

Student-Mentor Networking Roundtable

Chair: Christine M. McWayne

Comments: Edward Zigler

Participants: Marissa Owsianik, Christine M. McWayne, Doré R. LaForett, Julia L. Mendez, DeAnn Jones, Lori A. Roggman, Leanne M. Kallemeyn, Lizanne DeStefano

The student-mentor relationship is a fundamental part of conducting quality and sensitive Head Start research. The Head Start Graduate Student Research Grants Program, as a model program that features the contribution of mentor-mentee relationships to graduate training and professional development, was showcased.

For more information regarding the Head Start Graduate Student Research Program, please visit http://www.acf.hhs.gov/programs/opre/hs/grad_student/index.html.
