with the same supporting information referred to in these instructions.”
