You have the right to retain any attorney that you choose, at no cost to the government, and are not limited to the legal service providers and attorneys on this list.

**Legal Services for UAC in ORR Care and Custody**

The Office of Refugee Resettlement (ORR) funds the organizations listed under the subheading “Legal Service Providers Funded by ORR” to provide you free legal assistance that includes teaching you about immigration court and your legal rights and conducting interviews to assess your eligibility for immigration relief to remain in the United States. The legal service providers may help to coordinate a referral to a pro bono (free) attorney to provide you with legal representation. You are not limited to using ORR funded legal service providers. You may also contact any of the organizations listed under the subheading “Other Legal Service Providers and Pro Bono Attorneys,” or any other legal service provider or attorney that you or your family choose.

**Legal Services for UAC After They Have Been Released from ORR Care and Custody**
