

Introduction

The FY 2011 Online Performance Appendix is one of several documents that fulfill the Department of Health and Human Services' (HHS) performance planning and reporting requirements. HHS achieves full compliance with the Government Performance and Results Act of 1993 and Office of Management and Budget Circulars A-11 and A-136 through the HHS agencies' FY 2011 Congressional Justifications and Online Performance Appendices, the Agency Financial Report, and the HHS Summary of Performance and Financial Information. These documents are available at <http://www.hhs.gov/budget/>.

The FY 2011 Congressional Justifications and accompanying Online Performance Appendices contain the updated FY 2009 Annual Performance Report and FY 2011 Annual Performance Plan. The Agency Financial Report provides fiscal and high-level performance results. The HHS Summary of Performance and Financial Information summarizes key past and planned performance and financial information.

MESSAGE FROM THE ASSISTANT SECRETARY

I am pleased to present the FY 2011 Online Performance Appendix for the Administration for Children and Families. Our core mission is to promote the economic and social well-being of children, youth, families, and communities, focusing particular attention on vulnerable populations such as children in low-income families, refugees, Native Americans, and people with developmental disabilities.

To the best of my knowledge, the performance data reported in this document is accurate, complete, and reliable.
