SUBJECT: Formula Allocation Notification Change

Attached is a Federal Register Notice, published on Thursday, August 23, 2012, that announces a change in the way that the Office of Refugee Resettlement (ORR) will be providing notification to States and Wilson/Fish grantees of final Social Services and Targeted Assistance formula awards.

As described in the attached Federal Register Notice, for FY 2012, and for future fiscal years, notifications of final formula grant allocations will be published in the Federal Register. This change is in accordance with the policy of the Administration of Children and Families to simplify the process of providing notification of formula awards to grantees. ORR will no longer post on the website detailed Funding Opportunity Announcements for these two programs.

In the near future, Notices on the final Social Services and Targeted Assistance formula allocations will be published in the Federal Register. As each notice is published, ORR will send grantees State Letters with two attachments: (1) a copy of the Federal Register Notice and (2) the allocation table(s) that previously appeared in the Funding Opportunity Notices, including both final population figures and the final formula grant amounts. The State Letters and the two attachments will be posted on the ORR website under the State Letter section of the ORR website. Final formula allocations will no longer be available under the Funding Opportunity section of the website.

If you have any questions about this change, please contact Henley Portner at (202) 401-5363 or [Henley.Portner@acf.hhs.gov](mailto:Henley.Portner@acf.hhs.gov).

We hope that this new process will be helpful to ORR grantees by making faster notification of formula allocations possible in both these programs.

#### Notice of Change in Notification of Refugee Social Services and Targeted Assistance Formula Grant Allocations

**AGENCY:** Office of Refugee Resettlement, ACF, HHS.

**ACTION:** Notification of change.

**SUMMARY:** The Office of Refugee Resettlement, Administration for Children and Families (ACF), is changing the notification to States and Wilson/Fish Alternative Project grantees of final Social Services and Targeted Assistance formula grant awards. Under these two programs, formula grants are allotted to States based on the eligible population in each State. States and Wilson/Fish Alternative Project grantees use the grant awards to provide employment and other resettlement services to refugees, Amerasians, asylees, Cuban and Haitian entrants, victims of trafficking, and Iraqis and Afghans with Special Immigrant Visas.

Sections 412(c)(1)(B) and 412(c)(2)(A) of the Immigration and Nationality Act do not require applications for the Social Services and Targeted Assistance formula grant programs. ORR has the discretion to alter the process by which States and Wilson/Fish Alternative Project grantees are notified of their annual allocations. Therefore, in an

effort to streamline the process, an annual Funding Opportunity Announcement (FOA) will no longer be published. Instead, in addition to annual publication of a notice in the **Federal Register**, ORR will now also post tables of the allocations and the population figures used to calculate the award amount on the ORR Web site. In addition, official notification of awards will be provided to States and Wilson/Fish Alternative Project grantees by ACF's Division of Mandatory Grants.

**DATES:** This change is effective immediately.

#### Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276–1243.

#### Project: Survey of State Underage Drinking Prevention Policies and Practices (OMB No. 0930–0316)—Revision

*The Sober Truth on Preventing Underage Drinking Act* (the “STOP Act”)<sup>1</sup> states that the “Secretary [of Health and Human Services] shall \* \* \* annually issue a report on each State’s performance in enacting, enforcing, and creating laws, regulations, and programs to prevent or reduce underage drinking.” The Secretary has delegated responsibility for this report to SAMHSA. Therefore, SAMHSA has developed a *Survey of*

<sup>1</sup>Public Law 109–422. It is assumed Congress intended to include the District of Columbia as part of the State Report.
