ANNUAL SERVICE PLAN INSTRUCTIONS

General Overview

I. Submission

The information supplied on the Annual Service Plan (ASP) is required as a condition for the award of grant funds in accordance with 45 CFR 400.11(b)(2). The Annual Service Plan (ASP) is due **November 30** for the current Federal Fiscal Year (FFY) and can be attached to the ORR-6 Performance Report. The State agency/grantee responsible for the administration of the Federal Refugee Resettlement Program (RRP) must submit the ASP to its State Analyst in the Division of Refugee Assistance, Office of Refugee Resettlement (ORR). *Please Note: A State's funding for services will be contingent upon the submittal and approval of its Annual Service Plan.*

II. Content

The information reported on the Annual Service Plan (ASP) shows the categories of current services provided to the ORR-eligible population in the State and the total dollar amount contracted for services within each category by source (the Refugee Support Services [RSS] program). Required information includes:

- the ORR grant source for each category of services,
- the amount contracted for service provision only,
- the target number of program participants for each service based on their time in the U.S.,
- the type of agency providing the services, and
- the percentage of funding to each type of agency for each category of service.

ORR reviews the information reported for planning purposes and to see the extent to which funds are allocated to serve the newly arrived refugees (in the U.S. less than 12 months) who have priority for services based on 45 CFR 400.147. Subsequent program information will be reviewed and compared to the ASP.

III. Format

Reported data must reflect the ORR-funded services provided to refugees in the State for the 12-month period of services under contract as of October 1 that year (for more information, see "Fiscal Year" section under "Data Elements," below).
